1954 Infinite Way Letters:

The Nineteen Hundred Fifty-Four Infinite Way Letters Joel S. Goldsmith, 2011-10-01 The Heart of Mysticism Joel S. Goldsmith, 2018-12 The Heart of Mysticism is a six volume compilation of the monthly Letters Joel Goldsmith sent to students from 1954 through 1959 The Letters within these volumes provide lessons in spiritual living as well as instruction in how to apply specific spiritual principles in daily experience The collection offers a comprehensive study of the message of The Infinite Way As the author said There is nothing more precious in our entire library than the Infinite Way Letters *The Infinite Way* Joel S. Goldsmith, 1956 THE INFINITE WAY Teaches readers how to find wisdom through spirituality to overcome turmoil and hardship Since the beginning of time human nature has driven people to explore beyond their surroundings The results have shaped the world not just in terms of geographic boundaries but also in the context of spiritual values Seeking direction generations have looked to others for spiritual guidance hoping to find timeless wisdom that will withstand any turmoil or hardship Over time one message has provided comfort and continues to ring true today seek the answer from within and you will find the Truth Now considered a spiritual classic THE INFINITE WAY and this timeless message have instilled comfort and hope in the hearts of millions who now look inward for long lasting peace If human nature continues to push our lives towards a new spiritual horizon this simple gift will point the way and help each reader discover the Truth **The Letters** Joel Solomon Goldsmith, 1949 *The Revelation of Saint John* Zachary F. Lansdowne, 2006-05-01 The Revelation of St John the last book of the canonical Bible has been a mystery since it first appeared No other part of the Bible has caused more controversy Traditional interpretations of the book fall into one of three categories the major prophecies that are supposed to have been fulfilled in the destruction of Jerusalem in 70 A D the historical view that Revelation predicts the course of human events from the founding of Christianity to the end of the world or the futurist view that Revelation predicts events that will occur at the end of the world It is actually none of the above writes Zachary F Lansdowne a leading expert in the field of spiritual initiation In the Introduction to this rich and complex interpretation he writes According to its own verses the Revelation is concerned with the present time which is whatever time we happen to be reading it and contains information that we can apply immediately to become blessed This is not a book about end times or Armageddon and when it might come This is a book written entirely in symbols concealing a path for early Christians and for the contemporary reader Lansdowne has applied a unique psychological method of interpretation that takes each symbol as depicting some aspect of human consciousness rather than an eternal event thus showing that the Revelation is actually a detailed instruction for the spiritual journey a map to the wakening of higher consciousness Moreover while the Revelation appears in the great lineage of Judeo Christian tradition Lansdowne shows that its instruction can be appreciated and applied to seekers from any tradition Lansdowne's line by line and verse by verse interpretation presented here in an easy to read side by side format is a manual for the true seeker who would follow teachings of Jesus as they were

and are laid out rather than as they have been interpreted by theologians and biblical historians The Revelation of St John when unlocked by the key of psychological methodology is revealed to contain ideas from many diverse wisdom traditions and philosophies archangels in Judaism chakras and kundalini in Hinduism Buddhist mindfulness the redemptive power of love in Christianity and absolute standards of comparison in Platonic philosophy Zachary Lansdowne's revelatory text makes these teachings of the path to true soul initiation available to seekers from every spiritual tradition *The Publishers' Trade List Annual*, 1985 *The Contemplative Life* Joel S. Goldsmith, 1976 Goldsmith an internationally known spiritual leader presents this guidebook to attainment of inner peace and joy for those who are seeking a way to live a full and complete life here and now How the mind can transcend its apparent limitations and become what it is intended to be an instrument for the free flowing of the Spirit is specifically explained by the author in his description of the resources available in meditation Lightning Print On Demand Title **Antiquarian Bookman**, 1962 **Chicorel Index to Parapsychology and Occult Books** Marietta Chicorel, 1978 **AB Bookman's Weekly**, 1992 *Books in Print*, 1991 *Catalog of Copyright Entries.
