Doll,2016-12-05 Although the importance of Elvis Presley s Southern heritage has long been recognized few have considered the complex connection between the performer s career and his Southern roots This study investigates how that identity affected each stage of Presley s career Elvis Presley s career can be divided into three phases each of which is signified by a specific image Each image is coded by a certain style of music mode of dress and arena of performance The evolution from one career phase to another was instigated by a specific event and represented a deliberate calculation on the part of Presley s manager to attract a wider audience The first stage spans the years 1956 through 1958 after the singer was introduced to a national audience and before he was drafted into the army His image as a notorious rock n roller created a national controversy and was spurred by negative depictions of Presley in the media many attributing his controversial performing style and appearance to his Southern background His music was a fusion of rhythm and blues and country western or two types of music indigenous to the South and foreign to the mainstream entertainment industry based in New York City The second phase of Elvis career included his stint as a movie star in which most aspects of his Southern identity were extracted from his leading man image to enhance his appeal to the mainstream And finally the last stage of his career focused on his image as a Las Vegas performer Despite the gaudy costumes Elvis reconnected to his identity as a Southerner in the 1970s by returning to country music and songwriters as a source of inspiration      **Popular Music** Roman Iwaschkin,2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope      **Back to the Garden** Pete Fornatale,2009-06-23 On the 40th anniversary of Woodstock renowned author and disc jockey Fornatale brings the iconic rock concert to vivid life through original interviews with Roger Daltry David Crosby and dozens of headliners organizers and fans b w photos      **Oxford Dictionary of Humorous Quotations** Ned Sherrin,2008-09-25 This hilarious collection of humorous quotations full of wisecracks and wit snappy comments and inspired fantasy has been specially compiled by the late broadcaster and raconteur Ned Sherrin with a foreword by leading British satirist Alistair Beaton Now packed with even more quotes and covering more subjects than before from Weddings to the Supernatural Australia to Headlines Find the best lines from your favourite jokesters and
