

So God created mankind  
in His own image, in the  
image of God He created  
them; male and female  
He created them.

Genesis 1:27

**Created Male and Female** Terrance Randall Wardlaw, 2021-01-19 In a culture where gender neutrality is the ideal why is it significant that we were created differently as male and female As the ethical consequences of the gender debate in the last generation manifest themselves this book explores biblical teaching in order to work toward a Christian perspective This discussion traces the theme of creation as male and female through the canon from the Pentateuch to the epistles and demonstrates how Pauline interpretation flows from Genesis 1 3 The grounding of the distinction between male and female in Genesis 1 as the climax of creation suggests the ethics associated with creation as male and female abide universally and for all time This book intends to present a comprehensive yet reasonably concise presentation of biblical teaching on creation as male and female without bogging down in the detailed disputes between complementarian and egalitarian writers This discussion considers each passage within its literary context and patristic writers from the first few centuries of the church function as a control on interpretation

**Male and Female Created He Them** Moses Yahaya Awodi, 2013 What if God was both male and female and the entire enterprise of creation was just God's attempt to win a war that erupted in Heaven prior to the six days it took to create the world Such is the main premise behind *Male and Female Created He Them* a fascinating new work in Christian theology from Nigerian author Moses Yahaya Awodi Using the Biblical premise that God created Adam and Eve in His own image the author presents the idea not only is God both male and female but that Satan is also God's own Eve The idea that God and the Devil are so closely entwined could also perhaps explain why there is precious little anyone can do to combat the evil that exists in the world Moses Yahaya Awodi was born to a Christian home in Abejokolo in Kogi state Nigeria He holds a degree in Civil Engineering from the Ahmadu Bello University and is currently a resident engineer for a federal university in Yola Adamawa State Nigeria *Male and Female Created He Them* is his first book and he is already working on a second When not working or writing Moses enjoys serving as the organist for his church and playing lawn tennis to stay fit Publisher's website <http://sbpra.com/MosesYahayaAwod>

*God Created Man in His Image and Likeness* Oried E. Graves, 2012-10 Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies One reason is that God our Creator is telling us what He wants us to be and do as created in His image and likeness Our purpose is in our image and likeness of God our Creator not like the dust of the ground or the flesh of our parents Most children don't know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents don't ask God for His spirit for their children is because they don't recognize the need for Him There are several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of God Mankind must recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in God's word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God

in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God's will      So God Created Man ,      Sex, Then and Now William Loader,2022-04-21 How did the biblical authors and the people of their time view sex and sexual issues This book takes the reader into their world It offers a careful reading of these ancient texts and how they would have been understood in the context of their time Did they see sex positively or as something dangerous How did they view marriage How do their views of marriage relate to the way most people see marriage today What were the understandings of human nature that underpinned their discussions of appropriate and inappropriate sexual behavior How did they view sexual relations between people of the same gender Listening to biblical writers alongside what others were saying at the time this book takes these texts seriously By providing information about sex then it offers the reader a basis for discussing sex now and for approaching issues that have continued to create consternation confusion and often conflict in today's world At the same time it provides for possibilities of seeing continuity and appreciating the richness and blessing of human sexuality      *What is Man* Tumiasang Mabe ,2024-04-29 Man is an amazing creation of God Man has attributes unto him which is the Spirit the Soul and the Body God gave us the advantage to be three in one as He is three Father The Son and The Holy Spirit in one Lets look at this amazing creation of God in detail to understand who we are I find it interesting to learn about the creation of man and I have come to realise that God put in a lot of work when He created us      *Genesis* Miguel A. De La Torre,2011-01-01 This volume in the Belief series provides a new and interesting theological interpretation of Genesis through the themes of liberation and the concerns of the poor and marginalized De La Torre wrestles with Genesis texts remembering Jacob's wrestling at Peniel Gen 32 24 32 and finds that there are consequences when we truly wrestle with the biblical text struggling to see the face of God This commentary provides theological and ethical insights that enables the book of Genesis to speak powerfully today      *Dogmatic Theology* William Greenough Thayer Shedd,1888      **Women In Christ** Catherine Brown,2023-04-26 Brown has written *Women in Christ* drawing from almost 30 years ministry experience as a world renowned Bible teacher and preacher of God's word The book adds a much needed voice to the oft debated and sometimes divisive topic of women disciples of Christ being recognised and received as legitimate Kingdom leaders in the church and the marketplace globally today It is a book for every Christian believer and leader The book flows from the author's Christological doctrinal position and is packed with Scriptural references encouraging stories from real life situations and Biblical exegesis and apologetics It will benefit both male and female readers to see this truth that one's physical gender is not what defines our capacity to serve Christ since our spiritual identity as sons of God positions the born again believer as a bona fide disciple of Christ with the mission and mandate to know Christ and to make Christ known Whether you agree or disagree with Brown's doctrinal position this book cannot fail to make a transformative impact on the reader Interestingly it presents a Christian Egalitarian concept of women as leaders in church and society whilst at the same time not denigrating

Christian Complementarian beliefs concerning family It gives a new breath of hermeneutical interpretation on some challenging portions of Scripture as they pertain to women in leadership Do not read this book unless you are ready for a radical encounter with the truth of God s word concerning women in Christ Not recommended for those with an extreme misogynistic view against women      **Foundations: A Commentary of Genesis 1 - 10** John Hill,2011-02-25 Where did I come from How did I get here Why am I here Is God out there somewhere Does He care These are all questions that have been asked time and again Foundations will take the reader on an extraordinary journey from the beginning of time through the Creative acts of God and on to the establishment of the nations around the world Written in an easy to understand language Foundations will nail down facts about the origin of philosophy religion and human relationships It will also assist in a better understanding of the onset of counterfeit religions Satan angels and demons By explaining foundational principles of God s Word Foundations will show to the reader a loving heavenly Father Who desires to know intimately His creation

**God of the Gods** Jon Hoffman,2013-08-30 We all have our own beliefs on the various theories of mankind's origin and most of us have chosen one theory over the other but what if we didn't have to choose What if there was a way to reconcile the many different ideas of creation evolution and the history of mankind What if everyone was right kind of      *Created with Purpose* Holly Eggert,2014-08-05 God created the earth to be the setting for His highest creation man and woman and He alone understands the purpose for which He designed each person As a Christian woman do you believe God knows what He created you to do If not *Created With Purpose* will erase your doubts It will anchor you with hope that as you discover and practice His purpose for you you will enjoy a life of fulfillment that is pleasing to Him Author Holly Eggert s daily readings of Bible verses commentary and questions for reflection will inspire you to pursue the kind of personal renewal that will unfold God s purpose for your life *Created With Purpose* will set your focus on becoming the confident effective and influential woman of God that He wants you to be      **The True Christian Gospel** Orlando A. **Intention of It All** T.C. Ray,2010-11-24 Within the reader is provided with enlightened versions of selected and some even beloved segments of the Bible that have been previously either translated based on Semite legends due to the fact that at the time of translation those were the only historical references available or considered unknowable The creation of the universe earth and humanity are presented in a manner that falls closer in line with the historical and archeological record as known today instead of being based on ancient legends and fairy tales Elements of the Book of Exodus with passages concerning the 10 commandments and the role of Jethro in the establishment of a democratic form of government provide the reader with new origins for the judicial and representational branches within our own form of government The unknowable elements of the Book of Job concerning the Lords reply to Job in the last few chapters of the book are presented in a manner that not only suggests that it is indeed knowable but also reasonable and logical as well providing a description of the universe and earth that belies the level of knowledge available to humanity at its inception Certain controversial passages of the New Testament

are addressed such as the Magi the intent behind the Feast at Cana and Mary Magdalenes true role in Jesus life and ministry and this is followed with an interpretation of the symbolism found within the Book of Revelations All in all the author provides the reader with a new and different take on certain elements of old scriptures      Exercises on the Shorter Catechism, in which the Answers are Minutely Dissected; ,1835      *Supernal Serpent* Andrei A. Orlov,2023 *Supernal Serpent* is a wide ranging study of Jewish and Christian traditions about Leviathan as the underworld s ruler the foundation of the world and the embodiment of evil It explores the Leviathan tradition in its full historical and interpretive complexity through a broad variety of texts ranging from ancient West Asian accounts to later rabbinic and Muslim sources paying special attention to the imagery found in the Book of Job the Book of Revelation and the Apocalypse of Abraham The book demonstrates that in some Jewish materials Leviathan is envisioned as a living embodiment of the most profound divine mysteries which are preserved by God from the beginning of creation to be revealed fully in the end of times      Midrashic Women Judith R. Baskin,2015-05-01 While most gender based analyses of rabbinic Judaism concentrate on the status of women in the halakhah the rabbinic legal tradition Judith R Baskin turns her attention to the construction of women in the aggadic midrash a collection of expansions of the biblical text rabbinic ruminations and homiletical discourses that constitutes the non legal component of rabbinic literature Examining rabbinic convictions of female alterity competing narratives of creation and justifications of female disadvantages as well as aggadic understandings of the ideal wife the dilemma of infertility and women among women and as individuals she shows that rabbinic Judaism a tradition formed by men for a male community deeply valued the essential contributions of wives and mothers while also consciously constructing women as other and lesser than men Recent feminist scholarship has illuminated many aspects of the significance of gender in biblical and halakhic texts but there has been little previous study of how aggadic literature portrays females and the feminine Such representations Baskin argues often offer a more nuanced and complex view of women and their actual lives than the rigorous proscriptions of legal discourse      **A Key to the Shorter Catechism; Containing Catechetical Exercises, a Paraphrase, and a New and a Regular Series of Proofs on Each Answer** James Gall,1846      NPNF2-05. Gregory of Nyssa: Dogmatic Treatises, Etc. ,      *Creation of Universe God or Big Bang* Keerthi Kumar Patangay,2017-10-26 The book is about dealing with atheist book of Samkya Sutra and its interpretation of creation In the chapter 2 on Astronomy author has included references from Rig Veda on Solar system and gravity Surya Sidhanta on sidereal movement of earth and also on gravity Author quotes creation of Universe from Rig Veda X 129 by Pujya RL Kashyap Taitereya samhita Stephen Stunned s understanding of Nadya sukta from Rig Veda X 129 Author also includes creation of Universe as per Brihadarnaya and Aiteriya Upanishads Various other Upanishads dealing with Creation of Universe Manvantara theory of solar evolution Speed of light as per Rig Veda and Hindu unit of time Biblical Doctrine of Creation by Rev Dr G Wright Doyle and a chapter from quran on creation is also included Then scientific evidence such as Big Bang

Quantum physics professing that Universe always existed then Universe from nothing are included In the last chapter Conclusion author rebuts Samkya Sutra with various references from Bhagwad Gita Upanishads Brahma Sutra and Bible The author also rebuts Big Bang theory Author tries to draw parallel between quantum mechanics and spirituality
