Soliman,2025-01-30 The two volume proceedings set CCIS 2299 and 2300 constitutes the refereed proceedings of the 43rd IBIMA Conference on Artificial intelligence and Machine Learning IBIMA AI 2024 held in Madrid Spain in June 26 27 2024 The 44 full papers and 18 short papers included in this book were carefully reviewed and selected from 119 submissions They were organized in topical sections as follows Part I Artificial Intelligence and Machine Learning Information Systems and Communications Technologies Part II Artificial Intelligence and Machine Learning Software Engineering Computer Security and Privacy      **YESHUA, THE CRUCIFIED SERPENT** Rowland Stenrud,2012-11-29 It was the atheist Jean Paul Sartre who once said that Hell is other people Rowland Stenrud s Yeshua the Crucified Serpent is about how mankind s savior Jesus of Nazareth has saved men and women from this hell by making it possible and indeed inevitable for human beings to love one another and their Creator Father Yahweh God This book is about the concept and practice of human and divine love The words of Paul in 1 Corinthians 13 1 13 the Bible as a whole and the reader s life experience will help in defining this The author reviews what he knows about the concept and its related precepts and brings them to bear in this

book God himself is love which should tell us how mysterious a thing love is To acquire this ability to love one must suffer in union with the suffering Christ Salvation pure and simple is God delivering each one from the inability to love other human beings and the Creator Himself The obstacle to this perfect love is the serpent of human wisdom and pride that existed even in Jesus In his loving obedience to the Father Jesus nailed this serpent to the cross Yeshua the Crucified Serpent attempts to show that the question of evil and suffering in the world is answered by Yahweh s eventual success in saving all of mankind The majority of Christians believe in a number of key doctrines that the biblical authors do not unequivocally teach A few verses may support these unbiblical doctrines but a greater number of verses whose meaning is clearer contradict the standard interpretation of these few verses Other doctrines that Christians mistakenly believe in find support in this or that section of the Bible but are denied by the general thrust of the Bible as a whole These unbiblical doctrines followed by the correct biblical teaching are

- 1 Sometime in the distant past a large number of God s angels rebelled against Him becoming what are called devils or demons whose leader is known as Satan or Lucifer The Bible teaches that the only agent of evil in the universe is man s heart
- 2 Adam and Eve possessed the perfection of Jesus Christ before they sinned If they had not sinned they would not have needed to be healed of any weakness The Bible teaches that Adam and Eve could not have had eternal life even before they sinned without the work of Jesus of Nazareth
- 3 Faith is an act of the free will of man The Bible teaches that faith does involve man putting his trust in God s promises and revelation but it is primarily a power given to man by God in order to enable him to see spiritual truth the natural man cannot see Without this gift of the Holy Spirit no human being can know God and be saved
- 4 Ultimately speaking we are saved by our faith On the contrary it is through Jesus s faith in and love for the Father that is the instrument of our salvation
- 5 Jesus saved us by paying the penalty due our sins and therefore saving us from the just wrath of God This is false No one had to pay any penalty for God to forgive the sins of the human race God relates to sinners on the basis of mercy and mercy is not mercy if the penalty for sin is paid By going to the cross Jesus healed our brokenness which forgiveness alone could not accomplish
- 6 Satan and the sins of men are ultimately responsible for human suffering False God is ultimately responsible for human suffering as it is a necessary part of God s work of saving human beings God Himself shares in all of our suffering physical emotional and spiritual even though He does not have a body or nervous system
- 7 Salvation is about our eternal destiny This is not correct Salvation is about being saved from the idolatries addictions corruption hatreds evil deeds that afflict the unsav

Predestination and Free Will Omer Atilla Ergi, 2025-07-01 The concepts of predestination and free will have been and continue to be two of the most difficult problems of classical and contemporary theology and philosophy The debate on the perplexing coexistence of predestination and free will has been the focal point of discourse among theologians and philosophers since antiquity The deliberations on determinism also played an important role in the formation of Islamic theology as the creedal statements of Islamic doctrines define belief in predestination as one of the essential articles of creed while asserting that human agents possess some form

of will defined as *irada al juz iyya* the minor will in the Arabic lexicon Evidently the creed of mainstream Islam necessitates that the two concepts are reconciled or at least a conceivable argument is provided to support the notion that predestination could indeed coexist with free will Arguments for coexistence constructed on scriptural revelation and Prophetic tradition were proposed by various Muslim theologians from the formative period to contemporary times during which several theological schools emerged due to a number of significant differences in views This book is primarily based on an examination and analysis of the theological arguments proposed by mainstream Islamic theologians and Fethullah G len a contemporary Muslim scholar and his theoretical framework on the reconciliation of predestination and free will The methodology of this project includes comparative and detailed analysis of arguments put forward by formative classical and contemporary Islamic scholars and examination of arguments proposed by Western theologians and philosophers with an objective to establish the similarities and differences in the theoretical frameworks of scholars from different schools traditions and faiths The main argument of this book is based on the theological premises proposed by Fethullah G len and mainstream Sunni theologians that support the coexistence of predestination and free will

**On Solov'yev's View of Love and its Affinities with Proclus and Maximus the Confessor** Paraskevi Zacharia, 2025-09-20 This dissertation explores the concept of love in the work of Russian philosopher Vladimir Solov'yev 1853-1900 with a focus on two of his writings *La Sophia* 1875-1876 and *Smysl lyubvi* The Meaning of Love 1892-1894 The author analyzes how the concept of Sophia wisdom as a feminine divine force and the idea of All Unity a universal all encompassing unity converge in Solov'yev's deeper philosophical theological vision of love The study connects Solov'yev's ideas to those of the Neoplatonist Proclus and the Christian Church Father Maximus the Confessor The central research questions are what is the relationship between love and Sophia in Solov'yev's thought and which Neoplatonic and Patristic elements influenced his conception of love The author argues that *The Meaning of Love* does not explicitly mention the name Sophia but implicitly describes a Sophianic reality in which love fulfills a theurgical function This reality has three dimensions philosophical religious mystical and social Through comparisons with Proclus and Maximus the author shows how Solov'yev develops a unique integrative vision in which love leads to the unification of the individual humanity and the divine This research offers an original approach to Solov'yev's thought with particular attention to mystical experience metaphysical love and the striving for wholeness It fills a gap in the existing literature by systematically exploring the connection between love Sophia and the influence of Proclus and Maximus

Paraskevi Zacharia 1983 studied Classical Languages in Athens and later Russian She obtained her PhD at Radboud University with a dissertation on Solov'yev's philosophy of love She has published on theology mysticism and Neoplatonism taught students and presented internationally She is an active member of various academic networks and received several fellowships including OIKOS the International Society for Neoplatonic Studies the International Orthodox Theological Association and the Mystical Theology Network
