19th Century Baseball in Chicago Mark Rucker, John K. Freyer, 2003 Over 150 vintage images offer a pictorial look at the beginning of Chicago's love of baseball which began well before the opening of the 1876 season [The Culture and Ethnicity of Nineteenth Century Baseball](#) Jerrold I. Casway, 2017-05-15 Evolving in an urban landscape professional baseball attracted a dedicated fan base among the inhabitants of major cities including ethnic and racial minorities for whom the game was a vehicle for assimilation But to what extent were these groups welcomed within the world of baseball and what effect did their integration or as in the case of African Americans their ultimate inability to integrate have on the culture of a pastime that had recently become a national obsession How did their mutual striving for acceptance affect relations between these minorities In deep and long lasting ways as it turns out This book provides a carefully considered portrait of baseball as both a sporting profession one with quick changing rules and roles and as an institution that reinforced popular ideas about cultural identity masculinity and American exceptionalism [The Rank and File of 19th Century Major League Baseball](#) David Nemec, 2012-04-03 With this volume David Nemec completes his remarkable trilogy of 19th century baseball biographies covering every major league player manager umpire owner and league official It provides in depth information on many figures unknown to most historians Each detailed entry includes vital statistics peer driven analysis of baseball related skills and an overview of the individual's role in the game Also chronicled are players first and last major league games most important achievements movements from team to team and much more By bringing attention to these overlooked baseball personalities this reference work immeasurably enriches our knowledge of 19th century major league baseball [19th Century Baseball in Chicago](#) Mark Rucker, John Freyer, 2003-11 The Chicago area today hosts two of the most historic major league franchises and half a dozen minor or independent league teams Baseball's roots run deep in the Windy City Indeed it was Chicago businessman William D. Hulbert who according to baseball lore staged the coup that in 1876 would put the National League on the map The Chicago White Stockings now ironically called the Cubs were one of eight charter members winning the inaugural NL Championship with such legendary names as A.G. Spalding Cap Anson and Roscoe Barnes But The National Pastime arrived in Chicago well before the 1876 season as is proven in this fascinating new book 19th Century Baseball in Chicago illustrated with over 150 vintage images Any local fan of the modern game whether the action takes place at the Friendly Confines 35th Shields or the cozy setting of a minor league ballpark out in Kane or suburban Cook County will enjoy the wealth of information offered in 19th Century Baseball in Chicago [The Arrival of the American League](#) Warren N. Louisville Grays and the Myth of Baseball's First Great Scandal Wendell Lloyd Jones, 2024-05-23 The National League was in its second season of existence in 1877 In mid season the Louisville Grays suddenly took the league by storm and by mid August were considered a lock to win the pennant Then disaster struck The Grays fell out of first place and the pennant was lost Suspicions were high that the club had sold out to gamblers Three players were tricked into confessing to the selling of exhibition games and were blacklisted from the sport along with a fourth player who refused to cooperate with the investigation Since then historians have presented a simple narrative about how the Grays sold the pennant to gamblers how that treachery was discovered and the steps that followed However none of this is true For nearly 150 years the story of the Louisville Grays has been told and the story has been wrong For the first time the objective evidence that was there all along is examined in comparison to the narrative that has been told about the Grays The evidence shows the Grays did not sell the pennant they simply lost it This is the story of how Major League Baseball's first great scandal never truly happened

Chicago Cubs Art Ahrens, 2007 It has been a long time Joe Tinker Johnny Evers and Frank Chance that trio of bear cubs immortalized in poem and enshrined as a unit in Cooperstown formed the core of a ball club that brought Chicago baseball fans backto back World Series championships 100 years ago And fans are still waiting for victory number three Chicago Cubs Tinker to Evers to Chance brings the reader back to the notsohalcyon days of spitball pitchers insidethepark home runs and an era when raucous fans lined the foul lines often a little too close for comfort for the visiting ballplayers Beginning in 1898 with the acquisition of a green Frank Chance and following the team's exploits through the 1916 season the last for Joe Tinker in a Cubs uniform this is the story of Wrigleyville's favorite tenants before there was a Wrigleyville The Negro

John G. Robertson, Andy Saunders, 2016-06-28 The national pastime's rich history and vast cache of statistics have provided fans and researchers a gold mine of narrative and data since the late 19th century Many books have been written about Major League Baseball's most famous games This one takes a different approach focusing on MLB's most historically significant games Some will be familiar to baseball scholars such as the October afternoon in 1961 when Roger Maris eclipsed Babe Ruth's single season home run record or the compelling sixth game of the 1975 World Series Other fascinating games are less well known the day at the Polo Grounds in 1921 when a fan named Reuben Berman filed a lawsuit against the New York Giants winning fans the right to keep balls hit into the stands the first televised broadcast of an MLB game in 1939 opening night of the Houston Astrodome in 1965 when spectators no longer had to be taken out to the ballgame or the spectator less April 2015 Orioles White Sox game played in an empty stadium in the wake of the Baltimore riots Each game is listed in chronological order with detailed historical background and a box score Baseball's Wildest Season William J. Ryczek, 2023-03-13 At the end of the 1883 baseball season things looked rosy attendance had skyrocketed and the National League and American Association were at peace A year later however the sport was in total disarray A third major league the Union Association had come on the scene and waged a bitter war that rocked the baseball world By the dawn of the 1885 season the UA had dissolved in a sea of red ink the AA had dropped four teams and the minor leagues were desperately hoping to make it through the season Amid the chaos of 1884 were some historic moments Iron man pitcher Hoss Radbourn won 59 games and led the Providence Grays to victory over the New York Metropolitans in the first World Series Fleet Walker broke baseball's first color line There were a record eight no hitters and a cast of fascinating figures some famous some lost to history like Radbourn Hustling Horace Phillips Dan O Leary and Edward The Only Nolan This book tells the story of the momentous yet overshadowed 1884 season **Chicago Sluggers** John Freyer, Mark Rucker, 2005-05-18 The Chicago White Stockings later renamed the Cubs won the inaugural National League Pennant in 1876 with a barrage of offensive numbers Ross Barnes led the league at a .421 clip and three other Chicago batters finished among the league's top five hitters Even pitcher Al Spalding hit an impressive .312 Thus began the northsiders tradition of producing some of the major league's greatest sluggers including Cap Anson Gabby Hartnett and Hack Wilson The Chicago White Sox still named the White Sox won the inaugural American League Pennant in 1901 led by Fielder Jones .311 average for a team built more around pitching than hitting a team that won its first World Series title in 1906 with the nickname The Hitless Wonders But the southsiders also put up some lofty offensive numbers with the likes of Shoeless Joe Jackson and Eddie Collins A Chicago Firehouse Karen Kruse, 2001-04-12 From its humble beginnings in 1884 as a one story frame building with one bay to house Hose Company 4 and its team of horses Engine Company 78 has been the firefighting sentinel at the end of Waveland Avenue sitting in the
