Of Jewish Values:

The Book of Jewish Values Louis Jacobs, 1969 **Jewish Values from Alef to Tav** Joel Lurie Grishaver, 2005 A value story for every letter of the hebrew alphabet The 24 booklets contain 24 letters and each with a different story about a Jewish value Shabbat and kindness faith and tzedakah are among the concepts covered Target population preschool fourth grade students

Jewish Values Louis Jacobs, 2008-11-04 What does it mean to trust in God How can man love God If timidity is unwholesome why does Scripture speak of the fear of God When should a lie be told What ought to be our attitude to warfare Of what relevance is the ideal of holiness to men and women of this age How can pride be conquered Can a man love his neighbor as himself In Jewish Values these and many other ethical and religious questions are considered in the light of Jewish teachings It is the author s thesis that a gap exists between traditional views as presented in the classic sources of Judaism and their application in the lives of our contemporaries but he is convinced that this gap can be bridged This book is a contribution to the building of such a bridge or at least as the author suggests it is a surveyor s plan of part of the work to be done

The Book of Jewish Values Rabbi Joseph Telushkin, 2000-02-22 Rabbi Joseph Telushkin combed the Bible the Talmud and the whole spectrum of Judaism s sacred writings to give us a manual on how to lead a decent kind and honest life in a morally complicated world An absolutely superb book the most practical most comprehensive guide to Jewish values I know Rabbi Harold Kushner author of When Bad Things Happen to Good People Telushkin speaks to the major ethical issues of our time issues that have of course been around since the beginning He offers one or two pages a day of pithy wise and easily accessible teachings designed to be put into immediate practice The range of the book is as broad as life itself The first trait to seek in a spouse Day 17 When if ever lying is permitted Days 71 73 Why acting cheerfully is a requirement not a choice Day 39 What children don t owe their parents Day 128 Whether Jews should donate their organs Day 290 An effective but expensive technique for curbing your anger Day 156 How to raise truthful children Day 298 What purchases are always forbidden Day 3 In addition Telushkin raises issues with ethical implications that may surprise you such as the need to tip those whom you don t see Day 109 the right thing to do when you hear an ambulance siren Day 1 and why wasting time is a sin Day 15 Whether he is telling us what Jewish tradition has to say about insider trading or about the relationship between employers and employees he provides fresh inspiration and clear guidance for every day of our lives

When a Jew Seeks Wisdom Seymour Rossel, Hyman Chanover, Chaim Stern, 1975 An examination of Jewish tradition and values using as a basis Pirke Avot the teachings of rabbis who lived from 300 B C E to 200 C E

Internet Popular Culture and Jewish Values Lawrence H. Sherlick, Junhao Hong, 2008 Are the values of students and their teachers threatened each time they enter the uncharted waters of the Internet s popular culture content The Internet has indeed come of age and as was the case with traditional mass media the Internet has been increasingly examined for its positive and negative effects particularly on children What triggered the present study was a newspaper article that described a ban on computers and the Internet

imposed in October 1999 on its followers by the Belz Hasidic an Israeli Ultra Orthodox or Haredi religious sect This edict was also endorsed by 30 leading Ultra Orthodox rabbis from various other religious communities in Israel Explaining that this original prohibition against computers and the Internet was later revised to permit computer use but continue the ban on Internet access the article noted the Belz Hasidic sect determined that computers have proved valuable in teaching the Bible and in running businesses The Internet however was declared out of bounds largely because the information it exposed conflicted with Ultra Orthodox principles rejecting modernity popular culture and especially its proliferation of links to pornographic sites This study examines the convergence of religion elementary education Internet technology and popular culture messages within Jewish elementary school classrooms in Israel This research examines the methods used by Israeli computer coordinators to manage the convergence of Jewish or humanistic values with potentially conflicting Internet generated popular culture messages It asks what values whether Jewish values or human values at the core of the Jewish educator s belief system are important to transmit to their students It questions what types of popular culture messages carried by the Internet conflict with these values More importantly this study surveys how educators and students evaluate these conflicting messages in relation to the values they hold and the manner in which these conflicts are managed This is an important book for those in communication education Jewish studies and sociology of religion

Society and Beyond this book shows how this integrationist approach can deepen our understanding and generate new insights around pressing social challenges to impact positive change in the lives of people and communities **Lively Legends--Jewish Values** Miriam P. Feinberg,1993 Although intended for teachers this is also a great book for families to use with young children because each section focuses on a different Jewish value and includes a story along with a craft and game ideas this book also comes in handy for play groups or on rainy days Who Stole My Religion?: Revitalizing Judaism and Applying Jewish Values to Help Heal Our Imperiled Planet Richard H. Schwartz,2012-02-01 In the five decades since Richard Schwartz first became a religious Jew he has watched the mainstream Jewish community shift more and more to the Right often abandoning the very values that originally attracted him to Orthodox Judaism In this soul searching book Schwartz examines the ways in which he believes his religion has been stolen by partisan politics and offers practical suggestions for how to get Judaism back on track as a faith based on peace and compassion Tackling such diverse issues as U S politics Israeli peace issues the misuse of the Holocaust antisemitism U S foreign policy Islamophobia socialism vegetarianism environmentalism Schwartz goes where many Jews fear to go and challenges us to re think current issues in the light of positive Jewish values With photos notes action ideas resource lists and annotated bibliography Also includes appendix materials with Rabbi Yonassan Gershom **The Rise and Fall of Jewish American Literature** Benjamin Schreier,2020-10-16 Benjamin Schreier argues that Jewish American literature s dominant cliché of breakthrough that is the irruption into the heart of the American cultural scene during the 1950s of Jewish American writers like Bernard Malamud Philip Roth Saul Bellow and Grace Paley must also be seen as the critically originary moment of Jewish American literary study According to Schreier this is the primal scene of the Jewish American literary field the point that the field cannot avoid repeating and replaying in instantiating itself as the more or less formalized academic study of Jewish American literature More than sixty years later the field s legibility the very condition of its possibility remains overwhelmingly grounded in a reliance on this single ethnological narrative In a polemic against what he sees as the unexamined foundations and stagnant state of the field Schreier interrogates a series of professionally powerful assumptions about Jewish American literary history how they came into being and how they hardened into cliché He offers a critical genealogy of breakthrough and other narratives through which Jewish Studies has asserted its compelling self evidence not simply under the banner of the historical realities Jewish Studies claims to represent but more fundamentally for the intellectual and institutional structures through which it produces these representations He shows how a historicist scholarly narrative quickly consolidated and became hegemonic in part because of its double articulation of a particular American subject and of a transnational historiography that categorically identified that subject as Jewish The ethnological grounding of the Jewish American literary field is no longer tenable Schreier asserts in an argument with broad implications for the reconceptualization of Jewish and other identity based ethnic studies Varieties Of Jewish Happiness Joseph Heartland,2022-08-01 Varieties of Jewish

Happiness uses an ancient Jewish wedding blessing and biblical sources as the vehicles to understand what kindles feelings of Happiness in us and how these feelings can be experienced within marriage The task can be compared to holding a gemstone up to the light and examining it from various angles neuroscience history and language are just some of the observational tools used to examine these complex subjects Marriage is a doubly complex phenomenon because it intertwines two already very complex entities the marriage partners But as described in Varieties of Jewish Happiness among its advantages marriage can provide individuals with relative stability in a world that is anything but stable If we are smart and lucky we can gain not only stability but a partner who can provide a lifetime of insights smiles eye contact humor backrubs and safety The most common alternative to marriage like arrangements is living alone which requires far less energy expenditure but produces unwanted and even strange mental states that strongly suggest that we were not designed to live that way Yes we have to fight to maintain our unions through compromises and self denial But through our efforts we acquire some merit by supplying a model of stability to and for our children In this way we may say to ourselves that we have done our part in sustaining human existence on earth where frankly our presence is not a given unless we properly apply ourselves to the task

Studying the Jewish Future Calvin Goldscheider, 2011-10-01 Studying the Jewish Future explores the power of Jewish culture and assesses the perceived threats to the coherence and size of Jewish communities in the United States Europe and Israel In an unconventional and provocative argument Calvin Goldscheider departs from the limiting vision of the demographic projections that have shaped predictions about the health and future of Jewish communities and asserts that the quality of Jewish life has become the key to the future of Jewish communities Through the lens of individual biographies Goldscheider shows how context shapes Jewish senses of the future and how conceptions of the future are shaped and altered by life experiences Goldscheider's distinctive comparative approach includes a critical review of population issues a consideration of biographies as a basis for understanding Jewish values and an analysis of biblical texts for studying contemporary values He combines demographic and sociological analyses in historical and comparative perspectives to dispel the notion that quantitative issues are at the heart of the challenge of Jewish continuity in the future Numbers are clearly the building blocks of community But the interpretations of these demographic issues are often confusing and biased by ideological preconceptions As a basis for studying the core themes of the Jewish future hard facts are less hard and less factual than interpreters have made them out to be Population projections are limited by the vision of those who prepare

them Goldscheider concludes that the futures of Jewish communities in America Europe and Israel are much more secure than has been presented in most scholarly and popular publications and discussions about the Jewish future should shift to other patterns of distinctiveness This book will appeal to the general Jewish reader as well as to social scientists and modern Jewish historians It is appropriate for Jewish studies courses particularly but not exclusively those focusing on Jews in the United States the American Jewish community and modern Jewish society and in courses on ethnicity multiculturalism cultural diversity and ethnic relations **Ethical Dilemmas in Jewish Communal Service** Norman Linzer,1996
