Canadian Reference Sources Mary E. Bond,Martine M. Caron,1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada s official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers

Music in Canada Carl Morey,2013-11-26 Providing access to virtually any subject related to music and musicians in Canada more than 900 annotated entries are organized under 13 topics and indexed by author subject and title Background and supplementary information and suggestions for research are presented in introductory essays The material covered reflects the broad spectrum of music in Canadian society including historical analytical and biographical studies of music derived

from the European tradition First Nations and Inuit music jazz and popular works folk and ethnic music education research and bibliographical materials The reader is also directed to some important on line resources Musical activity in Canada has developed remarkably in the past 50 years with a parallel growth of musical scholarship examining historical social and ethnological aspects of Canadian musical life This Guide is the first to draw comprehensively on the wealth of studies now available which are often dispersed and not easily located Consequently this information is invaluable to students and researchers interested in Canadian music the music of North America and Canadian studies Index [Performing Arts Biography Master Index](#) Barbara McNeil, Miranda C. Herbert, 1982 *Reference Sources for Canadian Literary Studies* Joseph Jones, 2005-01-01 Reference Sources for Canadian Literary Studies offers the first full scale bibliography of writing on and in the field of Canadian literary studies Approximately one thousand annotated entries are arranged by reference genre with sub groupings related to literary genre [Creative Canada](#) , 1974 [Progressive Heritage](#) James Doyle, 2006-01-01 Most critics and literary historians have ignored Marxist inspired creative literature in Canada or dismissed it as an ephemeral phenomenon of the 1930s Research reveals however that from the 1920s onward Canadian creative writers influenced by Marxist ideas have produced a quantitatively substantial and artistically significant body of poetry drama fiction and non fiction This book traces historically and evaluates critically this tradition with particular emphasis on writers who were associated with or sympathetic to the Communist Party of Canada After two chapters surveying the work of anti capitalist writers of the nineteenth and early twentieth centuries the book concentrates on the development of Marxist inspired writing from the 1920s to the end of the twentieth century Besides devoting attention to both social and theoretical backgrounds this study provides critical commentary on work by prominent writers who spent part of their literary careers as Communist Party members including Dorothy Livesay Patrick Anderson Milton Acorn and George Ryga as well as less well known but more fervent Communists such as Margaret Fairley Dyson Carter Joe Wallace Stanley Ryerson and Jean Jules Richard Although primarily concerned with the older generation of Marxists who flourished between the 1920s and the 1970s the book also includes a chapter on the post 1970s New Left
