Cracking the Ged, 1999 Edition Geoff Martz, Princeton Review (Firm), 1998-06 A study guide for the GED test including test taking strategies review of subject areas and practice examinations **Cracking the GED 2000** Geoff Martz, 1999-06-22 A study guide for preparing for the GED General educational development test including the skills covered and test taking strategies The Publishers Weekly ,1998 **Cracks in the Schoolyard** Gilberto Q. Conchas, Briana M. Hinga, 2016 In *Cracks in the Schoolyard* Conchas challenges deficit models of schooling and turns school failure on its head. Going beyond presenting critical case studies of social inequality and education, this book features achievement cases that depict Latinos as active actors, not hopeless victims, in the quest for social and economic mobility. Chapters examine the ways in which college students, high school youth, English language learners, immigrant Latino parents, queer homeless youth, the children of Mexican undocumented immigrants, and undocumented immigrant youth all work in local settings to improve their quality of life and advocate for their families and communities. Taken together, these counternarratives will help educators and policymakers fill the cracks in the schoolyard that often create disparity and failure for youth and young adults.
