The World of Prayer Adrienne von Speyr,2012-06-11 Prayer was a way of life for Adrienne von Speyr one of this last century s great Catholic mystics In this major work on prayer edited by Hans Urs von Balthasar Adrienne discusses the many aspects and kinds of prayer the vocation of every Christian The fundamental theme of this work is that prayer like everything else that comes to man through God s self revelation in Christ such as grace faith hope and love or the relationship between Christ and the Church is ultimately rooted in God himself and in his triune exchange of life Beyond all purely creaturely motives and needs Christian prayer is a participation in the inner life of the Trinity which is revealed prepared and accomplished in the world by Jesus Christ our Lord By him it is made available for us to take part in This book is much more than a manual on how to pray It gives an in depth description of prayer first the prayer of the Trinity then the prayer of Christ then of the Blessed Virgin and finally that of all Christians In particular the section on the prayer of Mary is a masterful description of the various stages of growing in prayer Mary is the perfect model because of her intimate association with her Son *Christian Prayer for Today* Martha L. Moore-Keish,2009-01-16 This volume in the popular For Today series deals with one of the most central and important aspects of Christian living the practice of prayer Martha Moore Keish provides fresh help for understanding and revitalizing prayer life challenges readers to engage all the senses while in prayer and invites them to use prayer as the chief exercise of faith Both groups and individuals can use this deeply theological yet engaging book and its discussion questions to increase their understanding of prayer and to enrich their prayer practice The For Today series was designed to provide reliable and accessible resources for the study and real life

application of important biblical texts theological documents and Christian practices The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today Thought provoking questions are included at the end of each chapter making the books ideal for personal study and group use
