Craft in the Machine Age, 1920-1945 Janet Kardon, 1995-01-01 *Craft in the Machine Age 1920-1945* Janet Kardon, 1996 History of Design Bard Graduate Center, 2013-12-10 A survey of spectacular breadth covering the history of decorative arts and design worldwide over the past six hundred years **Crafting Identity** Sandra Alföldy, 2005-07-26 By contrasting American experience with the Canadian context which includes a unique Quebec identity and a Native dimension Sandra Alföldy argues that the development of organizations advanced education for craftspeople and exhibition and promotional opportunities have contributed to the distinct evolution of professional craft in Canada over the past forty years Alföldy focuses on 1964-74 and the debates over distinctions between professional self-taught and amateur craftspeople and between one of a kind and traditional craft objects She deals extensively with key people and events including American philanthropist Aileen Osborn Webb and Canadian philanthropist Joan Chalmers the foundation of the World Crafts Council 1964 and the Canadian Crafts Council 1974 the Canadian Fine Crafts exhibition at Expo 67 and the In Praise of Hands exhibition of 1974 Drawing upon a wealth of previously unexploited materials this richly documented survey includes descriptions and illustrations of significant works and identifies the challenges that lie ahead for professional crafts in Canada History of Modern Design David Raizman, 2003 An exploration of the parallel development of product and graphic design from the 18th century to the 21st The effects of mass production and consumption man-made industrial materials and extended lines of communication are also discussed **The Federal Art Project and the Creation of Middlebrow Culture** Victoria Grieve, 2009 Art for everyone the Federal Art Project's drive for middlebrow visual culture and identity *Makers* Janet Koplos, Bruce Metcalf, 2010-07-31 Here is the first comprehensive survey of modern craft in the United States *Makers* follows the development of studio craft objects in fiber clay glass wood and metal from its roots in nineteenth century reform movements to the rich diversity of expression at the end of the twentieth century More than four hundred illustrations complement this chronological exploration of the American craft tradition Keeping as their main focus the objects and the makers Janet Koplos and Bruce Metcalf offer a detailed analysis of seminal works and discussions of education institutional support and the philosophical underpinnings of craft In a vivid and accessible narrative they highlight the value of physical skill examine craft as a force for moral reform and consider the role of craft as an aesthetic alternative Exploring craft's relationship to fine arts and design Koplos and Metcalf foster a critical understanding of the field and help explain craft's place in contemporary culture *Makers* will be an indispensable volume for craftspeople curators collectors critics historians students and anyone who is interested in American craft Hooked Rugs Cynthia Fowler, 2017-07-05 Through a close look at the history of the modernist hooked rug this book raises important questions about the broader history of American modernism in the first half of the twentieth century Although hooked rugs are not generally associated with the avant garde this study demonstrates that they were a significant part of the artistic production of many artists

engaged in modernist experimentation Cynthia Fowler discusses the efforts of Ralph Pearson and of Zoltan and Rosa Hecht to establish modernist hooked rug industries in the 1920s uncovering a previously undocumented history The book includes a consideration of the rural workers used to create the modernist narrative of the hooked rug as cottage industries were established throughout the rural Northeast and South to serve the ever increasing demand for hooked rugs by urban consumers Fowler closely examines institutional enterprises that highlighted and engaged the modernist hooked rugs such as key exhibitions at the Museum of Modern Art and the Metropolitan Museum of Art in the 1930s and 40s This study reveals the fluidity of boundaries among art craft and design and the profound efforts of a devoted group of modernists to introduce the general public to the value of modern art *Kem Weber* Christopher Alan Long,2014-01-01 The first major look at the renowned industrial designer and architect who helped to shape the look of American modernism from the 1920s through the early 1950s For German born Kem Weber 1889 1963 design was not about finding a new expression it was about responding to structural economic and social requirements characteristic of our daily routine of living He sought to ensure that each design he produced whether a piece of furniture or a building or an interior was an improvement that responded to modern needs and modern life Weber was a leading figure of modernism on the West Coast from the 1920s through the early 1950s and his work greatly influenced the California style of the time His most iconic designs were his Bentlock line the Air Line chair the interiors for the Bixby House and his tubular steel furniture for Lloyd This book a result of significant new primary research in the Weber family s archives represents the first major study of the life and career of this important designer Christopher Long details the full range of Weber s contributions focusing particularly on the part he played in the advancement of American modernism and his role in heralding a new way of making and living *Design & Applied Arts Index* ,1999 **Tourists and Trade** Bruce A. Austin,2023-06-01 Amid the economic turmoil of the Great Depression in 1929 Clarence Wemett an upstate New York petroleum merchant underwrote a craft shop bordering U S Route 20 and a few years later a different one 15 miles away At precisely the wrong time for such things to happen the improbable idea of selling discretionary goods targeted to a consumer market characterized by 25 percent unemployment at a rural highway s roadside achieved traction the first shop was in business for a quarter century the second for nearly 40 years More significant than their surprising longevity is the shops long lasting contribution to a nascent national movement that spans crafts personally created for individual use to the commercial work that sees craft elevated to a fine art craft objects moved from pantry shelves to museum vitrines and craftworkers from hobbyists to professionals The roadside shops introduced a business model that 70 years later is widely experienced on a very different but equally super highway the Internet and their story is a chapter in the pre history of the modern crafts movement *Paul T. Frankl and Modern American Design* Christopher Long,2007-01-01 A comprehensive view of the life work and ideas of one of the creative giants of modern American design Arriving in the United States in 1914 Viennese born Paul T Frankl 1886 1958 brought with him an outsider s fresh

perspective and an enthusiasm for forging a uniquely American design aesthetic In the years between the two world wars he more than any other designer helped shape the distinctive look of American modernism This authoritative book draws on an extensive collection of unpublished documents and family papers and photographs to provide the first full account of Frankl s life and ideas The book also explores the history of modern American design and the extent of Frankl s influence on its trajectory In the early 1920s Frankl opened a New York City shop that became an epicenter of American modernism Over the next decades his work encompassed everything from individual pieces of furniture and decorative accessories to entire interiors and his style continuously evolved from early Skyscraper furniture to relaxed and casual designs favored by the Hollywood elite in the 1930s to manufactured pieces for the mass market in the 1950s The book charts the impact of Frankl s ideas on merchants and consumers on his fellow designers and on the changing look of American homes and workplaces With close to 170 illustrations Paul T Frankl and Modern American Design is an essential reference on 20th century design
