The Constitution's Penman Dennis C. Rasmussen,2023-02-21 Strikingly few Americans know who wrote the Constitution Even fewer know that he was a peg legged ladies man with a wicked sense of humor a staunch opponent of slavery and an unabashed elitist Gouverneur Morris who has been described as the most colorful man in North America at the time of the founding was a dominant figure at the Philadelphia Convention of 1787 In fact he spoke more often proposed more motions and had more motions adopted than any other delegate He also put the Constitution into its final form choosing the arrangement and much of the wording of its provisions not to mention composing the famous preamble We the People of the United States nearly from scratch The Constitution s Penman is the first book to explore the constitutional vision of this fascinating neglected and influential American As Dennis Rasmussen deftly shows some aspects of Morris s political thought were intriguingly idiosyncratic such as his argument that the Senate should be an aristocratic body whose members would serve life terms without pay Other aspects of his vision for America s constitutional order however were astoundingly prescient Morris saw as clearly as any of the framers the need for a powerful executive with a popular mandate the central role that parties would play in American politics and the unfathomable evils that slavery would visit on American life Rasmussen demonstrates that it is impossible to fully understand the Constitution without appreciating the central role that Morris played in shaping it The United States Manual of Biography and History ... with Authentic Copies of the Declaration of Independence, the Articles of Confederation, and the Constitution of the United States. To which is Prefixed an Introductory History of the United States ... Illustrated with Portraits, Etc James V. MARSHALL,1856 *The United States Manual of Biography and History* James V. Rodenbough,2015-06-08 Governor Alexander Martin of North Carolina was one of the most important figures in the colonial and early state history of North Carolina A 1756 graduate of Princeton he was the first president of the Board of Trustees of the University of North Carolina He served longer as governor of the state than any other person until the election of Luther Hodges in the 20th century He was conferred an honorary doctorate by Princeton and elected to membership in the American Philosophical Society while he was a U S senator While in the Senate he fought successfully to open the Senate to the public He was one of five North

Carolina delegates to the Constitutional Convention in Philadelphia He was a friend and protector of the Moravians and other non conformists He was the most powerful and effective leader from the frontier region of North Carolina for a quarter of a century The first chapters of this biography discuss Martin s parents and their high regard for education his time at Princeton and his arrival in North Carolina in 1760 The next chapters explore Martin s and Rev David Caldwell s effort to prevent bloodshed during Governor Tryon s confrontation with the Regulators that led up to the Battle of Alamance Martin s experiences in the war as second in command of the North Carolina Regiment his election as senator from Guilford County to the General Assembly in 1777 and his much celebrated election as governor in 1781 The final three chapters of the book include information about his years in the U S Senate his retirement at his home Danbury in Rockingham North Carolina his relationship with his family and his very detailed last will and testament His home Danbury later gave its name to Danbury North Carolina in Stokes County which his nephews helped found about 1848 long after his death The Sacred Fire of Liberty Lance Banning,1995 Banning history U of Kentucky argues that Madison was not an intellectual pragmatist who reacted variably to the changing circumstances of the Revolution and the Confederation Rather Madison held to consistent principles and was at once a more committed democrat and a less eager nationalist
