2000 Annual Review Of Development Effectiveness From Strategy To Results

**George Keith Pitman, Osvaldo Nã©stor
Feinstein, Gregory K. Ingram**

2000 Annual Review Of Development Effectiveness From Strategy To Results:

2000 Annual Review of Development Effectiveness William Battaile, 2001-01-01 This Annual Review of Development Effectiveness ARDE builds on previous reviews i.e. the 1998 review released in a hostile environment of financial crisis concluded that improvements in project performance cannot be enough that improvements at a higher plane of program and country performance should also be present and the 1999 review inscribed within the Comprehensive Development Framework dilemmas and challenges identified practices for dealing with those challenges namely to be based on country commitments to poverty reduction and sustainable growth The ARDE 2000 finds that progress was solid on a broad front but that further progress is likely Portfolio performance is likely to exceed the Strategic Compact target of seventy five percent satisfactory outcomes and sustainability and institutional development ratings reflect improvements Though progress is commendable this review examines four tensions the Bank faces learning to reconcile client and corporate priorities adapting global prescriptions to local conditions balancing country performance and poverty incidence in allocating its resources and achieving efficiency selectivity seeking to implement a holistic vision of development Bank strategies should acknowledge client needs judicious adaptation to institutional social and political fronts should be pursued and an approach to poor performing countries should be addressed

2004 Annual Review of Development Effectiveness Christopher D. Gerrard, 2005-01-01 The 2004 Annual Review of Development Effectiveness looks at the recent growth and poverty reduction experience of client countries It assesses the extent to which Bank interventions have contributed to growth and poverty reduction and the effectiveness of different types of interventions The review uses the key elements of the Bank's 2001 poverty reduction strategy to examine the extent to which these elements respond to the needs of the poor are actually being carried out and are having an impact

The World Bank Research Program 2001 World Bank, World Bank Staff, 2001-01-01 This publication is a compilation of reports on research projects initiated under way or completed in fiscal year 2001 July 1 2000 through June 30 2001 The abstracts cover 150 research projects from the World Bank and grouped under 11 major headings including poverty and social development health and population education labor and employment environment infrastructure and urban development and agriculture and rural development The abstracts detail the questions addressed the analytical methods used the findings to date and their policy implications Each abstract identifies the expected completion date of each project the research team and reports or publications produced

2001 Annual Review of Development Effectiveness William Battaile, 2002-01-01 This is the fifth annual review which explores long term development effectiveness trends and analyses the choice of lending and non lending instruments and activities to achieve World Bank development objectives The 2001 review confirms a significant improvement in the outcomes of the Bank's lending performance It finds that selecting the right combination and sequence of activities for a particular objective can make the difference between success and failure whether at individual project level for country assistance programmes or for

global sectoral and thematic priorities At each level there is unexploited potential to maximise strategic selectivity and this is especially important in countries with a poor policy framework or acute institutional development needs Annual Review of Development Effectiveness 2006 Monika Huppi,2006 The results agenda adopted by the World Bank and other donors aims to ensure that development assistance yields sustainable poverty reduction Effective poverty reduction results from three main factors sustained and inclusive growth effective service delivery to the poor and capable public sector institutions that are accountable to stakeholders for the results they achieve The Annual Review of Development Effectiveness 2006 assembles evaluative evidence around three questions central to poverty reduction How effectively has economic growth translated into poverty reduction in Bank assisted countries and what factors have affected these results What factors have led to high quality results in areas that deliver services to the poor What measures help raise the accountability of public institutions responsible for delivering and sustaining these results The report identifies three key areas where the World Bank can further strengthen its effectiveness in helping countries reduce poverty Economic growth has improved in many Bank client countries but a stronger focus on the nature of growth is needed to ensure that such growth leads to jobs for the poor and productivity increases in poorer regions and sectors where the poor earn their incomes Consistent use of a clearly articulated results chain helps ensure that Bank country assistance programs and individual projects set realistic objectives that key cross sectoral constraints to achieving them are adequately considered and that due attention is given to building capacity A realistic assessment of the political economy of governance related reforms is needed to tailor efforts to increase the accountability of public sector institutions to local conditions Accountability of the International Monetary Fund Barry Carin,Angela Wood,2005 Brings together leading experts from all over the world to further the debate on the various dimensions of accountability of IMF to its various shareholders and stakeholders Having fully explored how the notion of accountability can be pragmatically applied it then tests various alternative approaches and makes some recommendations

2009 Annual Review of Development Effectiveness World Bank,2009-12-04 The Annual Review of Development Effectiveness 2009 presents evidence on the World Bank's efforts in two areas Part I tracks the outcomes of Bank projects and country programs and the evolution of monitoring and evaluation M and E Part II examines the Bank's support for environmentally sustainable development compatible with economic growth and poverty reduction The Bank's project performance rebounded in 2008 allaying concerns about the weakened performance in 2007 As previous ARDEs have shown project performance has been improving gradually for 15 years according to the traditional measure percent of projects with satisfactory versus unsatisfactory outcomes But IEG ratings of M and E quality for completed projects indicate considerable room for progress Information to assess impacts continues to be lacking although preliminary data suggests improvements in baseline data collection Bank support for the environment has recovered since 2002 due to new sources of concessional finance The outcomes of environment projects have improved in recent years A growing number of regional projects are

addressing the shared use of water resources New global partnerships are deepening the Bank's involvement in climate change issues But M and E remains weak three quarters of environment related projects those managed by sectors other than environment lack reporting of environmental outcomes *Making Sustainable Commitments*, 2001-01-01 CD ROM includes full text of the Strategy as well as other relevant information **Sustainability Assessment** Bob Gibson, Selma Hassan, James Tansey, 2013-06-17 This work tackles the complexities of sustainability assessment and provides practical solutions and comprehensive analysis guidance and criteria for impact assessment professionals and policy makers at all levels and in all circumstances **Evaluating Development Effectiveness** George Keith Pitman, Osvaldo NÃ©stor Feinstein, Gregory K. Ingram, Practitioners give insights on building and satisfying demand for evaluation in developing countries and on the use of evaluation findings to improve decision making on development policies and programs This volume offers useful insights into methods for evaluating the effectiveness of development and assessing the performance of development aid and aid agencies BOOK JACKET **Social Funds** World Bank. Operations Evaluation Department, 2002 This study reviews the development effectiveness of social fund projects and considers the implications for their future support by the World Bank It finds that the performance of such projects has improved over time in many respects However although they have been highly effective in delivering small scale infrastructure they have been less successful in achieving consistent improvements in outcomes and welfare impacts The report recommends greater transparency and selectivity in the use of this policy instrument **Lesotho** Fareed M. A. Hassan, 2002-01-01 In an effort to develop global environmental policies there is a clear division between developed and developing countries Developing countries are faced with significant issues such as poverty reduction and economic growth stimulation These countries may also harbor resentment toward the developed countries as the source of environmental damage Additionally environmental problems can impact countries differently This paper a cooperative effort by the World Bank Institute and the Development Bank of Japan seeks to further discussion of the connection between environmental concerns and national development policies By outlining three specific examples from the steel power and forestry sectors in Japan it demonstrates how remarkable environmental improvements can occur while improving production efficiency *Annual Review of Development Effectiveness 2000* Timothy Johnston, 2001 **Conditionality Revisited** Stefan Koeberle, 2005-01-01 Annotation This book brings together different perspectives on the role of conditionality drawing on the experiences and lessons learned by the donor community NGO critics and academic circles and the borrowing countries and provides a board overview of contemporary approaches to conditionality in today's aid architecture **Hypocrisy Trap** Catherine Weaver, 2008-10-27 As the preeminent international development agency for the past sixty years the World Bank has attracted equal amounts of criticism and praise Critics are especially quick to decry the World Bank's hypocrisy the pervasive gaps between the organization's talk decisions and actions In the wake of the Paul Wolfowitz leadership scandal in May 2006 perceptions of hypocrisy have exacted a heavy toll

on the Bank's authority and fueled strong demands for wide scale reform Yet what exactly does the hypocrisy of the World Bank look like and what or who causes it In *Hypocrisy Trap* Catherine Weaver explores how the characteristics of change in a complex international organization make hypocrisy difficult to resolve especially after its exposure becomes a critical threat to the organization's legitimacy and survival Using a rich sociological model and several years of field research Weaver delves into the political and cultural worlds within and outside of the Bank to uncover the tensions that incite and perpetuate organized hypocrisy She examines the sources and dynamics of hypocrisy in the critical cases of the Bank's governance and anticorruption agenda and its recent Strategic Compact reorganization The first book to unravel the puzzle of organized hypocrisy in relation to reform at the World Bank *Hypocrisy Trap* ultimately enriches our understanding of culture behavior and change in international organizations Some images inside the book are unavailable due to digital copyright restrictions

The World Bank Group's Response to the Global Economic Crisis World Bank Staff, 2011 The World Bank Group has responded to the global economic crisis with a strong countercyclical expansion of financing Its disbursements of 80 billion in the past two fiscal years were the largest among the Multilateral Development Banks There was notable variation across the WBG with vastly increased IBRD lending moderately higher IDA financing and overall responses from IFC and MIGA that were not counter cyclical The differences reflected the interplay of financial capacities business models and available instruments While the level of financial flows is one aspect of crisis response *World Bank Operations Evaluation Department* Patrick Grasso, Sulaiman S. Wasty, Rachel Weaving, 2003-01-01 About the Operations Evaluation Department of the World Bank from 1973 to 2003 **Annual Review of Development Effectiveness, 2009, Achieving Sustainable Development** World Bank, 2009 The Annual Review of Development Effectiveness 2009 presents evidence on the World Bank's efforts in two areas Part I tracks the outcomes of Bank projects and country programs and the evolution of monitoring and evaluation M E Part II examines the Bank's support for environmentally sustainable development compatible with economic growth and poverty reduction The Bank's project performance rebounded in 2008 allaying concerns about the weakened performance in 2007 As previous ARDEs have shown project performance has been improving gradually for 15 years according to the traditional measure percent of projects with satisfactory versus unsatisfactory outcomes But IEG ratings of M E quality for completed projects indicate considerable room for progress Information to assess impacts continues to be lacking although preliminary data suggests improvements in baseline data collection Bank support for the environment has recovered since 2002 due to new sources of concessional finance The outcomes of environment projects have improved in recent years A growing number of regional projects are addressing the shared use of water resources New global partnerships are deepening the Bank's involvement in climate change issues But M E remains weak three quarters of environment related projects those managed by sectors other than environment lack reporting of environmental outcomes

2000 Annual Review Of Development Effectiveness From Strategy To Results Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading 2000 Annual Review Of Development Effectiveness From Strategy To Results free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading 2000 Annual Review Of Development Effectiveness From Strategy To Results free PDF files of magazines, brochures, and catalogs, Issuu is a popular

choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading 2000 Annual Review Of Development Effectiveness From Strategy To Results free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading 2000 Annual Review Of Development Effectiveness From Strategy To Results. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading 2000 Annual Review Of Development Effectiveness From Strategy To Results any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About 2000 Annual Review Of Development Effectiveness From Strategy To Results Books

1. Where can I buy 2000 Annual Review Of Development Effectiveness From Strategy To Results books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
