1980s Countdown:

Stalking the Antichrists (1965?2012) Volume 2 George E. Lowe,2013-12 **Stalking the Antichrists (1940-1965) Volume 1** George E. Lowe,2013-02-22 It is based on the inspiring definitions of the word introduction 1651 My actions of bringing in a newly weapon since August 1945 brought into the world and to its process of the application in war and with an in depth initiation in the knowledge of elementary instruction regarding Deterrents and Deterrence thereof which leads to the knowledge or understanding of the impact of both fission and fusion nuclear weapons on war politics foreign policy strategy and the fate of the Earth Gaia Gods Creation thanks to my insights gained personally at Grove City College the University of Chicago U S Navy Air Intelligence Officer and State Department Foreign Service Officer and herewith presented as my introduction to the formal introduction of my halting but determined attempts to deter a thermonuclear World War III and Armageddon too 1945 2012 Modified from Introduction Shorter Oxford English Dictionary Third Edition 1959 p 1036 Enemies Within Robert Alan Goldberg,2008-10-01 divdivThere is a hunger for conspiracy news in America Hundreds of Internet websites magazines newsletters even entire publishing houses disseminate information on invisible enemies and their secret activities subversions and coverups Those who suspect conspiracies behind events in the news the crash of TWA Flight 800 the death of Marilyn Monroe join generations of Americans from the colonial period to the present day who have entertained visions of vast plots In this enthralling book Robert Goldberg focuses on five major conspiracy theories of the past half century examining how they became widely popular in the United States and why they have remained so In the post World War II decades conspiracy theories have become more numerous more commonly believed and more deeply embedded in our culture Goldberg contends He investigates conspiracy theories regarding the Roswell UFO incident the Communist threat the rise of the Antichrist the assassination of President John Kennedy and the Jewish plot against black America in each case taking historical social and political environments into account Conspiracy theories are not merely the products of a lunatic fringe the author shows Rather paranoid rhetoric and thinking are disturbingly central in America today With media validation and dissemination of conspiracy ideas and federal government behavior that damages public confidence and faith the ground is fertile for conspiracy thinking DIV DIV God's Plan To Save America L. Nelson "Mac" McAlexander,2013-11 In a dream I had back in 1977 thousands of people were shouting out in unison an unusual name that I had never heard before What I saw in that dream compelled me to try and find out if this name had any special meaning That same day a language professor at the University of Maryland told me the only word he knew of that sounded like the one I heard in the dream was a Greek word He said the word had three possible definitions which changed when the accent over the e changed Those definitions are very significant and I write about them in the chapter on Dreams and Visions The definitions and an interpretation of the dream by a Rabbi three days after the dream led me to eventually believe that this unusual name could be the fulfillment of Revelations 2 17 and or 3 12 In subsequent dreams I was

writing a book titled God's Plan to Save America and in one of those dreams a man was passing out white stones that had the name written on it that I heard in the dream It is important to note that I learned of these Biblical Scriptures after I had these unusual dreams Revelations 2:17 Let the one who has an ear hear what the spirit says to the congregations To him that conquers I will give some of the hidden manna and I will give him a white pebble and UPON THE PEBBLE A NEW NAME written which no one knows except the one receiving it

Fundamentalism and American Culture George M. Marsden, 2022

Fundamentalism and American Culture has long been considered a classic in religious history and to this day remains unsurpassed Now available in a new edition this highly regarded analysis takes us through the full history of the origin and direction of one of America's most influential religious movements In the twenty first century militantly conservative white evangelicals have become more prominent than ever in American life Marsden's volume which now takes the history through the end of the Trump administration remains the essential starting point for understanding the degree to which that militancy has been shaped by the fundamentalist heritage of the twentieth century For Marsden fundamentalists are in the broadest sense conservative evangelicals who are willing to take a stand and to fight Yet their militancy needs to be understood in the light of some specific aspects of their heritage In the late nineteenth century American Protestantism was gradually dividing between liberals who were accepting new scientific and higher critical views that contradicted the Bible and defenders of the more traditional evangelicalism Often the traditionalists were also innovators in affirming apocalyptic prophecies of the imminent destruction of modern civilization and the return of Christ By the 1920s a full fledged fundamentalist movement had developed in protest against theological changes in the churches the teaching of biological evolution in schools and changing mores in the culture Fundamentalists often were conflicted by impulses to separate from condemned modern culture or to take back America as a Christian nation Even with such tensions fundamentalists built networks of evangelists Bible conferences Bible institutes and mission agencies These coalesced into major religious movements that proved to have remarkable staying power Beginning in the 1970s fundamentalist impulses led to increasing overt political mobilization and the rise of the religious right In the twenty first century militant fundamentalist zeal to preserve Biblicist doctrinal and behavioral purity in churches remained strong but often was overshadowed by more widely popular impulses of Christian nationalism and political partisanship

The Visions of Daniel the Hebrew Prophet Robert Johns, 2012 For centuries controversy has raged over the authorship and genuineness of the book of Daniel Is it an authentic document from the sixth century before the Common Era with a message from God to postexilic Israel or is it a forged document written centuries later to encourage Israelites being oppressed by the Seleucid king Antiochus Epiphanes Robert Johns addresses these issues and more in his thesis on Daniel's visions Importantly Johns establishes when Daniel was provided with his visions and he defines why God provided Daniel with the visions The Visions of Daniel the Hebrew Prophet examines the metal image the beast with eleven horns the Seventy sevens chapter eight's little horn and the 2:300 evening

mornings It demonstrates that the enigmatic 1 290 days and 1 335 days are anything but enigmatic and it identifies the reason why Daniel s fifth and final revelation is so detailed Appendices address issues of general nature such as the historicity of Jesus the Christ the popularity of dispensationalism the identity of the abomination that desolates and the integrity of novels representing the Christian fiction genre which focus on a seven year tribulation period at the end of history This book will be of value to every Christian who has an interest in Bible prophecy and eschatology **Jesus** Bart D. Ehrman,1999-09-23 In this highly accessible discussion Bart Ehrman examines the most recent textual and archaeological sources for the life of Jesus along with the history of first century Palestine drawing a fascinating portrait of the man and his teachings Ehrman shows us what historians have long known about the Gospels and the man who stands behind them Through a careful evaluation of the New Testament and other surviving sources including the more recently discovered Gospels of Thomas and Peter Ehrman proposes that Jesus can be best understood as an apocalyptic prophet a man convinced that the world would end dramatically within the lifetime of his apostles and that a new kingdom would be created on earth According to Ehrman Jesus belief in a coming apocalypse and his expectation of an utter reversal in the world s social organization not only underscores the radicalism of his teachings but also sheds light on both the appeal of his message to society s outcasts and the threat he posed to Jerusalem s established leadership **The Gospel Of the Kingdom of God, Form #17.003** Dr. Brook Stockton,2020-02-06 Background on the Gospel of the Kingdom of God Sovereignty Education and Defense Ministry SEDM is expressly authorized to be republish this document on Google Book and Google Play and elsewhere by the author at the following location on the author s website DMCA Copyright Section 10 <https://nikeinsights.famguardian.org/footer/dmccopyright> For reasons why NONE of our materials may legally be censored and violate NO Google policies see <https://sedm.org/why-our-materials-cannot-legally-be-censored> **Ex Auditū - Volume 06** Robert A. American Apocalypse Matthew Avery Sutton, 2014-12-15 A Choice Outstanding Academic Title 2015 The first comprehensive history of modern American evangelicalism to appear in a generation American Apocalypse shows how a group of radical Protestants anticipating the end of the world paradoxically transformed it The history Sutton assembles is rich and the connections are startling New Yorker American Apocalypse relentlessly and impressively shows how evangelicals have interpreted almost every domestic or international crisis in relation to Christ s return and his judgment upon the wicked Sutton sees one of the most troubling aspects of evangelical influence in the spread of the apocalyptic outlook among Republican politicians with the rise of the Religious Right American Apocalypse clearly shows just how popular evangelical apocalypticism has been and during the Cold War how the combination of odd belief and political power could produce a sleepless night or two D G Hart Wall Street Journal American Apocalypse is the best history of American evangelicalism I ve read in some time If you want to understand why compromise has become a dirty word in the GOP today and how cultural politics is splitting the nation apart American Apocalypse is an excellent place to start Stephen Prothero Bookforum

When Time Shall Be No More Paul Boyer, 1994-01-01 As influential as prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood When Time Shall Be No More offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture

Arguing the Apocalypse Stephen D. O'Leary, 1998 Armageddon and a map of millennial consciousness

The Rise and Fall of Dispensationalism Daniel G. Hummel, 2023-05-04 A fascinating history of dispensationalism and its influence on popular culture politics and religion In The Rise and Fall of Dispensationalism Daniel G Hummel illuminates how dispensationalism despite often being dismissed as a fringe end times theory shaped Anglo American evangelicalism and the larger American cultural imagination Hummel locates dispensationalism s origin in the writings of the nineteenth century Protestant John Nelson Darby who established many of the hallmarks of the movement such as premillennialism and belief in the rapture Though it consistently faced criticism dispensationalism held populist and briefly scholarly appeal visible in everything from turn of the century revivalism to apocalyptic bestsellers of the 1970s to current internet conspiracy theories Measured and irenic Hummel objectively evaluates evangelicalism s most resilient and

contentious popular theology As the first comprehensive intellectual cultural history of its kind The Rise and Fall of Dispensationalism is a must read for students and scholars of American religion **Last Days Madness: Obsession of the Modern Church** Gary DeMar,1999-08 Last Days Madness explains the most difficult prophetic passages clearly and concisely Gary DeMar sheds the light on Daniel 7 13 14 9 24 27 Matthew 16 27 28 2 Thessalonians 2 2 Peter 3 3 13 and dozens more He identifies the Beast the Antichrist and the Man of Lawlessness and clears the haze regarding Armageddon the rebuilding of the temple the meaning of 666 and much more This ground breaking book is guaranteed to make you think and is your survival guide and spiritual compass to insure you escape the paralysis of last days madness **Children of Ezekiel** Michael Lieb,1998 Discusses the relationship between the biblical prophet Ezekiel s vision of wheels in the air and the present day end of time concept as seen in various religious sects **Proceedings of the 1980 Army Science Conference** ,1980 **The ^ANew American Militarism** Andrew J. Bacevich,2013-03-22 An updated edition of Andrew J Bacevich s valuable examination of the dangerous obsession that has taken hold of Americans a marriage of militarism and blind utopian ideology of unprecedented military might and a blind faith in the universality of American values

Revelation John R. Yeatts,2003-03-25 The message of Revelation speaks to Christians for all times and historically has especially encouraged persecuted groups Today Christians in many parts of the world are also at opposition to the worldview of the time Revelation gives strength to those who are oppressed and John R Yeatts commentary attends to themes of martyrdom suffering service in the world hope the triumph of Christ and the role of the church in bearing witness to the triumphant Christ The commentary includes clear biblical commentary relationships between various portions of Scripture and applications drawn from the Anabaptist tradition and the larger Christian community The Book of Jerry Falwell Susan Friend Harding,2018-06-26 National polls show that approximately 50 million adult Americans are born again Christians Yet most Americans see their culture as secular and the United States is viewed around the world as a secular nation Further intellectuals and journalists often portray born again Christians despite their numbers as outsiders who endanger public life But is American culture really so neatly split between the religious and the secular Is America as modern and is born again Christian religious belief as pre modern as many think In the 1980s born again Christians burst into the political arena with stunning force Gone was the image of old fashioned fundamentalism and its anti worldly separatist philosophy Under the leadership of the Reverend Jerry Falwell and allied preachers millions broke taboos in place since the Scopes trial constraining their interaction with the public world They claimed new cultural territory and refashioned themselves in the public arena Here was a dynamic body of activists with an evangelical vision of social justice organized under the rubric of the Moral Majority Susan Harding a cultural anthropologist set out in the 1980s to understand the significance of this new cultural movement The result this long awaited book presents the most original and thorough examination of Christian fundamentalism to date Falwell and his co pastors were the pivotal figures in the movement It is on

them that Harding focuses on and in particular their use of the Bible's language. She argues that this language is the medium through which born again Christians individual and collective come to understand themselves as Christians. And it is inside this language that much of the born again movement took place. Preachers like Falwell command a Bible-based poetics of great complexity, variety, creativity, and force, and with it attempt to mold their churches into living testaments of the Bible. Harding focuses on the words, sermons, speeches, books, audiotapes, and television broadcasts of individual preachers, particularly Falwell, as they rewrote their Bible-based tradition to include rather than exclude intense worldly engagement. As a result of these efforts, born again Christians recast themselves as a people not separated from but engaged in making history. *The Book of Jerry Falwell* is a fascinating work of cultural analysis, a rare account that takes fundamentalist Christianity on its own terms and deepens our understanding of both religion and the modern world.

Understanding the Revelation Michael Scantlebury, 2023-02-28. As we study the prophecy within this book, we will see how it ties in with Jesus' prophecy recorded in Matthew 24.
