1777 The Year Of The Hangman:

1777 John S. Pancake, 1977-06-30 A detailed study of the British invasion from Canada during the War of Independence No one who has read the history of the War of Independence can fail to be fascinated by the campaign of Gentleman Johnny Burgoyne The story evokes pictures in the mind s eye scarlet coated Englishmen the green and blue uniforms of the German mercenaries the flash of brass and silver and steel accoutrements the swarms of Indians in their war paint the whole moving through the green forests or sailing the blue waters of lakes and rivers Even the names have a lyrical tone Richelieu Champlain Oriskany Ticonderoga and La Chine Part of this fascination is the fact that the fate of the expedition marked a turning point in the history of the war It is not surprising that there has been a host of chroniclers scholars and novelists and those who fall in a category somewhere between because their artistry bridges the gaps that footnoted facts cannot and so allows some scope for imagination and may teach more history than the rest This fascination was partly responsible for Pancake s exploration of this particular part of the history of the war There was also the fact that no scholar since Hoffman Nickerson in his *Turning Point of the Revolution* 1926 has attempted a detailed study of the British invasion from Canada although there has been a vast amount of literature on specific aspects of the campaign No study to date has attempted to link the Canadian expedition to the concurrent operation of General Sir William Howe in Pennsylvania in such a way as to present a complete story of the campaign of 1777 From the point of its inception and launching by the American Secretary Lord George Germain to the point where it was reduced to a shambles at the end of the year [The Revolutionary War Begins](#) Tim McNeese, 2003-09-01 This packet provides a detailed overview of the American battle for independence From the earliest skirmishes at Lexington and Concord to the victory at Saratoga this packet tracks both the logistical and intellectual dimensions of the revolution which as John Adams said took place in the hearts and minds of Americans before a single drop of blood was shed *Revolutionary War (ENHANCED eBook)* Tim McNeese, 2003-09-01 The Revolutionary War provides a detailed overview of the American battle for independence and the forging of a nation From the earliest skirmishes at Lexington and Concord to the decisive victory at Yorktown to the writing of the Constitution and the struggles of early national America this book tracks both the logistical and intellectual dimensions of the revolution which as John Adams said took place in the hearts and minds of Americans before a single drop of blood was shed As much as it vividly documents the particulars of battle it is the dizzying aftermath of the war and the complexities of fulfilling the idea of America that form the impressive substance of this book Also discussed are the social cultural and artistic advances of the post Revolutionary period including women s suffrage and the beginning of public education with special emphasis given to the American Renaissance and the rising of distinctly American literature **The American Northern Theater Army in 1776** Douglas R. Cubbison, 2010-03-08 The American War for Independence was under way before the signing of the Declaration of Independence but the Continental Army didn t have the force to back up the words This history explores the army s early

failures in Canada with desertion and disease common among the ranks and how new leadership disciplined and reorganized the army and set the stage for a key victory at Saratoga in 1777

Besieged Paul K. Davis, 2003 From ancient times to the present great sieges have had an enormous impact on the shaping of world history Now in this spectacular fully illustrated volume one hundred of the world's most monumental and mind boggling sieges are laid out in detail *Besieged* covers the most important sieges from around the world throughout history from Joshua's assault on Jericho in the fifteenth century B C to the Russian attack on the Chechen capital of Grozny at the end of the twentieth Each entry provides the name and date of the siege its exact location in terms of today's world the number of forces engaged when known the names of the commanders on each side and the overall importance of the siege in its historical context Thoroughly examining the actions of both the attackers and the defenders the book explores the motivations of both and strategically surveys the technical and tactical innovations and conditions both inside besieged positions and in the besiegers ranks The entries detail the historical setting the particular circumstances of the event itself and the long term results of the siege These riveting accounts are enhanced by illustrations over seventy maps and references for further reading A glossary and a comprehensive index complete the book Global in scope and with stirring accounts of familiar sieges as well as many lesser known conflicts *Besieged* is essential reading for military buffs and everyone interested in how the modern world came to be Includes the sieges of Jericho 1405 B C Troy 1250 B C Acre 1189 1191 Constantinople 1453 Tenochtitlan 1521 La Rochelle 1627 1628 Leningrad 1941 1944 Malta 1940 1942 Dien Bien Phu 1954 Khe Sanh 1968 Beirut 1982 Sarajevo 1991 1995

Almost a Miracle John E. Ferling, 2009 Describes the military history of the American Revolution and the grim realities of the eight year conflict while offering descriptions of the major engagements on land and sea and the decisions that influenced the course of the war

George Washington's War Bruce Chadwick Ph.D., 2005-02-01 How a young general shaped a nation a fascinating account of George Washington as he faced a war and came out as America's first president The American Revolution was won not on the battlefields but through the mind of George Washington One of America's founding fathers Washington's story is one that influenced how our entire nation was built A compulsively readable narrative and extensive history George Washington's War illuminates how during the war's winter months the young general created a new model of leadership that became the model for the American presidency Through hardships loss and the brutal conditions of war Washington led his men with cunning and grace demonstrating the strong and endearing qualities that led him to become America's most beloved patriot

Whites of Their Eyes Michael E. Shay, 2023-10-17 Don't fire until you see the whites of their eyes remains one of the enduring and most stirring quotations of the Revolutionary War and it was very likely uttered at the Battle of Bunker Hill by General Israel Putnam Despite this and Putnam's renown as a battlefield commander and his colorful military service far and wide Putnam has never received his due from modern historians In *The Whites of Their Eyes* Michael E Shay tells the exciting life of Israel Putnam Born near Salem Massachusetts in 1718 Putnam relocated in 1740 to

northeastern Connecticut where he was a slaveowner and according to folk legend killed Connecticut's last wolf in a cave known as Israel Putnam Wolf Den which is on the U S National Register of Historic Places During the French and Indian War Putnam enlisted as a private and rose to the rank of colonel He served with Robert Rogers famous Ranger founder and leader and a popular phrase of the time said Rogers always sent but Putnam led his men to action In 1759 Putnam led an assault on French Fort Carillon later Ticonderoga in 1760 he marched against Montreal in 1762 he survived a shipwreck and yellow fever during an expedition against Cuba and in 1763 he was sent to defend Detroit during Pontiac's rebellion When the Revolutionary War broke out Putnam who had been radicalized by the Stamp Act was among those immediately considered for high command Named one of the Continental Army's first four major generals he helped plan and lead at the Battle of Bunker Hill where he gave the order about the whites of their eyes and argued in favor of fortifying Breed's Hill in addition to Bunker Hill Most of the battle would take place on Breed's During the battles for Manhattan Brooklyn and Long Island during the summer of 1776 Putnam proved himself a capable and courageous battlefield commander with a special eye for fortifications but he sometimes faltered in tactical and strategic decision making In the fall of 1777 the British outmanned Putnam resulting in the loss of several key forts in the Hudson Highlands near West Point Putnam was exonerated by a court of inquiry but nearly sixty and opposed by powerful political elements from New York including Alexander Hamilton he spent many of the following months recruiting in Connecticut In December 1779 he was returning to Washington's Army to rejoin his division when he suffered a stroke and was paralyzed The Whites of Their Eyes recounts the life and times of Israel Putnam a larger than life general a gregarious tavern keeper and farmer who was a folk hero in Connecticut and the probable source of legendary words during the Revolutionary War and whose exploits make him one of the most interesting officers in American military history *Oriskany : a Place of Great Sadness* Joy Ann Bilharz,2009 *Valley Forge Winter* Wayne Bodle,2010-11-01 Refuting commonly held myths about the American Revolution this comprehensive history of the colonial army's winter encampment of 1777-1778 reveals the events that occurred both inside and outside the camp boundaries discussing interactions between the soldiers and local civilians divisions within the army the political and military strategies of George Washington and their implications in terms of the future of the United States Reprint Francis Rawdon-Hastings, Marquess of Hastings Paul David Nelson,2005 The most important role that Hastings played was as a soldier in the British army He was a young officer during the American war fighting at Bunker Hill in 1775 as a lieutenant in the grenadier company of the 5th Regiment Distinguishing himself he was promoted captain and appointed aide de camp to General Henry Clinton He went on to lead the Volunteers of Ireland serve as adjutant general under Clinton and to command an independent army in South Carolina in 1780-81 As governor general of India from 1813 to 1823 he successfully led campaigns against the Nepalese Pindaris and Marathas Nelson's biography of Hastings is based upon extensive research in the Hastings Collection of the Huntington Library San Marino California the Oriental and India Office Collections of the

British Library the Public Record Office and a large array of other archives It also utilizes many published primary and secondary sources

BOOK JACKET **Rites of Execution** Louis P. Masur, 1989 This study examines the conflict over capital punishment and the transformation of American culture between the Revolution and the Civil War Angelica Molly Beer, 2025-07-01 A women centric view of revolution through the life of Angelica Schuyler Church Alexander Hamilton's influential sister in law Few women of the American Revolution have come through 250 years of US history with such clarity and color as Angelica Schuyler Church She was Alexander Hamilton's saucy sister in law and the heart of Thomas Jefferson's charming coterie of artists and salonnieres in Paris Her transatlantic network of important friends spanned the political spectrum of her time and place and her astute eye and brilliant letters kept them well informed A woman of great influence in a time of influential women Catherine the Great and Marie Antoinette were contemporaries Angelica was at the red hot center of American history at its birth in Boston when General Burgoyne surrendered to the revolutionaries in Newport receiving French troops under the command of her soon to be dear friend Marquis de Lafayette in Yorktown just after the decisive battle in Paris and London helping to determine the standing of the new nation on the world stage She was born as Engeltje a Dutch speaking slave owning colonial girl who witnessed the Stamp Act riots in the Royal British Province of New York She came of age under English rule as Angelica the eldest daughter of the most important family on the northern part of Hudson's River raised to be a domestic diplomat responsible for hosting indigenous chiefs and enemy British generals at dinner She was Madame Church wife of a privateer turned merchant banker whose London house was a refuge for veterans of the American war fleeing the guillotine in France Across nationalities languages and cultures across the divides of war grievance and geography Angelica wove a web of soft power connections that spanned the War for Independence the post war years of tenuous peace and the turbulent politics and rival ideologies that threatened to tear apart the nascent United States In this enthralling and revealing woman's eye view of a revolutionary era Molly Beer breathes vibrant new life into a period usually dominated by masculine themes and often dulled by familiarity In telling Angelica's story she illuminates how American women have always plied influence and networks for political ends including the making of a new nation

Congressional Record United States. Congress, 1974 Infantry, 1977 **Thaddeus Kosciuszko** Francis C. Kajencki, 1998 **Revolutionary War** Tim McNeese, 2003-09-01 The Revolutionary War provides a detailed overview of the American battle for independence and the forging of a nation From the earliest skirmishes at Lexington and Concord to the decisive victory at Yorktown to the writing of the Constitution and the struggles of early national America this book tracks both the logistical and intellectual dimensions of the revolution which as John Adams said took place in the hearts and minds of Americans before a single drop of blood was shed As much as it vividly documents the particulars of battle it is the dizzying aftermath of the war and the complexities of fulfilling the idea of America that form the impressive substance of this book Also discussed are the social cultural and artistic advances of the post Revolutionary period including women's suffrage

and the beginning of public education with special emphasis given to the American Renaissance and the rising of distinctly American literature The War of American Independence, 1763-1783 Stanley D. M. Carpenter, Kevin J. Delamer, James R. McIntyre, Andrew T. Zwilling, 2023-02-15 The War of American Independence 1763 1783 Falling Dominoes addresses the military maritime and naval economic key personalities key societal groups political imperial rivalry and diplomatic dynamics and events from the post Seven Years War era in Great Britain's North American colonies through the end of the War of American Independence Beginning in 1763 and moving through the war chronologically the authors argue that British political and strategic leaders failed to develop an effective strategy to quell the discontent and subsequent revolt in the North American colonies and thus failed to restore allegiance to the Crown This book describes and analyzes events and the outcomes of central players decisions the British North American colonies Great Britain France Spain and the Dutch Republic and the resultant actions It examines events through the thematic lens of strategy political and military leadership public attitudes economics international rivalries and relations and the role of traditionally less considered groups women slaves and Native American peoples This book is an enlightening and essential read for all history students from high school through to those on postgraduate courses as well as those with an interest in the American Revolution **Saratoga** James S. Pula, 2025-01-31 Often referred to as the turning point of the American Revolution the Saratoga Campaign has had much ink spilled about its causes leaders and consequences Less has been recorded about the individuals who participated in this political drama This book presents the experiences of the real people involved in the Saratoga Campaign from squabbling English politicians and ambitious generals both British and American to intercolonial jealousies Focusing on the testimonies of people who are largely overlooked this history sheds light on the most human aspects of the campaign so often forgotten
Valley Forge Historical Research Project Wayne K. Bodle, 1980
