customer attitudes on BMW Marion Maguire,2005-03-02 Master s Thesis from the year 2004 in the subject Business economics Offline Marketing and Online Marketing grade A 1 0 Hawai i Pacific University course Professional Paper MBA language English abstract Building a brand is both an art and a science It is the strategic mix of focus and risk that gives a brand its meaning in people s lives Dolan 2003 Branding has been around for centuries as a means to distinguish the goods of one producer from those of another Brand elements identify and differentiate the brand However many practicing managers refer to a brand as more than that They define a brand in terms of having actually created a certain amount of awareness and reputation in the marketplace which distinguishes a small brand from a big brand Especially strong brands

have a number of different types of intangible image associations that link customers emotionally to the brand Prior research has explored differences in customer perception and evaluation of brands for example through investigating brand equity More recent research has found out that customers differ not only in their perception of brands but also in how they relate to brands This suggests that people sometimes even form a relationship with a specific brand Aggarwal 2004 Branding and brand based differentiation are powerful means for creating and sustaining competitive advantage Aggarwal 2004 Highly competitive markets like the automotive market make powerful strong brands essential to accomplishing growth According to Agarwal Dahlhoff Rao 2004 companies create brand equity by delivering quality products and by creating strong unique and favorable brand associations Customer loyalty larger margins brand extension opportunities enhanced perceptions of product performance and increased marketing effectiveness and efficiency among other things are possible benefits of building up brand equity This research paper will look at the brand BMW BMW which stands for Bayerische Motoren Werke is a major European manufacturer of luxury cars The headquarters of the multinational corporation BMW Group is in Munich Germany The company has built substantial brand equity over the years through the continuous branding efforts for high quality products The luxury car category includes both traditional and functional luxury cars U S manufacturers mainly produce traditional luxury cars while functional luxury cars are represented primarily by European manufacturers such as BMW Bernhardt Kinnear 1994 Creating Powerful Brands in Consumer, Service and Industrial Markets Leslei De Chernatony, Malcolm McDonald, 1998 The Most Powerful Brand On Earth Chris Boudreaux, Susan F. Emerick, 2013-08-22 Brands that thrive and profit from employee and customer empowerment generate significantly greater awareness and revenues while also decreasing the costs of marketing selling and customer service However employees must engage in public real time conversations And most people are not professional communicators Achieving those outcomes requires new skills business processes governance measurement and infrastructure In addition leaders must learn new ways of managing risk while helping employees build and manage external relationships in real time Now in The Most Powerful Brand on Earth social business pioneers Chris Boudreaux and Susan Emerick help you successfully manage all these changes Drawing on their experience leading social media transformations at IBM and other top companies they present frameworks and case studies from key innovators that show how to Leverage the surprising dynamics of online influence Plan execute and manage the development of key relationships Measure outcomes and performance in effective and useful ways Resolve crucial security privacy and regulatory issues that arise when others represent you online Gain crucial support from leaders participants and other stakeholders Empower the people and teams you attract hire and support Navigate cultural and process changes that will make or break your program Preview trends that will shape your social empowerment programs in coming years **Strategic Management** Jeffrey S. Harrison, 2003 From internal resources such as people knowledge and capital to relationships with external stakeholders such as customers and suppliers Strategic Management of Resources and

Relationships provides students with one realistic comprehensive and highly effective approach to strategic management. Students will learn how to use the resource based view to develop competitive advantages through the acquisition, development and management of resources. They will also learn how to use stakeholder theory to determine when firms should form partnerships, the form they should take and how to manage them to enhance their resource position. The text's unique blend of the resource based approach with stakeholder theory and other relevant theories and models helps students gain a complete, balanced understanding of the field.

Marketing Warren J. Keegan, Sandra Ernst Moriarty, Thomas R. Duncan, 1992. Covering the basic principles of marketing, this text presents and explains the actual marketing plan for the Honda Accord.
