The Celluloid South Edward D. C. Campbell, 2003-03-03 The southern as much a Hollywood genre as the western is the subject of The Celluloid South For decades the film industry to provide profit making entertainment offered the public movies that neither raised difficult issues nor offended a majority of the ticket buyers As a result Hollywood romanticized the south particularly the antebellum era in hundreds of films like Uncle Tom's Cabin Gone With the Wind Birth of a Nation and Jezebel During the 1920s and especially the Depression the moonlight and magnolia romances increased to such an extent that Hollywood has been struggling since the late forties to rid films of the traditional images of the southern In his exploration of the southern Edward D C Campbell Jr examines the film plots and images their social literary and historical origins and their impact on the creation of a popular mythology of the south The unrealistic but seemingly harmless characterizations of a planter society and agricultural economy and especially slavery have hindered the region's self assessment and warped the nation's perspective on race Campbell looks beyond the productions themselves however to advertising techniques and the reactions of the viewers and reviewers in his examination of the southern its popularity and its decline and its influence of the public's conception of history contemporary conditions and black white relations The Celluloid South is not a study of film per se but of film as a reflection of society and the ramifications inherent in popular entertainment Readers interested in southern history popular culture or cinema studies as well as movie fans will find The Celluloid South a fascinating look at Hollywood's development of the southern myth Thirty one film stills illustrate the text

Dangerous Summer Ernest Hemingway, 2014-05-22 The Dangerous Summer is Hemingway's firsthand chronicle of a brutal season of bullfights In this vivid account Hemingway captures the exhausting pace and pressure of the season the camaraderie and pride of the matadors and the mortal drama as in fight after fight the rival matadors try to outdo each other with ever more daring performances At the same time Hemingway offers an often complex and deeply personal self portrait that reveals much about one of the twentieth century's preeminent writers

C'mon, Get Happy David Fantle, Tom Johnson, 2023-10-10 In their third and final screen teaming Judy Garland and Gene Kelly starred together in the MGM musical *Summer Stock*. Despite its riveting production history, charismatic lead actors and classic musical moments, the movie has not received the same attention as other musicals from MGM's storied dream factory. In *C'mon Get Happy: The Making of Summer Stock*, authors David Fantle and Tom Johnson present a comprehensive study of this 1950 motion picture from start to finish and after its release. The production coincided at a critical point in the careers of Kelly and an emotionally spent Garland. Kelly, who starred in *An American in Paris* just one year later, was at the peak of his abilities. On the other hand, *Summer Stock* was Garland's final film at MGM and she gamely completed it despite her own personal struggles. *Summer Stock* includes Kelly's favorite solo dance routine and Garland's signature number *Get Happy*. The authors discuss in rich detail the contributions of the cast, which included Gloria DeHaven, Eddie Bracken, Phil Silvers, and Marjorie Main; the director Charles Walters; the producer Joe Pasternak; the script writers George Wells and Sy Gomberg; the songwriters, which included Harry Warren and Mack Gordon; and top MGM executives Louis B. Mayer and Dore Schary. The volume features extensive interviews conducted by the authors with Kelly, Walters, Warren, and others who shared their recollections of making the movie. Deeply researched, *C'mon Get Happy* reveals the studio system at work during Hollywood's Golden Era. Additionally, the authors have written a special section called *Taking Stock* that buttonholes numerous contemporary dancers, singers, choreographers, musicians, and even Garland impersonators for their take on *Summer Stock*, its stars, and any enduring legacy they think the film might have. Artists from Mikhail Baryshnikov, Ben Vereen, and Tommy Tune to Garland's and Kelly's daughters, Lorna Luft and Kerry Kelly Novick, respectively, offer their unique perspective on the film and its stars.

My Struggle for Freedom Hans Küng, 2005-01-01 Hans Küng is undoubtedly one of the most important theologians of our time, but he has always been a controversial figure and, as the result of a much publicized clash over papal infallibility, had his permission to teach revoked by the Vatican. Yet at seventy-five he is also something like a senior statesman, one of the Group of Eminent Persons convened by the UN Secretary General Kofi Annan and a friend of heads of government like Tony Blair and President Mubarak of Egypt. In this fascinating autobiography, he gives a frank and outspoken account of the first four decades of his life. He tells of his youth in Switzerland and his decision to become a priest, his doubts and struggles as he studied in Rome and Paris, and his experiences as a professor in Tübingen, where he received a chair at the amazingly early age of thirty-one. Most importantly, as one of the last surviving eye witnesses, he gives an

authentic account of the struggles behind the scenes at the Second Vatican Council in which he took part as a theological expert Here it becomes clear just how major an influence he was to the point of shaping the Council s agenda and drafting speeches for bishops to deliver in plenary sessions With its rich thought and vivid narrative K ng s book paints a moving picture of his personal convictions and his struggle for a Christianity characterized not by the domination of an official church but by Jesus Foreign Commerce Weekly ,1960 Foreign Commerce Weekly United States.
