Gauguin's 'nirvana' Paul Gauguin, Wadsworth Atheneum Staff, Stephen H. Kornhauser, Wadsworth Atheneum Museum of Art, Wadsworth Atheneum, 2001-01-01 Shortly before Gauguin made his first Tahitian journey in 1891 he spent nearly two years in the remote Breton fishing village of Le Pouldu Seeking creative isolation in a primitive setting he pursued his art accompanied by several followers One of them was the Dutch painter Meyer de Haan who was able to pay the living expenses in Le Pouldu and was also knowledgeable in literary and philosophical matters that fascinated Gauguin Their association resulted in some of Gauguin's most remarkable works including the Wadsworth Atheneum's symbolist portrait of de Haan inscribed Nirvana This and the rich variety of paintings and sculpture by Gauguin produced in 1889-90 are the focus of this beautiful book Gauguin and de Haan settled into an inn at Le Pouldu run by an attractive unwed mother named Marie Henry who began a liaison with de Haan despite the fact that he was a sickly hunchback The intensity of relations between Gauguin and de Haan is reflected in many of the works including frescoes which they installed in the inn Gauguin's time in Le Pouldu was crucial to the advancement of his art and the vivid Breton subjects and personality of Meyer de Haan remained in his imagination to reappear even during his later Tahitian period In this book several distinguished experts draw on previously unavailable sources to examine in depth the history of this period Gauguin's relationship with de Haan their interest in religion and exotic cultures and the meaning of the many innovative symbolist works they produced

Paul Gauguin Anna Barskaya, 2011-07-01 Paul Gauguin was first a sailor then a successful stockbroker in Paris In 1874 he began to paint at weekends as a Sunday painter Nine years later after a stock market crash he felt confident of

his ability to earn a living for his family by painting and he resigned his position and took up the painter's brush full time. Following the lead of Cézanne, Gauguin painted still lifes from the very beginning of his artistic career. He even owned a still life by Cézanne which is shown in Gauguin's painting *Portrait of Marie Lagadu*. The year 1891 was crucial for Gauguin. In that year he left France for Tahiti where he stayed till 1893. This stay in Tahiti determined his future life and career. In 1895, after a sojourn in France, he returned there for good. In Tahiti, Gauguin discovered primitive art with its flat forms and violent colours belonging to an untamed nature. With absolute sincerity he transferred them onto his canvas. His paintings from then on reflected this style: a radical simplification of drawing, brilliant pure bright colours, an ornamental type composition and a deliberate flatness of planes. Gauguin termed this style synthetic symbolism.

O Starry Starry Night Derek Walcott, 2025-09-23. Two masterful artists, Gauguin and van Gogh, come alive in a vibrant drama about friendship, art, and madness. Two painters, Paul Gauguin and Vincent van Gogh, are living together in the sleepy town of Arles in 1888. Soon Gauguin, frustrated by van Gogh's refusal to acknowledge his increasingly troubled mind, will depart for Paris. In two years, van Gogh will be dead by his own hand. In the meantime, the friends discuss their craft, they frequent a local café that van Gogh will soon immortalize, they become acquainted with a young prostitute, Lotte, who becomes Gauguin's lover, they argue, they paint. In Derek Walcott's new historical play *O Starry Starry Night*, two world-renowned artists come to life as they wrestle both with grand themes—friendship, loyalty, fame—and with more mundane concerns—money, primarily among them. The scenes Walcott sketches summon several of van Gogh's most famous paintings: *Sunflowers*, *The Night Café*, *The Bedroom at Arles*. His manipulation of language, van Gogh's eloquent monologues giving way to more abstract speeches, evokes the painter's descent into madness. Over the action hangs the threat of violence, of death, which lends the play a potent urgency. For at least one of the characters, time is quickly running out. *O Starry Starry Night* is powerfully wrought and demonstrates once again the sharpness of Walcott's eye as a painter, as a poet, as a writer, and above all, as an observer of human follies, foibles, failings, and aspirations.

Gauguin's Ghost Story Antony J. Stowers, 2019-03-20. The ghost of French painter Paul Gauguin finds temporary sanctuary in the imagination of obscure British writer Antony J. Stowers. *The Pursuit of Spiritual Wisdom* Naomi E. Maurer, Vincent van Gogh, Paul Gauguin, 1998. This book explores van Gogh's and Gauguin's concepts of spirituality in life and art and the ways in which their ideas and the events of their personal lives shaped their creation of repertoires of meaningful symbolic motifs.

Cézanne Steven Platzman, 2001. Platzman's accessible and richly illustrated book examines the stylistic development of Cézanne's self-portraits in an effort to understand how the artist saw himself and others. 111 b/w, 82 color illustrations.
