## Of Genesis Chapters 1 17:

*The Book of Genesis, Chapters 1-17* Victor P. Hamilton, 1990-10-31 Hamilton's study on the first 17 chapters of the Book of Genesis is part of The New International Commentary on the Old Testament Like its companion series on the New Testament this commentary devotes considerable care to achieving a balance between technical information and homiletic devotional interpretation From Abram to Abraham From Shekinah to Daughter of Faith Martin Jones, 2017-12-08 **The Transmission of the Pentateuch** Hila Dayfani, 2023-09-05 The volume focuses on variants between the Masoretic Text and the Samaritan Pentateuch prompted by graphic similarities between letters As a phenomenon that occurs during the transmission of ancient texts an in depth study of the linguistic and paleographic background of these variants provides fruitful ground for the exploration of the Pentateuch transmission This volume gathers all the relevant variants from the Masoretic Text and the Samaritan Pentateuch comparing them to further witnesses primarily the Dead Sea Scrolls and the Septuagint Each case is examined independently through a linguistic analysis of the variants their process of development and an evaluation of which version is preferable when possible It then presents a statistical analysis of the data Moreover the volume offers a paleographic analysis of the interchanging letters in the three relevant scripts Hebrew Jewish and Samaritan script Through this process it determines the script in which the variants have occurred and estimates the chronological framework of the variants This study has implications for the textual history of the Samaritan Pentateuch and more broadly for the distribution of the Pentateuch and the extent of its transmission in the late Second Temple period *Sanctified Sexuality* Sandra Glahn, C. Gary Barnes, 2020-09-22 Expert biblical and practical advice for handling today's most challenging sexual issues Although modern culture constantly changes its views on sexuality God's design for sexuality remains the same Bringing together twenty five expert contributors in relevant fields of study Gary Barnes and Sandra Glahn address the most important and controversial areas of sexuality that Christians face today From a scriptural perspective and with an irenic tone the contributors address issues such as The theology of the human body Male and female in the Genesis creation accounts Abortion Celibacy Sexuality in marriage Contraception Infertility Cohabitation Divorce and remarriage Same sex attraction Gender dysphoria An ideal handbook for pastors counselors instructors and students Sanctified Sexuality provides solid answers and prudent advice for the many questions Christians encounter on a daily basis *Faith and Feminism* Barbara Diane Lipsett, Phyllis Trible, 2014-01-01 Faith and Feminism unlocks storehouses of words old and new The subtitle Ecumenical Essays indicates that these words these tongues belong to women of faith around the world women who speak in diverse settings and situations Though all the contributors claim the noun feminism their developments of it range widely To present their testimonies and engage the results marks the purpose of this book Where dissonance and harmony intersect among writers there readers confront choices which in turn become their own testimonies from Chapter 1 **Abraham** Shaul Bar, 2025-08-08 Was Abraham a real historical figure or is he a figment of the imagination a product of a literary

tradition Abraham is not mentioned in any of the extra biblical documents from the third and second millennia BCE This led scholars to the conclusion that many details in the book of Genesis are fiction that project later romantic ideals and faith The stories describe an imaginary past that were created to fulfill political needs of a later period Is there validity to these assertions or are these stories about Abraham firmly based in history The author surveys epigraphic and archeological material that includes names of nations people sites as well as legal and social customs to find the historical and ethnic background of these stories The study provides provocative and useful insights into the life and image of the patriarch Abraham and his period

**The Legislative Themes of Centralization** Jeffrey G. Audirsch, 2014-08-12 The centralization of the cult mandate in Deuteronomy has captivated scholars for over two centuries Related to this mandate are five legislative themes abrogation of idolatry tithing the Israelite festival calendar judiciary officials and the priesthood Collectively these themes are interwoven into the Deuteronomic social political and religious infrastructure Interpreted through an exilic lens this study examines the themes through the relevant literary strata in the Enneateuch In doing so the themes are identified as playing an instrumental role in the demise of the divided monarchy It is through the demise of the divided monarchy that the book of Deuteronomy especially the centralization mandate takes on a new meaning a utopian desire Thus the rhetorical strategy of centralization once contrived to unify and purify the cult actually leads to failure and serves as motivation for reform during the exilic period

weight across diverse areas of theological and ethical consideration This edited volume offers a clear understanding of the tradition s growth and development over 130 years equipping scholars and students of theology to engage the pressing questions of our time

*God the Creator* Ben C. Ollenburger,2023-04-18 Christians today are focused on two important creation topics how the world came to be and how we should care for it A highly respected Old Testament theologian recommends that before discussing these questions we focus on God the Creator and God s ongoing work in creation We should explore what the Bible tells us and let the text set the agenda for our reflections Combining his storytelling gift with rigorous biblical exegesis and deep reflection Ben Ollenburger describes the action of God the Creator as presented throughout the Old Testament He shows how creation is about more than origins It is about God acting against the hostile forces of chaos that can be historical political and military About how God created a well ordered world and how human transgression ruptures God s relationship with humans and threatens creation About how God responds as Creator to those threats by disturbing and reordering the disorder bringing about what God intended a world ordered in the social political and natural realms that is characterized by the justice righteousness and peace required for human flourishing

**The Body God Gives** Robert S. Smith,2025-02-19 What is the relationship between sex and gender Understand society s shifts in thinking and talking about sex and gender Discover how biological sex guides gender Recognize how the Bible speaks to gender and transgender Respond to affirming interpretations of Scripture Answer gender confusion with clarity and compassion In *The Body God Gives* A Biblical Response to Transgender Theory Robert S Smith argues that God intends a person s gender to be grounded in the reality of his or her biological sex the body God has given In making his case Smith critiques the central claim of transgender theory that the sexed body does not determine the gendered self He also evaluates contemporary changes in thought and speech about sex and gender responding to modern confusion with biblical conviction and compassion God speaks clearly both in his word and in his world

**The 'Spiritual Death' of Jesus** William Atkinson,2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity

*The Greatest of All the Prophets* Russell R. Standish,Colin D. Standish,2004

**Mothers as the Image of God** Juliann Bullock,2022-12-12 Is God a man If God is our Heavenly Father does that require God to be male Does the Bible ever describe God as a mother as well as a father If human fathers can show us what God is like can we see God s image in our mothers too How do women uniquely reveal the nature of the One who created both male and female in the image of God *Mothers as the Image of God* explores answers to these important questions along with many others This book guides the reader on a series of biblical reflections designed to help both men and women experience the motherly love of God revealed in Scripture and to nourish women with the deep confidence that the most feminine aspects of their nature are a profound reflection of the very image of

God an image that is exquisitely displayed through mothering whether that takes place biologically through adoption or by pouring into spiritual children      *How God Forms Abraham to Be a Blessing* Qiang Fu,2023-02-22 This book aims to understand God's interactions with Abraham in relation to God's command that Abraham be a blessing Gen 12 2d which is directly tied to God's goal that in you all the families of the earth will be blessed Gen 12 3b The book proposes a formative narrative approach to examine interactions between character and plot the movement of plot and the connection between sequential plots An analysis of thirteen Abrahamic narratives Gen 12 22 suggests a classification based on four different types of interactions between God and Abraham which indicate how cooperation and conflict between God and Abraham advance the narrative's plot The book then proposes a narrative discourse analysis to examine how Abraham evolved through different stages of the narrative by moving from deviation to cooperation Detailed analysis of this transformation process reveals three turning points in Abraham's life The formative narrative approach and narrative discourse analysis proposed in this book can contribute to the analysis of two important aspects of Old Testament narratives the formation of plot and the cause and effect structure in narrative discourse      **God at War** Gregory A. Boyd,1997-09-12 Modern Christians are often baffled by the problem of evil frequently attributing pain and suffering to some mysterious good purposes of God Gregory Boyd instead declares that biblical writers did not try to intellectually understand evil but rather grappled to overcome it

**The Devil Wins** Dallas G. Denery,2016-09-13 A bold retelling of the history of lying in medieval and early modern Europe Is it ever acceptable to lie This question plays a surprisingly important role in the story of Europe's transition from medieval to modern society According to many historians Europe became modern when Europeans began to lie that is when they began to argue that it is sometimes acceptable to lie This popular account offers a clear trajectory of historical progression from a medieval world of faith in which every lie is sinful to a more worldly early modern society in which lying becomes a permissible strategy for self defense and self advancement Unfortunately this story is wrong For medieval and early modern Christians the problem of the lie was the problem of human existence itself To ask Is it ever acceptable to lie was to ask how we as sinners should live in a fallen world As it turns out the answer to that question depended on who did the asking The Devil Wins uncovers the complicated history of lying from the early days of the Catholic Church to the Enlightenment revealing the diversity of attitudes about lying by considering the question from the perspectives of five representative voices the Devil God theologians courtiers and women Examining works by Augustine Bonaventure Martin Luther Madeleine de Scud ry Jean Jacques Rousseau and a host of others Dallas G Denery II shows how the lie long thought to be the source of worldly corruption eventually became the very basis of social cohesion and peace      *From Glory to Glory* Abraham Kuruvilla,2025-05-15 Spiritual formation is critical for the Christian And preaching is effectively spiritual formation from the pulpit seeking to bring to bear the thrust of a portion of Scripture upon the lives of believers However the careful integration of the divine call for holiness with the concrete processes of transformation in response to that call remains a

challenge How does the former lead to the latter to culminate in Christlikeness This book fills that gap as it shows the unnatural supernatural journey from the glory of creation to the glory of redeemed humanity Abraham Kuruvilla informs and equips pastors preachers and church leaders to focus on God's work to overcome the sinful flesh in humanity through the agency of the Spirit and through the Spirit's product Scripture These are the ways that God brings His people from glory to ever increasing glory This is not a model or plan of action but rather an invitation towards being conformed to Christlikeness

The Spirit in Romans 8 Marcin Kowalski, 2023-12-04 Kowalski addresses the Pauline understanding of the Spirit in Romans 8 as compared to the Stoic idea of pneuma The author first analyzes the Stoic views on pneuma perceived in a variety of life giving cognitive ethical unifying reproductive and inspiring functions The aforementioned features are taken as a starting point for the comparison with Paul to which however the third element is added the Jewish texts of the Second Temple period These include the Old Testament but also The Book of Enoch The Book of Jubilees Qumran The Testaments of the Twelve Patriarchs The Psalms of Solomon Philo of Alexandria Flavius Josephus LAB Joseph and Aseneth 4 Book of Ezra and 2 Book of Baruch Such a rich comparative material contributes to the novelty of the book and enables the reader to discover both the similarities and differences between Paul Greco Roman and Jewish authors The study analyzes Romans 8 in its rhetorical context and brings to light the novelty of the Pauline view of the Spirit The apostle portrays it in its primary cognitive ethical and communitarian function of making the believers similar to Christ and inculcating in them the Lord's mindset and attitudes Paul presents the Spirit as dwelling within a person similarly to God inhabiting the Jerusalem temple and as the mediator of the resurrected life In the original Pauline take the Spirit enables a close union between God and human beings in which the latter keep their freedom and distinctive personal traits **The Message of Humanity** Ian W.

Payne, 2025-02-20 Who do humans think they are A cacophony of answers in the face of global challenges like climate change artificial intelligence racism nationalism terrorism feminism abortion gene therapy gender constructivism shows we do not agree To a deeply divided despondent world the Bible speaks today about the human condition and destiny by pointing us to Jesus Christ the true human the image of God Ian Payne's conviction is that the most important answer to the question of humanity is God He expounds a comprehensive selection of Old and New Testament passages and examines a range of issues in being human today The book is structured in three parts following the biblical narrative Part 1 Created in the image of God Part 2 Image of God renewed in Christ Part 3 Issues in being human This biblical theology shows that hope and meaning for humans are found in remembering and trusting God's gift of life and goal of redemption and restoration With an integrated study guide this book is perfect for personal and group study and preachers application of the passages covered
