Of Genesis Chapters 18 50:

The Book of Genesis, Chapters 18-50 Victor P. Hamilton, 1995-09-26 In this volume Hamilton expounds Genesis 18 50 verse by verse and provides linguistic literary and theological commentary of its overarching theme Yahweh's faithfulness to his promised word and his covenant with those who were chosen to receive it This evangelical thorough work features a comprehensive introduction copious footnotes and references to the New Testament writers interpretations of Genesis

The Transmission of the Pentateuch Hila Dayfani, 2023-09-05 The volume focuses on variants between the Masoretic Text and the Samaritan Pentateuch prompted by graphic similarities between letters As a phenomenon that occurs during the transmission of ancient texts an in depth study of the linguistic and paleographic background of these variants provides fruitful ground for the exploration of the Pentateuch transmission This volume gathers all the relevant variants from the Masoretic Text and the Samaritan Pentateuch comparing them to further witnesses primarily the Dead Sea Scrolls and the Septuagint Each case is examined independently through a linguistic analysis of the variants their process of development and an evaluation of which version is preferable when possible It then presents a statistical analysis of the data Moreover the volume offers a paleographic analysis of the interchanging letters in the three relevant scripts Hebrew Jewish and Samaritan script Through this process it determines the script in which the variants have occurred and estimates the chronological framework of the variants This study has implications for the textual history of the Samaritan Pentateuch and more broadly for the distribution of the Pentateuch and the extent of its transmission in the late Second Temple period

The Word of God Has Not Failed Sherwood, Aaron, 2015-11-20 In *The Word of God Has Not Failed* Sherwood presents a fresh reading of Romans 9 6 29 focusing on Paul's use of Scripture Since this passage contains such a high concentration of Old Testament quotations it is vital to explore how Paul understood and interpreted those texts Only then can we really understand the thrust of Paul's message

Journal for the Evangelical Study of the Old Testament, 7.2 Russell Meek, 2021-09-02 Journal for the Evangelical Study of the Old Testament JESOT is a peer reviewed journal devoted to the academic and evangelical study of the Old Testament The journal seeks to fill a need in academia by providing a venue for high level scholarship on the Old Testament from an evangelical standpoint The journal is not affiliated with any particular academic institution and with an international editorial board open access format and multi language submissions JESOT cultivates and promotes Old Testament scholarship in the evangelical global community The journal differs from many evangelical journals in that it seeks to publish current academic research in the areas of ancient Near Eastern backgrounds Dead Sea Scrolls Rabbinics Linguistics Septuagint Research Methodology Literary Analysis Exegesis Text Criticism and Theology as they pertain only to the Old Testament JESOT also includes up to date book reviews on various academic studies of the Old Testament

Victim and Victimizer Yiu-Wing Fung, 2000-06-01 This book attempts an interesting exercise in character analysis It scrutinizes the speeches of Joseph in such a way as to expose the problematic nature of his claims to know God's

intentions While Judah is forced by Joseph's test to choose slavery for the sake of his father's survival the ironic reversal of Judah's role from victimizer to victim is undercut by the rationale by which he had Joseph sold in order to save him Unwittingly Joseph mistakes this rationale as a divine principle that undergirds his suffering and he dreams of domination for the same purpose of survival He is unaware of Judah's real predicament and this double blindness calls into doubt the coalescence of perspectives of Joseph and the narrator

How God Forms Abraham to Be a Blessing Qiang Fu, 2023-02-22

This book aims to understand God's interactions with Abraham in relation to God's command that Abraham be a blessing Gen 12:2d which is directly tied to God's goal that in you all the families of the earth will be blessed Gen 12:3b The book proposes a formative narrative approach to examine interactions between character and plot the movement of plot and the connection between sequential plots An analysis of thirteen Abrahamic narratives Gen 12:22 suggests a classification based on four different types of interactions between God and Abraham which indicate how cooperation and conflict between God and Abraham advance the narrative's plot The book then proposes a narrative discourse analysis to examine how Abraham evolved through different stages of the narrative by moving from deviation to cooperation Detailed analysis of this transformation process reveals three turning points in Abraham's life The formative narrative approach and narrative discourse analysis proposed in this book can contribute to the analysis of two important aspects of Old Testament narratives the formation of plot and the cause and effect structure in narrative discourse

The Hermeneutics of the Biblical Writers Abner Chou, 2019-03-21

A method of interpretation a hermeneutic is indispensable for understanding Scripture constructing theology and living the Christian life but most contemporary hermeneutical systems fail to acknowledge the principles and practices of the biblical writers themselves Christians today cannot employ a truly biblical view of the Bible unless they understand why the prophets and apostles interpreted Scripture the way they did To this end Abner Chou proposes a hermeneutic of obedience in which believers learn to interpret Scripture the way the biblical authors did including understanding the New Testament's use of the Old Testament Chou first unfolds the prophetic hermeneutic of the Old Testament authors and demonstrates the continuity of this approach with the apostolic hermeneutic of the New Testament authors

[The Heart of Torah](#) Shai Held, 2017-01-01

In *The Heart of Torah* Rabbi Shai Held's Torah essays two for each weekly portion open new horizons in Jewish biblical commentary Held probes the portions

in bold original and provocative ways He mines Talmud and midrashim great writers of world literature and astute commentators of other religious backgrounds to ponder fundamental questions about God human nature and what it means to be a religious person in the modern world Along the way he illuminates the centrality of empathy in Jewish ethics the predominance of divine love in Jewish theology the primacy of gratitude and generosity and God s summoning of each of us with all our limitations into the dignity of a covenantal relationship Land of Our Fathers Francesca

Stavrakopoulou,2011-04-17 The biblical motif of a land divinely promised and given to Abraham and his descendants is argued to be an ideological reflex of post monarchic territorial disputes between competing socio religious groups The important biblical motif of a Promised Land is founded upon the ancient Near Eastern concept of ancestral land hereditary space upon which families lived worked died and were buried An essential element of concept of ancestral land was the belief in the post mortem existence of the ancestors who were venerated with grave offerings mortuary feasts bone rituals and standing stones The Hebrew Bible is littered with stories concerning these practices and beliefs yet the specific correlation of ancestor veneration and certain biblical land claims has gone unrecognized The book remedies this in presenting evidence for the vital and persistent impact of ancestor veneration upon land claims It proposes that ancestor veneration which formed a common ground in the experiences of various socio religious groups in ancient Israel became in the Hebrew Bible an ideological battlefield upon which claims to the land were won and lost Sacred Witness Susanne Scholz,2021-03-24 In

Sacred Witness Susanne Scholz discusses the wide range of rape texts in biblical literaturesome that long have troubled readers others that should have but didn t such as texts of marital rape for example or metaphorical speech about God as rapist Assuming the androcentric nature of these writings Scholz asks how we may read these texts in order to find some redemptive meaning for women children and men who have been injured by sexual violence and by cultures of rape Sacred Witness provides illuminating reflection on some of the most troubling texts in the Hebrew Bible **An Ark on the Nile**

Keith Bodner,2016 The opening sector of the book of Exodus is a powerful narrative and a striking example of the artistic qualities of the Pentateuch a facet of the text that occasionally is neglected in high level scholarship Exodus 1 2 is finely choreographed work that compresses a vast amount of material onto a limited textual canvas creating a story that appeals to readers of every age Resuming where the book of Genesis leaves off the last image of Genesis 50 is a coffin in Egypt primed for a sequel the first two chapters of Exodus combine a fast moving plot with some unique shades of characterization Israel s growth in Egypt the rise of a malevolent new king the birth of a hero and early experiences of adversity for the main character in the story to come The burden of slavery and miracle of salvation are introduced in this sector of text and become paradigmatic examples of divine redemption that reverberate throughout the Hebrew Bible and beyond An Ark on the Nile The Beginning of the Book of Exodus is a close reading of Exodus 1 2 that analyzes the story as a reasonably self contained unit but suggesting that major plot movements in the book of Exodus are foreshadowed and anticipated here Applying a

number of insights from literary theory Keith Bodner offers an illustration of further integration of biblical studies with cross disciplinary narrative interpretation

The World and the Word Eugene H. Merrill, Mark F. Rooker, Michael A. Grisanti, 2011 Three esteemed Old Testament professors introduce students to the first eighty percent of the Bible freshly illuminating the text as a rich source of theology and doctrine packed with practical principles for modern times

In the Eyes of God Brian C Howell, 2014-07-31 Throughout the Bible divine interaction with humanity is portrayed in almost embarrassingly human terms God sees hears thinks feels runs rides chariots laughs wields weapons gives birth and even repents Many of these descriptions taken at face value seem to run afoul of classical thought about God's qualities of divine simplicity transcendence omniscience omnipotence omnipresence and especially immutability Traditionally such representations have been seen as accommodations to human intellectual and moral limitations They allowed God to be more comprehensible but did not actually describe any real part of His character being or interaction with humanity References to God seeing or hearing for example are not deemed to represent real acts as God is all knowing This view is largely based on the Aristotelian conception of metaphors they are rhetorical devices and should not be taken literally Since the 1970s our understanding of the ways in which metaphors convey meaning has become much more sophisticated We are better able to unlock the function of human acts of God within the Bible This book aims to explore the biblical metaphor of divine sight in Genesis and how current conceptions of metaphorical function can enrich our reading of the text and its theology

The Spirit in Romans 8 Marcin Kowalski, 2023-12-04 Kowalski addresses the Pauline understanding of the Spirit in Romans 8 as compared to the Stoic idea of pneuma The author first analyzes the Stoic views on pneuma perceived in a variety of life giving cognitive ethical unifying reproductive and inspiring functions The aforementioned features are taken as a starting point for the comparison with Paul to which however the third element is added the Jewish texts of the Second Temple period These include the Old Testament but also The Book of Enoch The Book of Jubilees Qumran The Testaments of the Twelve Patriarchs The Psalms of Solomon Philo of Alexandria Flavius Josephus LAB Joseph and Aseneth 4 Book of Ezra and 2 Book of Baruch Such a rich comparative material contributes to the novelty of the book and enables the reader to discover both the similarities and differences between Paul Greco Roman and Jewish authors The study analyzes Romans 8 in its rhetorical context and brings to light the novelty of the Pauline view of the Spirit The apostle portrays it in its primary cognitive ethical and communitarian function of making the believers similar to Christ and inculcating in them the Lord's mindset and attitudes Paul presents the Spirit as dwelling within a person similarly to God inhabiting the Jerusalem temple and as the mediator of the resurrected life In the original Pauline take the Spirit enables a close union between God and human beings in which the latter keep their freedom and distinctive personal traits

Syriac Christian Culture Aaron Michael Butts, Robin Darling Young, 2021-01-08 Syriac Christianity developed in the first centuries CE in the Middle East where it continued to flourish throughout Late Antiquity and the Medieval period while also spreading widely as far as India and

China Today Syriac Christians are found in the Middle East in India as well in diasporas scattered across the globe Over this extended time period and across this vast geographic expanse Syriac Christians have built impressive churches and monasteries crafted fine pieces of art and written and transmitted a sizable body of literature Though often overlooked neglected and even persecuted Syriac Christianity has been and continues to be an important part of the humanistic heritage of the last two millennia The present volume brings together fourteen studies that offer fresh perspectives on Syriac Christianity especially its literary texts and authors The timeframes of the individual studies span from the second century Syriac translation of the Hebrew Bible up to the thirteenth century with the end of the Syriac Renaissance Several studies analyze key authors from Late Antiquity such as Aphrahat Ephrem Narsai and Jacob of Serugh Others investigate translations into Syriac both from Hebrew and from Greek while still others examine hagiography especially its formation and transmission Reflecting a growing trend in the field the volume also devotes significant attention to the Medieval period during which Syriac Christians lived under Islamic rule The studies in the volume are united in their quest to explore the richness diversity and vibrance of Syriac Christianity

Interludes and Irony in the Ancestral Narrative Jonathan A. Kruschwitz, 2020-12-18 The stories of Hagar Dinah and Tamar stand out as strangers in the ancestral narrative They deviate from the main plot and draw attention to the interests and fates of characters who are not a part of the ancestral family Readers have traditionally domesticated these strange stories They have made them familiar all about the ancestral family Thus Hagar's story becomes a drama of deselection Shechem and the Hivites become emblematic for ancestral conflict with the people of the land and Tamar becomes a lens by which to read providence in the story of Joseph This study resurrects the question of these stories strangeness Rather than allow the ancestral narrative to determine their significance it attends to each interlude's particularity and detects ironic gestures made toward the ancestral narrative These stories contain within them the potential to defamiliarize key themes of ancestral identity the ancestral divine relationship ancestral relations to the land and its inhabitants and ancestral self identity Perhaps the ancestral family are not the only privileged partners of God the only heirs to the land or the only bloodline fit to bear the next generation

The Old Testament Roots of Nonviolence Philip E. Friesen, 2010-02-01 The Old Testament Roots of Nonviolence brings together a number of issues showing how they fit together in one exciting story These issues are 1 War and Peace 2 The Great Commission being missional 3 Social justice and social change over time in the biblical setting This book reveals the continuity of the Old and New Testaments in the development of these three major themes over millenniums of time in the unfolding biblical story of God's creation tough love and redemption of the social order It presents biblical faith as a providentially guided process in the community of faith resulting in global social change that can be observed and described as yeast in bread or seeds in soil as Jesus taught

Abraham Shaul Bar, 2025-08-08 Was Abraham a real historical figure or is he a figment of the imagination a product of a literary tradition Abraham is not mentioned in any of the extra biblical documents from the third

and second millennia BCE This led scholars to the conclusion that many details in the book of Genesis are fiction that project later romantic ideals and faith The stories describe an imaginary past that were created to fulfill political needs of a later period Is there validity to these assertions or are these stories about Abraham firmly based in history The author surveys epigraphic and archeological material that includes names of nations people sites as well as legal and social customs to find the historical and ethnic background of these stories The study provides provocative and useful insights into the life and image of the patriarch Abraham and his period

Knowing God through Journey and Pilgrimage Seung Yeal

Lee,2011-04-01 The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New Testaments To follow Jesus journey to Jerusalem on the three feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus self understanding and his teaching
