Creating Peace In Sri Lanka Civil War And Reconciliation:

Creating Peace in Sri Lanka Robert I. Rotberg, 2010-12-01 Sri Lanka one of the most promising states in Asia following independence in 1948 has been torn apart for the past fifteen years by a vicious civil war The majority Sinhala and minority Tamils have killed each other with increasing ferocity The Tamils who are primarily Hindu fear losing their identity and being overwhelmed by the majority who are Buddhist The Sinhala in turn fear that the Tamils with the backing of their ethnic kin in the Indian province of Tamil Nadu will destabilize and take over control of the Sri Lankan government Colonial era rivalries and deep rooted distrust fuel the tensions What will bring about an end to this destructive conflict and how will the island nation heal its physical and psychic wounds following a peace How will a sustainable peace be arranged Can mediation help This book of essays by Sri Lankan and Western authors examines the causes of war and the possibilities for peace Contributors are Chandra R de Silva Old Dominion University Rohan Edrisinha University of Colombo Saman Kelegama Institute of Policy Studies of Sri Lanka David Little United States Institute of Peace Darini Rajasingham Senanayake Columbia University Teresita C Schaffer former U S Ambassador to Sri Lanka David Scott Johns Hopkins University Donald R Snodgrass Harvard Institute for International Development Jayadeva Uyangoda Sri Lanka Foundation William Weisberg and Donna Hicks Harvard University A World Peace Foundation Book The Politics of Reconstruction and Development in Sri Lanka Eva Gerharz, 2014-04-03 Sri Lanka's conflict and peace processes have gained global attention during recent years This book presents a comprehensive insight into the politics of reconstruction and development in Sri Lanka focussing on the ceasefire which was negotiated between the Government of Sri Lanka and the separatist Liberation Tigers of Tamil Eelam in 2002 and which lasted until 2006 Based on extensive empirical fieldwork the book provides a unique ethnographic account of this specific historical period of peace It explains how development was shaped by interplay and cooperation but also by the disparities and conflicts between a variety of local and intervening actors including local organizations and civil society LTTE Government of Sri Lanka international development cooperation and the Tamil diaspora Starting from an interdisciplinary viewpoint the author integrates findings from development sociology with new perspectives on transnationalization and the migration development nexus This provides a fine grained analysis of the emerging development visions and perspectives in relation to transnationalization and global interconnectedness Making an innovative contribution by linking the analysis of local reconstruction with contemporary phenomena of transnationalization diasporization and globalization this book will appeal to those with an interest in Sociology Social Anthropology and Political Science

Conflict and Peace in South Asia Manas Chatterji, B. M. Jain, 2008-10-13 South Asia is a distinct geographical entity comprised of seven countries India Pakistan Bangladesh Nepal Bhutan Sri Lanka and Maldives situated in the Indian Ocean This book looks at these countries in a historical context from inter regional and international perspectives War, Denial and Nation-Building in Sri Lanka Rachel Seoighe, 2017-12-05 This book begins from a critical account of the final months of

the Sri Lankan civil war tracing themes of nationalism discourse and conflict memory through this period of immense violence and into its aftermath Using these themes to explore state crime atrocity and its denial and representation Seoighe offers an analysis of how stories of conflict are authored and constructed This book examines the political discourse of the former Rajapaksa government highlighting how fluency in international discourses of counter terrorism humanitarianism and the reconciliation expected of states transitioning from conflict can be used to conceal and deny state violence Drawing on extensive interviews with activists academics politicians state representatives and international agency staff and three months of observation in Sri Lanka in 2012 Seoighe demonstrates how the Rajapaksa government re narrativised violence through orchestrated techniques of denial and mass ritual discourse It drew on and perpetuated a heightened majoritarian Sinhala Buddhist nationalism which consolidated power under Sinhalese political elites generated minority grievances and in turn sustained the repression and dispossession of the Tamil community of the Northeast A detailed and evocative study this book will be of special interest to scholars of conflict studies political violence and critical criminology Conflict Resolution in Sri Lanka V. R. Raghavan, Volker Bauer, 2006 Catherine Casey has written an excellent book that provides a lucid and comprehensive critical analysis of organizations It extends in reach and relevance beyond the specific field of organization studies and the sociology of organizations to encompass broader intellectual developments that have had a significant impact on contemporary sociology and cultural studies Barry Smart Professor of Sociology University of Portsmouth I anticipate that it will prove to be an attractive book in organization studies industrial sociology and general sociology I am sure that this will be a book that will make a major impact Mike Reed Professor of Organization Theory Lancaster UniversityIn this comprehensive and scholarly book the essential critical strands in organizational analysis are explained It examines how central traditions have realigned in relation to the challenge of postmodernism and the new reflexive turn in organizational studies Judicious innovative and written with the needs of students in mind this book offers a renewed and revitalized critical accent in organization studies one that focuses on existing and emerging social tendencies contestations and struggles It will be essential reading for senior students of organization studies and sociology

Nationalism, Development and Ethnic Conflict in Sri Lanka Rajesh Venugopal,2018-10-18 This book examines the relationship between ethnic conflict and economic development in modern Sri Lanka Drawing on a historically informed political sociology it explores how the economic and the ethnic have encountered one another focusing in particular on the phenomenon of Sinhala nationalism In doing so the book engages with some of the central issues in contemporary Sri Lanka why has the ethnic conflict been so protracted and so resistant to solution What explains the enduring political significance of Sinhala nationalism What is the relationship between market reform and conflict Why did the Norwegian sponsored peace process collapse How is the Rajapaksa phenomenon to be understood The topical spread of the book is broad covering the evolution of peasant agriculture land scarcity state welfarism nationalist ideology party systems political morality military

employment business elites market reforms and development aid Economy, Culture, and Civil War in Sri Lanka Deborah Winslow, Michael D. Woost, 2004-09-02 Will be of interest to those working on conflict and peace studies economic development cultural studies and women in the modern world A key new publication Chandra R de Silva Old Dominion University offers a superb overview of how a civil war driven by ethnicity can engender a new culture and a new political economy Highly recommended Choice Economy Culture and Civil War in Sri Lanka provides a lucid and up to date interpretation of Sri Lankan society and its 20 year civil conflict An interdisciplinary examination of the relationship between the economy broadly defined and the reproduction of violent conflict this volume argues that the war is grounded not just in the goals and intentions of the opposing sides but also in the everyday orientations experiences and material practices of all Sri Lankan people The contributors explore changing political and policy contexts the effect of long term conflict on employment opportunities and life choices for rural and urban youth life histories memory and narratives of violence the economics of enlisting and individual decisions about involvement in the war and nationalism and the moral debate triggered by women's employment in the international garment manufacturing industry Contributors are Francesca Bremner Michele Ruth Gamburd Newton Gunasinghe Siri T Hettige Caitrin Lynch John M Richardson Jr Amita Shastri Deborah Winslow and The Separatist Conflict in Sri Lanka Asoka Bandarage, 2008-11-19 The book provides a detailed Michael D Woost historically based analysis of the origin evolution and potential resolution of the civil conflict in Sri Lanka over the struggle to establish a separate state in its Northern and Eastern provinces This conflict between the Sri Lankan government and the secessionist LTTE Liberation Tigers of Tamil Eelam is one of the world's most intractable contemporary armed struggles The internationally banned LTTE is considered the prototype of modern terrorism It is known to have introduced suicide bombing to the world and recently became the first terrorist organization ever to acquire an air force The iron law of ethnicity the assumption that cultural difference inevitably leads to conflict has been reinforced by the 9 11 attacks and conflicts like the one in Sri Lanka However the connections among ethnic difference conflict and terrorism are not automatic This book broadens the discourse on the separatist conflict in Sri Lanka by moving beyond the familiar bipolar Sinhala versus Tamil ethnic antagonism to show how the form and content of ethnicity are shaped by historical social forces It develops a multipolar analysis which takes into account diverse ethnic groups intra ethnic social class caste and other variables at the local regional and international levels Overall this book presents a conceptual framework useful for comparative global conflict analysis and resolution shedding light on a host of complex issues such as terrorism civil society diasporas international intervention and secessionism **International Mediation in Civil Wars** Timothy D Sisk, 2009-01-08 This book evaluates the role of international mediators in bringing civil wars to an end and makes the case for powerful peacemaking using incentives and sanctions to leverage parties into peace As internal violence within countries is a hugely significant threat to international peace in the post Cold War era the question of how these wars end has become an urgent

research and policy question This volume explores a critical aspect of peacemaking that has yet to be sufficiently evaluated the turbulent period beyond the onset of formal or open negotiations to end civil wars and the clinching of an initially sustainable negotiated settlement The book argues that the transnational flow of weapons resources and ideas means that when civil wars today end they are more likely to do so at the negotiating table than on the battlefield It uses bargaining theory to develop an analytical framework to evaluate peace processes moving from stalemate in wars to negotiated settlement and it rigorously analyses the experiences of five cases of negotiated transitions from war and the role of international mediators South Africa Liberia Burundi Kashmir and Sri Lanka The Territorial Management of Ethnic Conflict John Coakley, 2004-08-02 The object of this book is to look at the manner in which states attempt to cope with ethnic conflict through territorial approaches This revised edition has new chapters covering Northern Ireland South Africa and Yugoslavia The Paradoxes of Peacebuilding Post-9/11 Stephen Baranyi, 2009-02-01 What kind of peace is possible in the post 9 11 world Is sustainable peace an illusion in a world where foreign military interventions are replacing peace negotiations as starting points for postwar reconstruction What would it take to achieve durable peace in contexts as different as Afghanistan Mozambique and Sri Lanka This book presents six provocative case studies authored by respected peacebuilding practitioners in their own societies The studies address two cases of relative success Guatemala and Mozambique three cases of renewed but deeply fraught efforts Afghanistan Haiti and the Palestinian Territories and the case of Sri Lanka where peacebuilding was aborted but where the outlines of a new peace process can be discerned The book also includes original analyses of demobilization disarmament and reintegration processes in three different contexts written by teams of Northern and Southern analysts The Paradoxes of Peacebuilding Post 9 11 bridges the gap between minimalist and maximalist approaches to peacebuilding and gives voice to Southern researchers in Northern dominated debates It will interest practitioners and students of peace security and development studies as well as policymakers at many levels of Routledge Handbook of South Asian Politics Paul R. Brass, 2010-04-30 The Routledge Handbook of government South Asian Politics examines key issues in politics of the five independent states of the South Asian region India Pakistan Bangladesh Sri Lanka and Nepal Written by experts in their respective areas this Handbook introduces the reader to the politics of South Asia by presenting the prevailing agreements and disagreements in the literature In the first two sections the Handbook provides a comprehensive introduction to the modern political history of the states of the region and an overview of the independence movements in the former colonial states The other sections focus on the political changes that have occurred in the postcolonial states since independence as well as the successive political changes in Nepal during the same period and the structure and functioning of the main governmental and non governmental institutions including the structure of the state itself unitary or federal political parties the judiciary and the military Further the contributors explore several aspects of the political process and political and economic change especially issues of pluralism and national

integration political economy corruption and criminalization of politics radical and violent political movements and the international politics of the region as a whole This unique reference work provides a comprehensive survey of the state of the field and is an invaluable resource for students and academics interested in South Asian Studies South Asian Politics Comparative Politics and International Relations **Useful Enemies** David Keen, 2012-07-31 Keen investigates why conflicts are so prevalent and so intractable even when one side has much greater military resources He asks who benefits from wars whether economically politically or psychologically and argues that in order to bring them successfully to an end we need to understand the complex vested interests on all sides Muslim Minority-State Relations Robert Mason, 2016-04-08 This volume explores the dominant types of relationships between Muslim minorities and states in different parts of the world the challenges each side faces and the cases and reasons for exemplary integration religious tolerance and freedom of expression By bringing together diverse case studies from Europe Africa and Asia this book offers insight into the nature of state engagement with Muslim communities and Muslim community responses towards the state in turn This collection offers readers the opportunity to learn more about what drives government policy on Muslim minority communities Muslim community policies and responses in turn and where common ground lies in building religious tolerance greater community cohesion and enhancing Muslim community state relations Religion and Public Policy Sumner B. Twiss, Marian Gh. Simion, Rodney L. Petersen, 2015-02-26 Examines human rights in relation to religion and the role of religion in perennial issues of war and peace State Failure and State Weakness in a Time of Terror Robert I. Rotberg, 2004-05-13 The threat of terror which flares in Africa and Indonesia has given the problem of failed states an unprecedented immediacy and importance In the past failure had a primarily humanitarian dimension with fewer implications for peace and security Now nation states that fail or may do so pose dangers to themselves to their neighbors and to people around the globe preventing their failure and reviving those that do fail has become a strategic as well as a moral imperative State Failure and State Weakness in a Time of Terror develops an innovative theory of state failure that classifies and categorizes states along a continuum from weak to failed to collapsed By understanding the mechanisms and identifying the tell tale indicators of state failure it is possible to develop strategies to arrest the fatal slide from weakness to collapse This state failure paradigm is illustrated through detailed case studies of states that have failed and collapsed the Democratic Republic of the Congo Sierra Leone the Sudan Somalia states that are dangerously weak Colombia Indonesia Sri Lanka Tajikistan and states that are weak but safe Fiji Haiti Lebanon The Political Economy of Peacemaking Achim Wennmann, 2010-12-14 This book focuses on the economic dimensions of peace processes and examines the opportunities and constraints for assisting negotiated exits out of conflict Various works have addressed the economic characteristics and consequences of armed conflicts over the past two decades including issues such as blood diamonds natural resource wars economically motivated armed violence self financing conflict or the complicity of companies and state elites in conflict

economies However rather than treating these issues as obstacles for peace this book explores whether they can be opportunities for peacemaking by adopting a political economy perspective The book looks at income sharing from natural resources as an opportunity for forward looking peacemaking strategies and the implications of deal making in situations in which war economies and insecurity provide strongmen with disproportionate political and economic power The book also highlights that peace processes are not necessarily about the rectification of a conflict s root causes but rather about what matters most to the main stakeholders at the moment when a peace process starts taking shape Finally efforts to establish a lasting peace need to go beyond the traditional set of actors associated with peace processes The strategic involvement of donor agencies companies and diaspora communities can strengthen forward looking peace processes The book will help both student and practitioner audiences to better understand armed conflicts and their belligerents optimize the planning and management of peace initiatives and shape expectations in peace agreements It will be of much interest to students of peacebuilding conflict studies development studies International Political Economy and International Relations in general

South Asia P. R. Kumaraswamy, Ian Copland, 2013-10-18 Since the partition of the subcontinent along communal lines political violence has increased in South Asia Terrorism is one such manifestation of this violence This book witnesses serious assessment of various aspects of terrorism that are affecting South Asia as eight scholars of international repute take a closer look at the problem These essays discuss how terrorist activity in the region during the past few decades can be directly linked to religion centric violence Apart from other events this book looks at prolonged terrorism in Punjab militancy in Kashmir ethnic conflict in Sri Lanka insurgency in northest India Maoist insurgency in Nepal and sectarian conflict in Music and Engagement in the Asian Political Space Onyebadi, Uche Titus, Arif, Delaware, 2023-03-13 The Pakistan Asian continent is comprised of many political systems populations religions and cultures Yet the undercurrents of politics and political affairs and how societies function in this vast region are not well known and are often misunderstood The role of music and its impact on political affairs is just one of the unknown or misunderstood factors about this region Music and Engagement in the Asian Political Space considers scholarly work specifically on music and political engagement in the Asian political space Covering key topics such as culture engagement national anthems and political communication this premier reference source is ideal for government officials policymakers industry professionals researchers academicians scholars practitioners instructors and students Sri Lanka in the Modern Age Nira Wickramasinghe, 2006-03-31 Since the late 1970s civil war has left Sri Lanka in an almost permanent state of crisis conventional histories of the country by liberal and Marxist scholars in the last two decades have thus tended to focus on the state s failure to accommodate the needs and demands of the minorities The entire history of the twentieth century has been tied to this one key issue Sri Lanka in the Modern Age offers a fresh perspective based on new research Above all the author has written a history of the peoples of Sri Lanka rather than a history of the nation state
