potent imagery and classic 1970s song lyrics Halliday deftly describes the fraught Laotian skies and re creates his struggle to navigate the frustrating Air Force bureaucracy the deprivations of a remote base far from home and his young wife and his fight to preserve his sanity The resulting nonfiction narrative vividly captures not only the intricate distorted culture of war but also the essence of the Vietnam veteran s experience of this troubled era A powerhouse fusion of pathos and humor brutal realism and intimate reflection *Flying Through Midnight* is a landmark contribution to war literature revealing previously top secret intelligence on the 606th s night missions Fast paced thrilling and bitingly intelligent Halliday illuminates it all the heart pounding air battles the close friendships the crippling fear and the astonishing final escape that made the telling of it possible [A New World](#) Robert M.
