Hawkins, MD/PHD,2025-04-29 Best selling author

and spiritual pioneer Dr David R Hawkins offers insights into the illusory nature of existence and how to realize a state of higher consciousness In this new book derived from Dr David Hawkins s popular Way to God lecture series he explores perception and illusion how the truth becomes distorted and ultimately the root of consciousness In Part One Dr Hawkins explains how the ego functions in society and that the world out there is a projection of what is within us He confirms that everything is happening on its own and everything is perfect right now He also discusses quantum mechanics and how what you hold in mind tends to manifest In addition he talks about why people don t change even after hearing spiritual truths and how to alleviate this problem In Part Two Dr Hawkins discusses the time honored tradition of meditation which he informs us is our natural state Instead of covering the numerous styles of meditation he delves into the essence of the meditation process itself He talks about how we can obtain the benefits of meditation without going through formal renunciation Dr Hawkins explains two valuable ways of meditating which he experienced himself He also tells us of the various ways to transcend the mind to become aware of the presence of God

The Babe Ruth Deception (A Fraser and Cook Historical Mystery, Book 3) David O. Stewart, 2020-10-06 A Country Doctor and Ex Ballplayer Save The Bambino from Thugs the Baseball Commissioner and Himself in the Historical Fiction Novel The Babe Ruth Conspiracy from Author David O Stewart New York City 1920 21 In 1920 Babe Ruth larger than life on the ball field and off is enjoying a record breaking season in his first year as a New York Yankee when his 1918 World Series win falls under suspicion of being fixed Then rumors start that his silent movie Headin Home was bankrolled by the top aide to gambling kingpin Arnold Rothstein Ruth turns to Speed Cook a professional ballplayer before the game was segregated and who now promotes Negro baseball for help If anyone knows the dirty underbelly of America s favorite pastime it s Cook Cook enlists the help of a long time friend Dr Jamie Fraser whose new wife Eliza coproduced the Babe s silent film While Cook Fraser and Eliza dig for the truth protecting the oftentimes reckless Ruth from thugs and the new baseball commissioner proves even more dangerous when they come face to face with hidden power hitters who are playing for keeps Publisher s Note The Fraser and Cook Historical Mystery Series will be enjoyed by fans of American history and period mystery novels Free of graphic sex and with some mild profanity this series can be enjoyed by readers of all ages Within these pages he ushers us into the randy gritty wanton world of Babe Ruth just arrived in New York from Boston where he would power the Yankees hell the whole damn city for the next decade It is a world filled with molls and toughs crooked pols and bootleggers gamblers and righteous cops not to mention Stewart s beloved characters Speed Cook the wise head and former Negro Leaguer and Dr Jamie Fraser who have teamed up before in previous fictions The texture of the city is rendered with precision and believability When Stewart describes the new impediment at the corner of 42nd and Fifth Avenue the city s first traffic tower a reader can see the snarl of horse drawn wagons bicycles pedestrians and oh so many automobiles machines in the argot of the Twenties clogging the street Even the Babe had to stop for that The book is full of such knowing details like the Thomas splint an invention of World War I medicine

that saves Jamie Fraser's daughter from losing her leg. Larger than life, Ruth is made palpable through a mosaic of small but unassailable images. Ruth, resplendent in a red satin dressing gown worn over a pair of green and white diamond pajamas, earns a low whistle from Cook when he is admitted to the Babe's sumptuous apartment in the Ansonia Hotel. It earns something more important from the reader: a belief in narrative plausibility and in the characters that inhabit it. So when Stewart writes of the Babe that getting angry at him was a waste of time like losing your temper at a thunderstorm, you know he knows what he's talking about. The book is grand.
