Using primary evidence such as official documents newspapers and memoirs Paul Bailey analyzes the significance impact and nature of women s public education in China from its beginnings at the turn of the twentieth century *Mystery Classics on Film* Ron Miller,2017-02-20 Watching the screen version of a classic mystery novel can be disappointing By necessity or artistic license or possibly just ego changes are often made by the filmmakers many of them ineffective or even detrimental This book focuses on the screen adaptations of 65 famous mysteries and examines how the filmmakers either succeeded or failed in the telling of the story Interviews with several famous mystery writers are included with their comments on how filmmakers treated their work

Silent Film and the Formations of U.S. Literary Culture Sarah Gleeson-White,2024-05-14 Silent Film and the Formations of U S Literary Culture Literature in Motion argues that the emergence of motion pictures constituted a defining moment in U S literary history Author Sarah Gleeson White discovers what happened to literary culture both popular and higher brow when inserted into the spectacular world of motion pictures during the early decades of the twentieth century How did literary culture respond to and how was it altered by the development of motion pictures literature s exemplar and rival in narrative realism and enthrallment Gleeson White draws on extensive archival film and literary materials and unearths a range of collaborative cross media expressive and industrial practices to reveal the manifold ways in which early twentieth century literary culture sought both to harness and temper the reach of motion pictures

Race and the Wild West Laura J. Arata,2020-07-02 Winner of the Western Writers of America SPUR Award and the Western Association of Women Historians Gita Chaudhuri Prize Born a slave in eastern Tennessee Sarah Blair Bickford 1852 1931 made her way while still a teenager to Montana Territory where she settled in the mining boomtown of Virginia City Race and the Wild West is the first full length biography of this remarkable woman whose life story affords new insight into race and belonging in the American West around the turn of the twentieth century For many years Sarah Bickford s known biography fit into a single paragraph By examining her life in all its complexity Arata fills in what were long believed to be unrecoverable silent spaces in her story Before establishing herself as a successful business owner we learn she was twice married both times to white men Her first husband an Irish immigrant physically abused her until she divorced him in 1881 Their three children all died before the age of ten In 1883 she married Stephen Bickford and gave birth to four more children Upon his death she inherited his shares of the Virginia City Water Company acquiring sole ownership in 1917 For the final decade of her life Bickford actively preserved and promoted a historic Virginia City building best known as the site of the brutal lynching in 1864 of five men Her conspicuous role in developing an early form of heritage tourism challenges long standing narratives that place white men at the center of the Wild West myth and its promotion Bickford s story offers a window into the dynamics of race in the rural West Although her experiences defy easy categorization what is clear is that her navigation of social norms and racial barriers did not hinge on exceptionalism or tokenism Instead she built a life that deserves to be understood on its own terms Through exhaustive research and nuanced

analysis Laura J Arata advances our understanding of a woman whose life embodied the contradictory intersections of hope and disappointment that characterized life in the early twentieth century American West for brave pioneers of many races

France and the Great War Leonard V. Smith, Stéphane Audoin-Rouzeau, Annette Becker, 2003-03-13 France and the Great War tells the story of how the French community embarked upon sustained and in some ways prevailed in the Great War In this 2003 book Leonard Smith and his co authors synthesize many years of scholarship examining the origins of the war from a diplomatic and military viewpoint before shifting their emphasis to socio cultural and economic history when discussing the civilian and military war culture They look at the total mobilization of the French national community as well as the military and civilian crises of 1917 and the ambiguous victory of 1918 The book concludes by revealing how traces of the Great War can still be found in the political and cultural life of the French national community This lively accessible and engaging book will be of enormous value to students of the Great War **Bulletin** Carnegie Library of Atlanta, 1913 **Conrad's Victory**
