**Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office,2006      *Paths to Glory* Mark L. Armour,Daniel R. Levitt,2004 Essays on diamond success from the nineteenth century to the present      **Where Are All the Young Men and Women of Color?** Melvin Delgado,2001-09-26 When it comes to social work practice in community outreach programs in juvenile detention centres in prisons in parole and probation programs and in the inner cities Melvin Delgado asks the question Where are all the young men and women of color Although many urban residents especially persons of color are or have been involved in the juvenile and or criminal justice system the topic of criminal offenders and ex offenders has been much neglected by the human services literature This book stands as the only work to discuss

correctional supervision and the needs of individuals in a nonprescriptive manner marking a shift toward a capacity enhancement or strengths perspective approach specifically what are the strengths of individuals and how can they capitalize on them Delgado includes a section of reflections from the field that applies capacity enhancement principles and methods to case studies

**Journal of the Senate of the United States of America** United States. Congress. Senate,2008 *Court Performance Around the World* Maria Dakolias,1999-01-01 World Bank Technical Paper no 430 QUOTEMany countries are undertaking legal and judicial reforms as part of their overall development programs there is increasing recognition that economic and social progress requires consolidation of democracy as well as respect for the rule of law and human rights without these development is not sustainable QUOTEMany developing countries find that their judiciaries are inconsistent in conflict resolution and carry a large backlog of cases thus stifling private sector growth eroding individual and property rights and perhaps even violating human rights Delays affect both the fairness and the efficiency of the system They impede the public s access to the courts which in effect weakens democracies the rule of law and the ability to enforce human rights This paper aims to describe and explain the performance of court systems in a sample of developing and developed countries in order to provide data to those designing or evaluating reforms The study also seeks to show areas in which international comparison of judicial performance can be fruitful suggesting indicators that can be used in such comparisons Finally it endeavors to provide comparisons of performance within individual countries over time *Proceedings of ... National Convention of the American Legion* American Legion. National Convention,1997 **Proceedings of the 78th National Convention of the American Legion** American Legion. Annual National Convention,1997 *The Hollow Hope* Gerald N. Rosenberg,2023-05-05 Presents a powerful argument for the limitations of judicial action to support significant social reform now updated with new data and analysis Since its first publication in 1991 The Hollow Hope has spurred debate and challenged assumptions on both the left and the right about the ability of courts to bring about durable political and social change What Gerald N Rosenberg argued then and what he confirms today through new evidence in this edition is that it is nearly impossible to generate significant reforms through litigation American courts are ineffective and relatively weak far from the uniquely powerful sources for change they are often portrayed to be This third edition includes new data and a substantially updated analysis of civil rights abortion rights and access women s rights and marriage equality Addressing changes in the political and social environment Rosenberg draws lessons from the re segregation of public schools victories in marriage equality and new obstacles to abortion access Through these and other cases the third edition confirms the power of the book s original explanatory framework and deepens our understanding of the limits of judicial action in support of social reform as well as the conditions under which courts do produce change Up to date thorough and thought provoking The Hollow Hope remains vital reading *Annual Report of the Attorney General for the Year ...* United States. Department of Justice, Louisville Division of Police Morton O. Childress,2005
