The Wonders of Creation, Or, The Power and Glory of God as Shewn in the 104th Psalm Religious Tract Society (Great Britain),1876* Divine Creativity Obiora Okafor,2020-08 Words are the most powerful force in the universe an understanding of how it works makes you unbeatable in the battles of life Through some research I discovered that the worlds were framed by the words of the Architect of the universe the Almighty God The first man Adam formed by God the Creator has diverse divine abilities inside him right from the day he was created on the earth For this reason the ability to speak and cause things to come into existence or to bring changes into situations is divinely inborn in the human race In the beginning of life on the earth everything that was created came as a result of the words spoken and things came to be via the declarations of God The earth was seen in a chaotic condition without form and an empty waste and darkness was upon the face of the very deep Meanwhile God through His word began to shape the earth to what it is today For this reason man being God's representative on the earth has the capacity to create through the same manner This great uniqueness we have in God has been specified in the bible verse below I said you are gods since you judge on my behalf as My representatives indeed all of you are children of the Most High Psalms 82:6 AMP Consequently with this information in view it's high time We begun to take full advantage of this truth as we redesign our lives and our world to what it's originally made to be before the fall of the first man Adam In this book we shall be looking at some discoveries that have been made in history and in present times This facts will enable us have a good understanding on how to put to work the divine ability deposited in man King Solomon was the wisest and wealthiest man that ever lived beside Jesus Christ and to a large extent he unfolded the potential available in the tongue as stated below Life and death are in the power of the tongue and those that love it shall eat the fruit thereof Proverbs 20:21 From what is acknowledged above it may perhaps interest you to know that some of the incidents in and around your life are relatively the out come of words you or someone deliberately or unconsciously said in the time past Words make either positive or negative impacts in our lives whether we know it believe it or otherwise It has been said that ignorance is not an excuse As you read this book God will open your spiritual and physical senses to enable you know and value the mystery of words as in how it affects your life and destiny To know also how to use words to create results in any given situation or condition in your life and the lives of people that you will certainly meet in your life era More importantly given to the dynamism of the human race the need for us to be knowledgeable on when and how to direct the words that come out of the mouth is most essential All the information and revelations in the pages of this book are printed to keep you safe and successful throughout your life journey Study believe and be obedient then you shall eat the good of the land Shalom **God's Divine Plan to Build His Kingdom** Roy David Chaney,2020-07-02 This book is about God building his kingdom one step at a time God is revealing all of his attributes to all his creation God's creation must make a decision if they

want to live in the new kingdom and be willing to submit to his authority and obey his commands because they love him This decision must be made by human beings and angels You will determine whom you will serve and obey You will discover that Satan s influence can affect the way you think and what you speak God uses the influence of Satan and his advocates to help you realize that God s way is the only way to live You will come to realize that no earthly kingdom can ever survive because of Satan s influence and his desire to destroy your faith in Jesus Christ all because you were created in the image of God The good news is you can overcome Satan s influence and control your free will through the blood of Jesus Christ and obey the counsel of the Holy Spirit and not deny the power you have been given About the Author Roy Chaney was born into a Christian family Later his parents had three more sons He married Sharon and they have been married for over fifty two years The couple tried to have children and it looked like they would not be able to have any children One Sunday morning their pastor asked anyone wanting children to come up front to pray to God for his blessing on their family They were prayed for and about ten months later Sharon gave birth to a baby girl They had been already married for five years so they knew it was a miracle Their son did not come for another seven years and after a lot of prayer Another miracle They now have five grandchildren Roy served as an army medic in Vietnam and witnessed the consequences of Satan s influence on mankind So many died around him and he knew God spared him He retired from a newspaper after forty two years For most of his adult life he was a Sunday school teacher The Holy Spirit gave an understanding of God s plan to build his kingdom
