O'Donnell,1992 An account of the brutal murder of Chris Hobson describes how Hobson s stepmother conspired with her son to kill her stepson driving him to a remote place making him dig his own grave and shooting him in it Original Evil Beyond Belief Wensley Clarkson,2015-03-04 This is the shocking story of a doctor who was addicted to murder a man who wickedly abused the trust of his patients with horrifying results He was a pillar of the community attentive kind never too busy to chat Yet behind this charming facade lay Britain s most prolific serial killer with at least 200 victims Small bespectacled Dr Shipman was making house calls and then committing murder with bloodcurdling expertise and professionalism He saw himself as playing God This sensational book looks behind the man and reveals how throughout his 25 year campaign of evil Shipman continued to be a doting husband and father trusted and adored by the majority of his patients Evil Beyond Belief looks at how he was able to get away with murder for so long and most important of all why he was driven by a twisted insatiable lust for death It also looks at the events leading up to Shipman s suicide and examines the effect that this dramatic event had on the families of his numerous victims **Deranged** Harold Schechter,1990 **Eyes Of A Killer** Maribel Blystone,2021-06-15 Angus Sinclair a sadistic rapist and serial killer from Scotland is the subject of this horrifying but compelling book The author s books are incredibly absorbing to read because of his writing style Like all good true crime books the research is exhaustive but to me an added edge is provided by the careful analysis of the criminal s psychopathy By meticulously elucidating the details of the mental machinations of his subjects the author is able to convey at least some understanding of what drove an individual like Angus Sinclair to commit the horrific acts for which he is known This approach also allows the book to read a bit more like a novel than a documentary style succinct summarization of facts Truth is stranger and in this case scarier than fiction and this story proves it **A Plot to Kill** David Wilson,2021-06-17 Peter Farquhar was a 69 year old English lecturer and novelist who thought he d finally found love with his handsome and charming student forty years his junior Little did he know Benjamin Field had been grooming him for years using his faith sexuality and love of language to manipulate and isolate him It would end in murder Very little shocks criminologist David Wilson who has interviewed some of the world s most notorious serial killers and yet this extraordinary murder in his sleepy hometown of Buckingham astounded him Like a modern day Harold Shipman Field had abused his position of power to target

the elderly and fool an entire community He almost got away with it Using forensic analysis and fascinating personal insight David takes us to the dark heart of middle England and discovers how Peter unwittingly supplied the blueprint for his own murder how a tightknit community failed to intervene and how an undetected psychopath could have easily become one of our most prolific serial killers
