**China** Robert E. Murowchick,1994 Anthropologists archaeologists geographers and historians chronicle the evolution of Chinese culture and history from antiquity to present times China ,1994 Craft Production and Social Change in Northern China Anne P. Underhill,2012-12-06 This book offers an anthropological analysis of how craft production changed in relation to the development of complex societies in northern China It focuses on the production and use of food containers pottery and bronze vessels during the late prehistoric and early historic periods A major theme is how production and use of prestige vessels changed in relation to increase in degree of social inequality The research and writing of this book took place intermittently over a period of several years When I first outlined the book in 1994 I planned to offer a more limited and descriptive account of social change during the late prehistoric period In considering the human desire to display status with prestige goods my initial approach emphasized how the case of northern China was similar to other areas of the world I began to realize that in order to adequately explain how and why craft production changed in ancient China it was crucial to consider the belief systems that motivated production and use of food containers Similarly a striking characteristic of ancient China that I needed to include in the analysis was the preponderance of food containers rather than other goods that were buried with the deceased I decided to investigate the social and ritual uses of food beverages and containers during more than one period of Chinese history Some strong patterns could have emerged during the late prehistoric period

*Cultural Perspectives on Global Research Epistemology: Emerging Research and Opportunities* Topor, F. Sigmund,2021-01-22 Cultural values and structures differ in societies throughout the world For example the traditional conformism of Confucian countries is vastly dissimilar from the individualistic values of Western societies In today's globalized environment the greatest challenge is the collaboration of diverse cultures The comprehension of global epistemology and the understanding of diverse cultural perspectives is needed in order to sustain global harmony and intercultural congruence *Cultural Perspectives on Global Research Epistemology Emerging Research and Opportunities* is a pivotal reference source that discusses the effect of globalization on intercultural communication and critical thinking and analyzes Eastern and Western societies from an epistemological standpoint While highlighting topics including uncertainty avoidance Confucianism and cultural heritage this book is ideally designed for researchers scientists anthropologists sociologists educators practitioners and students seeking current research on epistemic discordance in global research

Wang Renmei Richard J. Meyer,2013-07-01 Wang Renmei was on a fast track to become one of China's leading film stars in the 1930s Her early films were received with magnificent praise by audiences and critics alike though she later lamented that she became famous too early and never had a chance to properly study acting The film Song of the Fishermen in which she sang and played a major role was the first Chinese motion picture to win an International Award in Moscow in 1935 Wang's personal struggles reflected the turbulent period from the end of the Qing dynasty to the rise of Deng Xiaoping This study explores her artistic achievements amid the prevalent anti feminist and feudal society in China prior to the founding of the People's Republic in 1949 attitudes which contributed to the downturn of Wang's promising career and forced her to accept various bit parts among the more than twenty films in which she appeared In addition personal problems as well as the Anti Rightist Movement and the Cultural Revolution led to her hospitalization for mental illness Wang's life is emblematic of the experiences of many left wing and Communist Party members from the Shanghai film community who were viewed with suspicion and enmity by the Yan'an clique headed by Mao and later the Gang of Four Wang's performances in World War II for the Nationalist troops as well as her work with the US forces in China had a dire effect on her career after 1949 Yet today her films are being discovered again
