Thinking the Unthinkable Charles C. Lemert,2015-12-03 In the eloquent style for which he has become famous Charles Lemert writes of social theory as no one else *Thinking the Unthinkable* is offered as text for instruction yet it defies the prevailing assumption that social theory is a method for clarifying the facts of social life Lemert shows how social theory began late in the 19th century as a struggle to come to terms with the failure of modern reason to solve the social problems created by the capitalist world system Since then social theory has developed through twists and turns to think and rethink this *Unthinkable* Hence the surprising innovations of recent years postmodern queer postcolonial third wave feminist risk theories among

others arising in the wake of globalization Once again Lemert has made the difficult clear in a book that students and other readers will treasure and keep

The Habit of Hope William Hockin,1998-09-01 How can we handle the anxiety of change How can we work constructively with change Caught in the rapid pace of shifting ideals and realities in our society people increasingly face disillusionment discouragement pain and fear Reflecting on the anxieties that deeply trouble us today William Hockin offers spiritual guidance and reasons for hope With keen insight into the human situation and a deep knowledge of the Bible and Christian faith he helps us to value our own life experience and to approach the divine source of all our hope Hope is not just an attitude but a habit of life that we can choose to cultivate When we do we will find new joyfulness in faith and confidence in living
