The Cambridge History of Renaissance Philosophy C. B. Schmitt, Quentin Skinner, Eckhard Kessler, Jill Kraye, 1988 This 1988 Companion offers an account of philosophical thought from the middle of the fourteenth century to the emergence of modern philosophy

Police Research Mollie Weatheritt, 2023-03-31 In marked contrast to the decade before the 1980s saw an enormous growth of sociological research on the police and on policing Originally published in 1989 the chapters in this book stand as evidence both of the growth of police research in those years and its variety Contributors were asked to take stock of research in their respective fields and to assess where policing research had got to and how it had arrived there The resulting contributions range from broad conceptual reviews chapters 1 5 and 9 to concentration on specific pieces of empirical work some of which was being reported for the first time chapters 7 and 8 Other papers were concerned with the relationship actual and potential between research and policy chapters 2 3 and 4 yet others on charting and accounting for developments in policing policy and speculating about their likely effects chapters 10 and 11 Today it can be read and enjoyed in its historical context

History and the Enlightenment Hugh Trevor-Roper, John Robertson, 2010-06-29 The historical philosophy of the Enlightenment The Scottish Enlightenment Pietro Giannone and Great Britain Dimitrie Cantemir s Ottoman history and its reception in England From deism to history Conyers Middleton David Hume historian The idea of the decline and fall of the Roman Empire Gibbon and the publication of the *Decline and fall of the Roman Empire* 1776 1976 Gibbon s last project The romantic movement and the study of history Lord Macaulay the history of England Thomas Carlyle s historical philosophy Jacob Burckhardt

Joseph Robert E. Longacre, 2003 In this fully revised second edition of *Joseph A Story of Divine Providence* Robert Longacre approaches the Joseph story as a paradigm for an approach incorporating the interests of the Old Testament scholar and critic with the interests of the contemporary textlinguist His study seeks to explore several questions How does one approach an ancient text What does one hope to gain from its study How do we orient ourselves in regard to this story Does our orientation provide a key to our understanding of the story or does it simply hinder our approaching the story in an unbiased and objective matter The book is comprised of four parts the first three exploring the connection Longacre seeks to establish between textlinguistics and biblical studies The fourth part is a constituent display of the entire Joseph pericope This new edition of Longacre s landmark work incorporates a more user friendly format particularly noticeable in Part 4 Constituent Display of Joseph The book also includes new textlinguistic insights and updated references

Presidential Lightning Rods Richard J. Ellis,1994

Choice Outstanding Title

H R Haldeman President Nixon s former chief of staff is said to have boasted Every president needs a son of a bitch and I m Nixon s I m his buffer and I m his bastard I get done what he wants done and I take the heat instead of him Richard Ellis explores the widely discussed but poorly understood phenomenon of presidential lightning rods cabinet officials who take the heat instead of their bosses Whether by intent or circumstance these officials divert criticism and blame away from their presidents The phenomenon is so common that it s assumed to be an essential item in every president s managerial toolbox But Ellis argues such assumptions can oversimplify our understanding of this tool Ellis advises against indiscriminate use of the lightning rod metaphor Such labeling can hide as much as it reveals about presidential administration and policymaking at the cabinet level The metaphor often misleads by suggesting strategic intent on the president s part while obscuring the calculations and objectives of presidential adversaries and the lightning rods themselves Ellis also illuminates the opportunities and difficulties that various presidential posts especially secretaries of state chiefs of staff and vice presidents have offered for deflecting blame from our presidents His study offers numerous detailed and instructive examples from the

administrations of Truman Dean Acheson Eisenhower Richard Nixon John Foster Dulles Herbert Brownell and Ezra Taft Benson LBJ Hubert Humphrey Ford Henry Kissinger and Reagan James Watt These examples Ellis suggests should guide our understanding of the relationship between lightning rods and presidential leadership policymaking and ratings Blame avoidance he warns does have its limitations and may even backfire at times Nevertheless President Clinton and his successors may need to rely on such tools The presidency Ellis points out finds itself the object of increasingly intense partisan debate and microscopic scrutiny by a wary press Lightning rods can deflect such heat and help the president test policies gauge public opinion and protect his political power and public image Ellis s book is an essential primer for helping us understand this process

Marxist Perspectives in Archaeology Matthew Spriggs, 1984-02-23 Marxist theory has been an undercurrent in western social science since the late nineteenth century It came into prominence in the social sciences in the 1960s and 1970s and has had a profound effect on history sociology and anthropology This book represents an attempt to gather together Marxist perspectives in archaeology and to examine whether indeed they represent advances in archaeological theory The papers in this volume look forward to the growing use of Marxist theory by archaeologists as well as enriching archaeology as a discipline they have important implications for sociology and anthropology through the addition of a long term historical perspective This is a book primarily for undergraduates and research students and their teachers in departments of archaeology and anthropology but it should also be of interest to historians sociologists and geographers

Almost Yankees J. David Herman, 2019-04-01 Almost Yankees is a poignant and nostalgic narrative of the lives and travails of Minor League Baseball focusing on the 1981 championship season of the New York Yankees Triple A farm club the Columbus Clippers That year was especially notable in the annals of baseball history as the year Major League Baseball went on strike in midseason When that happened the Clippers were suddenly the best team in baseball and found themselves the focus of national media attention Many of these Minor Leaguers sensed this was their last best chance to make an impression and fulfill their dreams to one day reach the majors The Clippers raw recruits prospects and Minor League veterans responded to this opportunity by playing the greatest baseball of their lives on the greatest team most of them would ever belong to Then the strike ended leaving them to return to their ordinary aspirational lives and to be just as quickly forgotten Almost Yankees is the previously untold baseball story of a team and its players performing in the shadow of one of the sport s most famous teams and infamous owners Featuring interviews with more than thirty former players including Steve Balboni Dave Righetti Buck Showalter and Pat Tabler and dozens of other baseball and media figures this season s narrative chronicles success failure resilience and redemption as told by a special group of players with hopes and dreams of big league glory J David Herman who worshipped the team as an eleven year old tracked down his old heroes to learn their stories and to better understand his own The season proved to be a launching pad for some a final chance for others and the end of the dream for many others

1981 The Great Ideas Today 1981 Introduction

In today's digital age, the availability of 1981 The Great Ideas Today 1981 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of 1981 The Great Ideas Today 1981 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of 1981 The Great Ideas Today 1981 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing 1981 The Great Ideas Today 1981 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, 1981 The Great Ideas Today 1981 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing 1981 The Great Ideas Today 1981 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for 1981 The Great Ideas Today 1981 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free

access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, 1981 The Great Ideas Today 1981 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of 1981 The Great Ideas Today 1981 books and manuals for download and embark on your journey of knowledge?
