Meier,2014-08-15 We meet the prophets of Israel in our own time and in one place Scripture So it might seem odd to consider that they are not all the same these voices from back then In fact the prophets inhabited a time span of hundreds of years and faced events

that on their own terms were more convulsive than our 9 11 They were not uniform in their language their concerns their personalities their remedies or their visions of the future In this book Sam Meier explores some recurring themes and features such as angels writing miracles the future and kingmaking all with an eye on their transformation over time And the defining event in this transformation turns out to be the great convulsive event of the story of Israel the defeat and exile of the kingdom of Judah Themes and Transformations in Old Testament Prophecy is a book that goes beyond the standard introductions to the prophets Yet it does so in a way that will inform and intrigue beginning students and anyone curious about the prophets of Israel

End of Prophetic Ministry Charles O. Ndege, 2013-05 In the contemporary church there has been an upsurge of those who claim to receive direct communication through visions and dreams But their claim contradicts the testimony of scripture This book will expose and analyze false prophecies made by two well known American and Kenyan prophets According to Apostle Paul the purpose of prophetic gift was for edification in the early church so in the end it would not be carried about with every wind of doctrine 1 Corinthians 14 3 5 Ephesians 4 12 14 As the New Testament drew to completion the same apostle taught that the role of prophetic gift was coming to an end being superseded by completed and inspired Holy Scripture Today the prophetic claims by contemporary charismatic prophets are never tested for veracity by any witnesses contrary to apostolic admonition These untested visions and dreams cannot compete with the inspired and tested words of Paul in edifying the church which was the main purpose of prophetic gift in Bible times We need people like you who can give REASON for their faith objectively and consistently Thank you George Odero Nairobi Kenya This is just awesome For lack of words of how to describe such a God given insight into the truth It s about time someone was raised of God to counter some of these hypocritical religions Martin Kilungu Nairobi Kenya Charles O Ndege of Kenya undertook an in depth study of the Bible after his conversion in 1982 He wrote this book so the people of God may not continue to be deceived by the contemporary prophets and their outlandish false claims Publisher s Website <http://sbpra.com> CharlesONdege
