Creative Cradle Roll Reaching Families Through Their Babies:

You Can Reach Families Through Their Babies Elizabeth Gangel, Elsiebeth McDaniel, 1981-07 **The Creative Cradle Roll** Elizabeth Gangel, Elsiebeth McDaniel, 1976 **How to Lead a Church to Reach People and Grow** Robert A. Young, 2009-05 This book presents a unique approach to church growth. It is written mainly to help churches that are declining but will help all churches. The underlying premise is that churches do not grow and reach new people because they do not know how or because they are so poorly structured and organized that they spend most of their time and efforts in conflict. This disrupts the fellowship and leaves very little time and energy for reaching new people. The subtitle could be *Fifteen Essential Steps To Growth*. Basic growth and administrative principles. The combining of these areas makes this a unique book. Young has brought together these basic elements from over 40 years of experience. The book is a practical guide for a local church to follow to function efficiently and effectively and reach people for Christ. When the steps are followed and in the proper order the church can pretty well be assured of growth and effective ministry. Dr. Robert A. Young is currently President of Samuelite Corp. Church Outreach and Consulting. He served as Associate Pastor, Administration of Walnut Street Baptist Church, Louisville, KY and Park Cities Baptist Church, Dallas, TX and President of the National Association of Church Business Administration. He has conducted Total Church Consultations and Capital Fund Campaigns for churches of all sizes and denominations. He is now available to serve churches as a consultant in these areas. He is also the author of *The Development of A Church Manual of Administrative Policies* *The Super Superintendent* Harold J. Westing, 1980

Paperbound Books in Print, 1982 *Childhood Education in the Church* Robert E. Clark, Joanne Brubaker, Roy B. Zuck, 1986 Early training of children in the basic truths of Christianity has become an increasingly high priority in Christian circles. To satisfy the demand for up to date material on the subject, editors Robert Clark, Joanne Brubaker, and Roy Zuck have revised and expanded *Childhood Education in the Church*. Numerous revisions and several new chapters, some by new authors, have been added, including essays on Teaching Exceptional Children and The Role of Home Schooling in Childhood Education. Written by a wide variety of experts in Christian education, this volume is designed for use in teacher training classes and for professional training in Bible colleges and seminaries. Each of the thirty-five articles explores a specific area of importance to childhood education. Together they present a complete picture of Christian education of children. Back of book *National Union Catalog*, 1981, 1982 **National Union Catalog**, 1981 Includes entries for maps and atlases
