Girardi Kevin Kernan, 2012-04 Drawn from more than 60 interviews and hours of face time, this authorized biography offers an unprecedented inside-the-dugout look at the manager who guided the New York Yankees to their 27th world championship. Beginning with his childhood in the baseball mecca of Chicago, this book traces Joe Girardi's rise from a catcher at Northwestern University to his time in the minors, his 15 years in the majors, and his successful career as a manager. As much a character portrait of the man as a chronicle of his achievements, this study reveals the amalgam of influences: the relentless work ethic learned from his father, combined with the systematic mind of an engineer, the baseball know-how instilled by the likes of Don Zimmer and Joe Torre, and the heart of his tenacious mother that combined to propel Girardi to his current stature.

Baseball's Best Traditions and Weirdest Superstitions Elliott Smith, 2022-08 Going to a baseball game? Don't expect the teams to care about a rookie's first home run. With engaging text and striking photos, this book will delight young sports fans with some of the best and weirdest practices on the field and in the stands.

The Greatest Teams Never Tony Del Prete, 2021-11-02 The Greatest Teams Never Sports Memories of Near Misses, Total Messes and Not so magical Moments chronicles the despair and disappointment of 40 remarkable teams that are remembered more for what they didn't accomplish than their successes. The book revisits some of the most memorable and unbelievable events in the annals of sports while at the same time recognizing those deemed second best as unofficially great even if history may never remember them that way. Each chapter comprises teams with similar notoriety and highlights a particular nuance of their ultimate demise. There is the 2007 New England Patriots' stunning Super Bowl loss to the NY Giants headlined "You Can't Win 'em All." Among other oddities in sports, the chapter "Better Lucky than Good" examines the Immaculate Reception and divergent outcomes for the Pittsburgh Steelers and Oakland Raiders after their historic playoff game. Once long suffering Red Sox and Cubs fans will appreciate the chapter "Wait til Near Even." International teams such as Brazil futbol and the USSR hockey are showcased in "C'est La Vie." Using hundreds of quotes from players and coaches, statistics and distant replay, the book explores both the promise and improbable ending for some truly great teams. Hear in their own words how several Golden State Warriors blamed themselves for blowing the 2016 NBA finals that Mickey Mantle and other Yankees greats wouldn't admit the 1960 world champion Pirates were the better team. Heartbroken college athletes who try to make sense of one loss season and more. From Baby Boomers to Millennials, avid sports fans to casual

observers there is something for anyone who follows sports played sports or simply roots for their hometown team Each chapter is filled with reasons to consider the losers as still great and ends with a Claim to Fame providing some level of vindication for players and their fans After all everyone deserves a second chance even the greatest teams never **Detroit** David Lee Poremba,1998 Professional sports have played an important part in the history of the people and the City of Detroit since the turn of the century Detroit sports teams have given the city a unique identity and provided the means to gain both a sense of community pride and a unity of spirit At no other time was this more evident than during the decades from the 1920s through the 1950s when Detroit teams rose consistently to the top of their individual professions In 1935 the three professional sports teams in Detroit accomplished a remarkable feat by each winning their respective league titles and going on to capture the World Championships of baseball football and hockey earning for the City of Detroit the honored sobriquet of City of Champions Here began a close and lasting relationship between Detroit sports teams and their fans

My Summer as a Cub R. Rathbone Leonard, 2011-09-22 Lenny Puddock writes of his experiences as a Chicago Cub during the 2011 baseball season. Puddock is a 32-year-old physical therapist for the Indianapolis National Institute of Fitness and Health who attended Randy Hundley's Fantasy Camp. Part of the Fantasy Camp experience is his developing friendship with Gertrude Castellano, a waitress who becomes a singing star. They romance at a distance. Puddock is invited to the Cubs Spring Training after an outstanding performance at the Camp. The Cubs offer him a contract with the Daytona Class A team, and he accepts. Puddock is moved up to Class AA Tennessee in mid-May and is called up to the Cubs in mid-July. He was batting .378. In mid-August, Mike Quade resigns as manager. Ryne Sandberg, who had an escape clause in his contract with a Phillies Minor League team, becomes the Cubs manager. When Puddock joined the parent club, the Cubs were 10 games out of first place. By the end of August, they are four from the Wild Card spot. In the waning days of August, the roster was two short due to injuries. Sandberg did not want to disrupt the Iowa or Tennessee playoff-bound teams, so he activated Greg Maddux and himself, thinking the roster had to contain the maximum 25 players. Plans were to activate two players before the August 31 midnight deadline, but due to an intern's goof, not recognizing the difference in Eastern Standard Time and Central Standard Time, the move came too late. In essence, the Cubs would have only a 23-player Post Season roster. The Cubs win their Division and League playoffs and enter World Series for the first time in 76 years. In an amazing ninth inning of the seventh game, the Cubs win the Series.
