For Couples:

Conflict Resolution for Couples Paul R. Shaffer, 2005 Conflict Resolution for Couples is written in a comprehensive and logical progression that maps out how to have a healthy relationship one where conflict can be readily managed. It has solid answers for couples trying to find reasonable solutions. This 10th Anniversary Edition discusses the following topics: the basics of a healthy relationship, a model for managing conflict, 26 guidelines for conflict resolution, making and maintaining lasting changes, affair proofing and affair recovery, considering or moving through a separation.

The Socio-Emotional Relationship Workbook for Couples Carmen Knudson-Martin, 2024-12-11 This supportive and empowering guide helps readers identify and build on their relational values which the dominant culture tends to minimize, inhibit or disparage. Written in an engaging, easy to read and use format, this workbook offers clear case examples and activities that readers can apply to their own relationships. The introductory chapter describes the problem: how unrecognized power imbalances in who notices, accommodates and attends to one another make attaining satisfying, mutually supportive, intimate relationships difficult. Chapters 2-5 introduce practices that help readers recognize the connections between their social worlds and how they engage in their relationships with exercises that facilitate this personal awareness and enable them to share these experiences with their partners. Chapters 6-10 guide readers through assessing reciprocity in their relationships and exercises to apply each of the four components of the Circle of Care: mutual vulnerability, attunement, influence and relational responsibility, and strategies for maintaining commitment to their relational goals over the long term. In each chapter, exercises are structured to first teach personal socio-emotional awareness, followed by relational practices that facilitate engagement based on mutual attunement and shared commitment rather than debate. This book views emotion and meaning as the link between individuals and the larger society and helps readers develop awareness of their social contexts and societal power processes that work against relationships.

Love Notes for Couples Gary Chapman, 2020-06-09 A concise devotional for every couple looking to deepen their relationship with one another and with God. Are you and your spouse speaking the same language? He sends you flowers when what you really want is time to talk. She gives you a hug when what you really need is a home-cooked meal. The problem isn't love; it's your love language. This book is the perfect gift for the couples in your life or for you and your spouse to read together. As you learn how to express heartfelt love to each other, you'll find yourselves deeper in love and growing closer to God as a result.

and happens to just about everyone. However, when you start fixating on the many terrible things that might happen to your relationship, the issues and distress will definitely rise. Luckily, it is possible to find ways to manage that anxiety so that it doesn't get in your way. All you need is this all-inclusive guide to take you through. So if you often wonder: Will this relationship last? Did I make the right choice to be in a relationship with my partner? What dark things have they not told me? Why can't I just silence those thoughts and think of only the positives? What has caused all these problems that I face in relationships? Is it really possible to stop obsessing, distrusting, and thinking negatively about my relationship? What do I do to ensure I don't struggle with the problem again? And many other related questions, this book will help answer all of them and shed more light on the topic. In it, you'll find: What anxiety is, including the common types of anxiety, the most common signs, and its effects; The ins and outs of anxiety in relationships; How to know whether you have relationship anxiety; All about marital stability and why people keep looking for it; How insecurities manifest in relationships and how they affect it; The warning signs of insecurities; How to eliminate negative talk and negative people; How having attachment problems and fear of abandonment messes up your relationship; How jealousy manifests in relationships and how to ensure it does not ruin your relationship; The phases of a relationship; Why there are couple conflicts and how to deal with them; How to help your partner if he/she suffers from anxiety; The most dangerous and popular mistakes that anxious people do; The golden rules for a happy and lasting relationship; And much more. Whether you've been in a relationship for many years or you're contemplating getting into one, this book will guide you step by step towards a loving and lasting relationship. Take a moment and imagine how life would be if you don't have to struggle with the mess that comes with relationship anxiety. Scroll up and click Buy Now With 1 Click or Buy Now to get your copy.
