Crayons Crafts And Concepts:

Crayons Crafts and Concepts Kathy Faggella, 1985 *Activities, Crafts and Ideas for Boys Clubs* Robert P. Adams, 2002

Finally there is a book that has crafts and projects that are for boys. If you are tired of cutting and gluing cutesy projects, this is the book for you. Designed by a man for men and boys. No fluffy little projects but real wood working metal cutting hammering type projects. The author has worked with boys for over 25 years in settings ranging from very rural 1000 people in Gruver TX to inter city boys Waco TX to international boys Honolulu HI. These years of experiences have been distilled into the top 50 crafts and special events ex Pinewood Derby Chili Cook off Tractor Pull etc to be used for family events. Special attention is focused on getting boys to help others by the use of several projects at Thanksgiving Christmas and Easter. All of the crafts and special events have been field tested with boys and refined to be easy to use. The book is divided into eight sections: Introduction, general ideas about working with boys, getting complex projects cut down to the level of younger or older boys. The focus of the book is on boys in 1st 6th grades but most projects are great for boys in the 7th 9th grades because they can learn to use shop power tools. Also discussed are wood finishing building self esteem and ministering to elderly in your community. Awards and Patches: A philosophical basis for the value of awards is presented. The names and addresses of several good places to purchase awards and patches are listed in this section. Special Events: Special Events are the heart of a great Boys club. These events involve the families. Eleven great events are detailed with suggestions for running to event awards and where to get supplies. The events presented are Air Combat Bike Rodeo Campcraft Competition Catamaran Competition Catapults Chili Cook off Dragsters Pinewood Derby Toolman Competition and Tractor Pull. Special Events Patches: Eight of the events have custom made patches that are illustrated and made available from the author. The Bike Rodeo and Pinewood Derby use patches from commercial firms, addresses listed. Crafts and Projects: The top 50 crafts and projects for boys are presented in detail. Each craft is illustrated by a photo showing the completed craft. Complex crafts have full sized plans that are present for photocopying. Each craft has an Introduction, Materials needed, Before the Meeting, cutting out the parts and Assembly at the Meeting features. For crafts projects that can be used for Special Events, there is a discussion on how to have an event competition. All the crafts have been boy tested. You will enjoy the detailed presentation for each craft. Helping the boys to listen: This is a special section that presents the idea of using Story Recall Games to keep the boys listening during the meeting. This innovative approach has resulted in boys being much more attentive while listening or reading a story. When they expect to play a story recall game, they really listen. Top 10 ways to Memorize: Many boys clubs learn Bible verses, pledge and or mottoes during their meetings. Ten fun ways are presented to help boys learn to memorize. Try these and you will be surprised how fast boys can learn and have fun doing it. Where To Get It: No good book on how to do it would be complete without telling you where to get it. This section lists sources for all kinds of materials, crafts, supplies, awards and much more. Finally, the book is concluded with a cross indexed list of the crafts by uses, Christmas

Martha A. Hayes, Kathy Faggella, 1986 **A Trainer's Guide to the Creative Curriculum for Family Child Care** Diane Trister Dodge, Laura Jean Colker, 1991 This trainer's guide presents two approaches to working with providers who are implementing The Creative Curriculum for Family Child Care. The first approach involves periodic workshops and sharing sessions for providers. The second approach involves individualized support offered by the trainer in each provider's home. In Chapter I Planning Effective Training Sessions a review of knowledge about adult learners provides a basis for planning training. The chapter offers practical suggestions on logistics, training techniques, communication with providers, and assessment of training. Chapter II Workshops on the Creative Curriculum includes detailed workshop outlines for each major activity area in the curriculum. Chapters III and IV focus on the process of working with providers in their homes, giving particular attention to preparation of the environment and implementation of activities. These chapters explain what should happen in family child care homes where the creative curriculum is used and indicate the importance of these happenings. These chapters also deal with typical problems that providers experience and strategies for helping providers address such problems. An appendix lists resources that supplement the curriculum and professional organizations providers can join. RH
