Wagner III, 2014-11-07 The battle that unfolded at the Little Big Horn River on June 25 1876 marked a watershed in the history of the Plains Indians While a stunning victory for the Sioux and Cheyenne peoples it initiated a new and vigorous effort by the U S government to rid the west of marauding tribes and to realize the ideal of Manifest Destiny While thousands of books and articles have covered different aspects of the battle few if any have analyzed the tactics and chronology to arrive at a satisfactory explanation of what befell George Armstrong Custer and the 209 men who died alongside him This volume seeks to explain the circumstances culminating in the near destruction of the 7th Cavalry Regiment by a close examination of timing setting every event to a specific moment based on accounts of the battle s participants **Stereotypical Indians** Eric Hannel, Karen Hannel, 2025-02-28 This scholarly yet provocative work critically examines the persistent and evolving stereotypes of Native Americans in popular literature spanning from the 19th to the 21st centuries The book meticulously traces the roots of these portrayals exploring their proliferation and their lasting impact on public perception and policy Each chapter unveils a new layer of complexity from the dime novels of the 1800s that painted Native Americans as savages to children s literature that enforced colonial narratives and onto romance novels and popular histories that perpetuated myths and misconceptions The authors dissect these narratives critically revealing how they contribute to a distorted understanding of Native American heritage and culture Through an in depth analysis of various literary genres including comics and graphic novels the book challenges readers to confront and rethink the deeply ingrained stereotypes that have long shaped American consciousness Custer's Conqueror William J. Bordeaux, 2010 William J Bordeaux Buffalo Killer Ptek as ela William J Bordeaux was a bona fide member of the Brule band of the Sioux tribe His grandfather James Bordeaux was one of the early French fur traders who bravely carried on his trade and barter with the Sioux when the virgin prairies of the west were still an open frontier A lineal descendent of Red Cormorant Woman H ntk lutawin his grandmother he was well versed in his mother tongue Being proficient in several dialects of the native language he was able to converse with sage and grizzled old warriors and thus obtain information impossible for a white man to learn His close union with his own tribe and daily conversations with them is an assurance that no doubtful or transcribed evidence will appear on these pages In Bordeaux s search for material for a history of his people he spent considerable time traveled and talked to the oldest Indians on the different Sioux Indian Reservations Through his research he stored up and accumulated a wealth of stories and legends with awe inspiring fables and facts which would be valuable to story writers These fragmentary myths and authentic facts connected with his people would have been lost without these writings In his travels for the purpose of obtaining datum relative to the hostile activities by the different war chiefs he found one warrior that stood out alone excelling all other Sioux war braves as to courage and cunning Crazy Horse an Ogl la Sioux **The Old Chisholm Trail** Alexander Chisholm, 1964
