Mosaics - Making the Pieces Fit Craig Childress Johnson, 2018-05-02 Often our lives feel like a disjointed collection of drab glass stone and ceramic pieces We wonder if there's any purpose or plan to our lives Has the artisan stopped working on our project and tossed us onto the shelf to collect dust We think we've been thrown into the landfill as rubble Sometimes our introspection thickens and we find ourselves in depression or a dark night of the soul There's no gold or color any more just a monochrome palette of black white and gray We sense great loss and despair of ever regaining that which has been lost Miraculously it's in the midst of such times we often find God doing amazing things in our lives If we are yielded to Him looking for His ways in us we discover He's building all sorts of things into our lives He is creating a wondrous mosaic from the tesserae of our experiences These essays represent some of the tesserae being assembled into my life image by the Master Artisan who makes no mistakes
