Alexander, Child of Love Eleanor K. Boner, 2011-12-23 This is a story so personal it took fifty years to write Alexander Child of Love is not a self help book about how to best survive the death of a child Alexanders story is the story of the power of love The more you love the longer you love the larger you become Long after my sons death I was profoundly shocked to learn that Alexander was actually murdered As you read you will come to understand why the word murdered was not ill chosen The story I am about to tell you is not simply about a mother and child It is about the human spirit and the heights to which it can ascend to overcome extreme physical disability and pain In essence it is about love During my sons mortal life I learned for the first time the meaning of real love I learned that such love has the power to work miracles in our lives

Meditations on Life and Living...Born out of Love for God Wesley J. Malcolm, Elois Wilform-Malcolm, 2014-01-16
Meditations on Life and Living Born Out of Love for God are basic but simple testimonials in story format with Scripture as the catalyst and theme for their birth How many times have you sat alone somewhere just reflecting on the simplicity of life how blessed you are from where you came compared to where you are now Author Elois Wilform Malcolm brings these everyday things to life It will seem as though you are right there by her side witnessing what she does in her own mind seeing feeling understanding her point of view as she correlates biblical Scriptures into her reflections and how your understanding of Scripture can be a driving force for you own life Meditations on Life and Living Born Out of Love for God will allow you to relive your past reflect on the glory of your present and marvel at your future when you realize the joy happiness contentment and peace of mind you attain through a life with God You will see where you were before salvation understand who you are in your salvation and strive to be even better through salvation You will see how Scriptures are being brought to light through everyday life situations Wait till you read catchy titles such as Throw Down Your Rocks The Fragrance of Christ or Wake Up Everybody You will find excitement in the directions each testimonial meditation will take you Reading these meditation will bring about purpose for studying the Bible which is not to know the Bible but to know God The Bible is not a book of rules but a book of principles which are clearly and simply brought out through these meditations We get to know God through His Word His spirit our experiences and through prayer May you be blessed *In Defense of Love* Ron Rosenbaum, 2024-09-17 Rosenbaum offers a spirited and enjoyable defense of his version of love The Wall Street Journal A stirring manifesto on love in the modern age now available for the first time in paperback In a work of ambition and brio legendary journalist Ron Rosenbaum tackles his hardest topic yet everyone s favorite four letter word He begins by

investigating the neuroscience of love arguing that our understanding of love is imperiled by quantification and algorithms which distill our behavior into mathematical formulas our personality into brain chemical categories and our curiosity into quiz questions The very capacity that makes us human Rosenbaum posits is being taken over by numbers To save it he turns to literature and pop culture discussing writing about love from a vast range of sources including Tolstoy novellas trailblazing Updike manuscripts David Foster Wallace and Chrissie Hynde Part of love's essence is its mystery says Rosenbaum and when he eventually finds his own answer to the riddle of love a happy ending it turns up in a completely unexpected place In *Defense of Love* is more than an examination of the intersection of love with literature and science It is a celebration of the uncanny and the persistent the sublime and the ridiculous the inexorable power of love **The Flame of Love & Wisdom**

Umahamur Auraveritas,2023-08-24 **This Ain't the Summer of Love** Steve Waksman,2009-02-04 Waksman brings a new understanding to familiar material by treating it in an original and stimulating manner This book tells the other side of the story Philip Auslander author of *Performing Glam Rock Gender and Theatricality in Popular Music* While there are a number of histories of punk and metal and numerous biographies of important bands within each genre there is no comparable book to *This Ain't the Summer of Love* The ultimate contribution the book makes is to provoke the reader into rethinking the ongoing fluid relationship between punk a music that enjoyed considerable critical support and metal a music that has been systematically denigrated by critics This book is the product of superior scholarship it truly breaks fresh ground and as such it is an important book that will be regularly cited in future work Rob Bowman Professor of Music at York University and author of *Soulsville USA The Story of Stax Records* Debunking simplistic assumptions that punk rebelled and heavy metal conformed Steve Waksman demonstrates with precisely chosen examples that for decades the two shared strategies and concerns As a result this important volume is among the first to extend to rock history the same much needed revisionism that elsewhere has transformed our understanding of minstrelsy blues country music and pop Eric Weisbard author of *Use Your Illusion I II* **The Path of Love** Ronald D. Cowen,2015-02-05 The Buddha was a scientist Instead of using a microscope or a particle accelerator the Buddha used ESP He had several psychic powers that allowed him to perceive in detail the psychology of karma the evolution of consciousness and subatomic particles He discovered love and self love to be organizing principles that evolved early in the history of intelligent consciousness especially with regard to feelings and emotions Every person has the deepest need to love and be loved He solved the mind body problem by perceiving the physical basis of intelligent consciousness These psychic powers are acknowledged in Hindu and Buddhist scriptures but extremely few people have them This book is essentially a meditation report written by someone who has them While this sounds like an invitation to return this book to the shelf in a bookstore it also documents in depth another report by a physicist Stephen Phillips who relates in comprehensive detail the relationship between modern superstring theory and extrasensory observation of the elements of the periodic table by Annie Besant and Charles Leadbeater of the Theosophical

Society This strong connection between modern physics and psychic powers of the Buddha is a real challenge to both the modern scientist and the modern Buddhist

Ocean of Love, or Sea of Troubles? Geoffrey Harris,2016-12-22 The title of Dr Harris book suggests that life is like a two sided coin it can be an Ocean of Love but can also be a Sea of Troubles The subtitle clarifies this paradox first there are many signs of God s reality and activity in the world and the first section of the book examines ways in which people are aware of God as both a creative and immanent presence in life The signs of God are not philosophical proofs but empirical realities accessible to all people In the second section the biblical responses to suffering in the world are explored through both Old and New Testaments In the third section the writings of two modern apologists C S Lewis and Philip Yancey are assessed and then finally there is a chapter of interviews with people who have known suffering in their lives
