Of Enoch The Prophet:

The Book of Enoch the Prophet Enoch, 2015-09-11 The book of Enoch is one of the strangest of the books left out of the Biblical canon Filled with goetic angels and demons and visions of inconceivable lands beyond the sky The Book of Enoch the Prophet Translated by the late Richard Laurence Modern research sees in the Epistle of Jude a work of the second century but as orthodox theologians accept its contents as the inspired utterance of an Apostle let us diligently search the Hebrew Scriptures for this important forecast of the second Advent of the Messiah In vain we turn over the pages of the sacred Canon not even in the Apocrypha can we trace one line from the pen of the marvellous being to whom uninterrupted immortality is assigned by apostolic interpretation of Genesis v 24 Were the prophecies of Enoch therefore accepted as a Divine revelation on that momentous day when Jesus explained the Scriptures after his resurrection to Jude and his apostolic brethren and have we moderns betrayed our trust by excluding an inspired record from the Bible Reverting to the second century of Christianity we find Irenaeus and Clement of Alexandria citing the Book of Enoch without questioning its sacred character Thus Irenaeus assigning to the Book of Enoch an authenticity analogous to that of Mosaic literature affirms that Enoch although a man filled the office of God's messenger to the angels Tertullian who flourished at the close of the first and at the beginning of the second century whilst admitting that the Scripture of Enoch is not received by some because it is not included in the Hebrew Canon speaks of the author as the most ancient prophet Enoch and of the book as the divinely inspired autograph of that immortal patriarch preserved by Noah in the ark or miraculously reproduced by him through the inspiration of the Holy Spirit Tertullian adds But as Enoch has spoken in the same scripture of the Lord and every scripture suitable for edification is divinely inspired let us reject nothing which belongs to us It may now seem to have been disavowed by the Jews like all other scripture which speaks of Christ a fact which should cause us no surprise as they were not to receive him even when personally addressed by himself These views Tertullian confirms by appealing to the testimony of the Apostle Jude The Book of Enoch was therefore as sacred as the Psalms or Isaiah in the eyes of the famous theologian on whom modern orthodoxy relies as the chief canonist of New Testament scripture Origen A.D. 254 in quoting Hebrew literature assigns to the Book of Enoch the same authority as to the Psalms In polemical discussion with Celsus he affirms that the work of the antediluvian patriarch was not accepted in the Churches as Divine and modern theologians have accordingly assumed that he rejected its inspiration but the extent to which he adopts its language and ideas discloses personal conviction that Enoch was one of the greatest of the prophets Thus in his treatise on the angels we read We are not to suppose that a special office has been assigned by mere accident to a particular angel as to Raphael the work of curing and healing to Gabriel the direction of wars to Michael the duty of hearing the prayers and supplications of men 2 From what source but assumed revelation could Origen obtain and publish these circumstantial details of ministerial administration in heaven

at the Close of the Last Century in Abyssinia ,1838 The Book of Enoch, the Prophet ,1890 The Book of Enoch the Prophet Richard Laurence,1821 *The Book of Henoch the Prophet* ,1912 The Book of Enoch is now usually designated I Enoch to distinguish it from the later Apocalypse The Secrets of Enoch which is known as II Enoch The former is called the Ethiopic Enoch the latter the Slavonic Enoch after the languages of the earliest versions extent of each respectively The Book fo Enoch like the Book of Daniel was written originally in Aramaic and partly in Hebrew No copy of the original language of either is known to be in existance Latin and Greek versions have only in part been discovered but the Ethiopic Version has been preserved in twenty nine manuscripts Some of the authors of the Book of Enoch and there were many belonged to the true succession of the prophets and it was simply owing to the evil character of the period in which their lot was cast that they were obliged to issue their works pseudonymously The Law which claimed to be the highest and final word from God could tolerate no fresh message from God so when men were moved by the Spirit of God to make known their visions relating to the past the present and the future they did so under some ancient name Not only does the Book of Enoch come from many writers and almost as many periods it touches upon every subject that could have arisen in the ancient schools of the prophets Nearly every religious idea appears in a variety of forms and during the two centuries before the Christian era played an important role in the development of Hebrew theology Conflicting views are advanced on the Messiah the Messianic kingdom the origin of sin Sheol the final judgment the resurrection and the nature of the future life There is an elaborate angelology and demonology and much space is devoted to the calendar and the heavenly bodies and their movements Back cover Collected Works of Enoch the Prophet Zen Garcia,2017-12-06 With renewed interest in the character of Enoch the prophet I decided to publish in 14 point font not just the R H Charles Oxford translation of the Book of Enoch and the Richard Laurence translation of the Book of the Secrets of Enoch but compile with them such obscure sources as the recently 2005 discovery of the Greek Account of Enoch the Prophet the Aramaic Dead Sea Scrolls fragments of 1 Enoch Ogdias the Giant the Manichean Book of the Giants The Midrash of Semhazai and Aza chapter 100 of the Kebra Nagast the Armenian Vision Of Enoch The Just the Hebrew Third Book Of Enoch Coptic Apocryphon of Enoch and Slavonic Two Tablets Of Enoch Providing all of these sources together in one collection can better assist those seeking to understand more completely Enoch his life and involvement with the Watchers and Giants This collection better expounds upon the context of the few Enochian texts we still have of those left for us in greater capacity and clearer regard **The Book of Enoch.
