A Bona Fide Husband Lilian Roberts Finlay,1991-12 *Short Story Index* ,1994 **The Spread Eagle; And Other Stories** Gouverneur Morris,2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage In Bad Company and Other Stories Rolf Boldrewood,2020-07-27 Reproduction of the original In Bad Company and Other Stories by Rolf Boldrewood In Bad Coompany and Other Stories Rolf Boldrewood,2020-08-03 Reproduction of the original In Bad Coompany and Other Stories by Rolf Boldrewood *Cutting the Night in Two* Evelyn Conlon,Hans-Christian Oeser,2001 This is a collection of 34 short stories by Irish women writers both past and present It serves to showcase work that is often overlooked in the literary ledger despite the widely acknowledged gift that Irish women writers have shown for the short story in the 20th century Spanning almost an entire century and set in diverse locations such as Dublin New York Kerry and Greece these stories reveal a collective voice both imaginative and tough together with an eclectic vision that shrewdly exposes what lies just below the surface of people s lives and the worlds they inhabit Publisher description **A Most Extraordinary, Everyday Family Story of Coming to the New World, 1660 - 2016** Clyde R. Forsberg Jr.,2018-10-26 What is the American Dream truly This American social cultural and working class family history spanning some four centuries represents a deeply personal quest for an answer from an unlikely source namely the author s own European progenitors Because of their Mormon faith their stories have been preserved but not told What they have to say about the American Dream is noteworthy For the huge bulk of the author s immediate family their American Dream was not the American Dream their reports and narratives in principle stand well outside the fantastic story of liberty and justice for all in the land of the brave Indeed their economic fortunes or lack thereof did not conform to the pattern and most failed to go from being the vanquished of Europe to the victorious of America For their trouble and largely because of their Mormonism they were cast in the role of America s Caliban Their American Dream may have been only to wake up from what quickly became a nightmare especially for the scores of women and children who paid the ultimate price Importantly A Most Extraordinary Everyday Family Story of Coming to the New World 1660 2016 is a cautionary tale in an auto ethnographical vein and suggests that coming to the United States of America was often not worth such sacrifice

Uncle's Dream; and The Eternal Husband Fyodor Dostoevsky,2025-09-11 Uncle s Dream is a satirical novella by Fyodor Dostoevsky that blends comedy with social critique Set in a small Russian provincial town the story explores family intrigues ambitious schemes and the power of gossip in shaping people s lives Through witty dialogue and exaggerated situations Dostoevsky exposes vanity hypocrisy and the absurdity of chasing status and wealth Beneath the humor lies a subtle reflection on human weakness and the illusions that govern society *Women and Relationships in Contemporary Irish Women's Short Stories* □□□,2021-07-01 This book examines archetypal motifs related to aspects of human relationships

in contemporary Irish women's short stories from the late 1960s to the present. These relationships examined embrace not only relationships between men and women as married couples and lovers but also women to women relationships as mothers, daughters, sisters or lovers. This book has uncovered certain recurrent motifs which may be construed as archetypal and are employed as a narrative device to express a certain level of feminist awareness by Irish female writers in their stories against the backdrop of Irish feminism emerged in the late 1960s. This feminist aspect of Irish women's stories appears to address the paradoxes of patriarchal ideology underlying male domination in male-female courtship and marriages, the conflict between patriarchally loyal mothers and rebellious daughters, powerless but rival female siblings and peers competing for limited resources and male attention under the Father's law. Motifs of resistance and subversion serve in these stories as metaphors unveiling female protests against an ideology which defines and confines women in the Irish patriarchal context. This book demonstrates a process of transition during which Irish female writers progress from the depiction of women who struggle and fight against unfairness and distortion within an androcentric culture to a new direction in which such writers describe a situation where women recognise the internalisation of the false consciousness of patriarchy and out of this recognition may be eventually able to develop further their sense of self and individuality. The archetypal motifs in Irish women's stories also illustrate a kind of continuity of an ancient female archetype of female rebellious powers which in female literary imagination never ceases to resurface in the face of patriarchal suppression.
