Of Psalmss 4 5 Psalms 90 150:

Wisdom Commentary: Psalms Books 4-5 Nancy L. deClaissé-Walford, 2020-10-15 In this close reading of Psalms 90 150 Nancy L deClaiss Walford discovers meanings in the Psalms that were there all along but hidden beneath layers of interpretation built up over the centuries Approaching the canonical storyline of the Psalter with feminist critical lenses she reads against the dominant mind set refuses to accept the givens and seeks to uncover a hidden alternate parallel set of societal norms DeClaiss Walford attends to how context affects the way hearers appropriate the Psalter s words women for the most part hear differently than men women of privilege differently than women living in poverty Her interchanges with students and scholars in post apartheid South Africa bring the biblical text alive in new ways for today s believers **The Psalter, Or Psalms of David, in English Verse** Benjamin Hall Kennedy, 1876 [The Dead Sea Scrolls and Contemporary Culture](#) Adolfo D. Roitman, Lawrence H. Schiffman, Shani Tzoref, 2011-03-21 This volume contains the proceedings of the international conference held at the Israel Museum in Jerusalem in July 2008 in honor of the 60th anniversary of the discovery of the Dead Sea Scrolls [The Destiny of the Righteous in the Psalms](#), [Show Me Your Glory](#) Rebecca G. S. Idestrom, 2023-02-10 What does Scripture mean when it speaks of the glory of God The answer to this question is not as straightforward as we might think In [Show Me Your Glory](#) Rebecca Idestrom invites the reader on a journey to discover what the Old Testament teaches us about God s glory While exploring this biblical theme she examines various scriptural passages about the glory of the LORD within their larger narrative context in each biblical book She also considers the different key words used for glory as well as the many diverse images and themes connected to God s glory This thematic investigation demonstrates that the Old Testament Scriptures present a deeply profound and multifaceted portrait of the glory of God Although it is impossible to fully capture what the Bible says about God s majestic glory [Show Me Your Glory](#) yields many wonderful insights into its depiction meaning and significance resulting in a deep and rich biblical theology of divine glory

The Multinational Kingdom in Isaiah Andrew H. Kim, 2020-09-24 The kingdom of God functions as a key theme that clarifies the direction of redemptive history The canonical narrative portrays God s dealing with humanity on both individual and corporate levels Throughout the history of the church many have claimed that national Israel is best read as a type of an eschatological consummation of individuals drawn from all nations However does the direction of redemptive history consummate with a redemption of individuals or does it include national entities Do the promises to national Israel become fulfilled typologically through a singular corporate reality or in a multinational kingdom which includes national Israel In *The Multinational Kingdom in Isaiah* Andrew H Kim addresses arguments from those who claim that Isaiah serves as a turning point in which national distinctions are erased in the eschatological kingdom Kim argues that Isaiah envisions a multinational kingdom comprised of Israelites and gentiles with national and territorial distinctions

Like Mount Zion Wen-Pin Leow, 2024-03-11 Critical spatial approaches particularly those informed by the scholarship of Lefebvre Foucault and Soja have significantly impacted biblical scholarship over the last twenty years However these spatial approaches have been limited due to the methodological challenges inherent in transposing the social scientific approaches of the aforementioned scholars to the task of biblical interpretation This volume adapts conceptual metaphor theory as a methodological bridge to address such constraints The first half of the

volume begins by surveying the field of critical spatiality in biblical studies arguing for the need for fresh methodological development Thereafter the volume delineates a particular critical spatial approach inspired by Lefebvre and Foucault for which conceptual metaphor theory is proposed as a methodological bridge The second half of the volume begins by proposing the Psalms of Ascents as a case study upon which the method could be applied It is then argued that the proposed method if efficacious should provide insight on corpus Zion theology and its so called pilgrimage character Using the proposed method in conjunction with conventional historical grammatical tools of poetic analysis each psalm is analysed with regard to its metaphor and spatiality The volume concludes that the case study demonstrates the efficacy of the proposed methods by allowing a rich reading of each psalm especially by explicating the spatial narratives and or spatial metaphorical conceptualisations that underlie each text and providing fresh insight on the collection as a whole This volume has been awarded the 2024 Rev Dr Lien Hwa Chow Memorial Foundation s Outstanding Theological Research Book Award This award is to recognize and promote outstanding theological research and publications by Chinese scholars The Formation of the 'Book' of Psalms David Willgren,2016-09-30 By conceptualizing the Book of Psalms as an anthology and by inquiring into its poetics by means of paratextuality David Willgren provides a fresh reconstruction of its formation and concludes that it preserves a selection of psalms that is best seen not as a book of psalms but as a canon of psalms back of book **On Wings of Prayer** Nuria Calduch-Benages,Michael W. Duggan,Dalia Marx,2019-07-22 The contributors and editors dedicate this volume of research to Professor Stefan C Reif on the occasion of his 75th birthday Together these twenty papers reflect our appreciation for his exemplary scholarship and lifelong commitment to acquaint our world with the theological and cultural riches of Jewish Studies This collection reflects the breadth of Prof Reif s interests insofar as it is a combination of Second Temple studies and Jewish studies on the roots of Jewish prayer and liturgy which is his main field of expertise Contributions on biblical and second temple studies cover Amos Ben Sira Esther 2 Maccabees Judith Wisdom Qumran Psalms and James Contributions on Jewish studies cover nuptial and benedictions after meals Adon Olam Passover Seder Amidah the Medieval Palestinian Tefillat ha Shir and other aspects of rabbinic liturgy Moreover the regional diversity of scholars from Israel continental Europe the United Kingdom Ireland and North America mirrors Stefan s travels as a lecturer and the reach of his publications The volume includes a foreword of appreciation and a bibliographic list of Professor Reif s works **The whole book of Psalms, in metre [in the version of N. Tate and N. Brady] with hymns** ,1816 **Remember, O Yahweh** Jay Todd,2015-09-01 One of the major shifts in OT studies over the past half of a century has been the move away from studies dominated by diachronic matters toward more text immanent synchronic approaches In Psalter studies one can see such a shift on two levels First on the level of the individual psalm there has been a general trend to focus on the literary and linguistic features as the proper means for discerning the meaning of the poem Second on the level of the Psalter as a whole scholars have devoted significant attention to its canonical shape and the role of adjacent psalms in the interpretation of each

individual psalm In Remember O Yahweh Todd approaches Psalms 135 137 on both of these levels After a detailed poetic analysis of each psalm he proposes that Psalms 135 137 serve as a bridge between the Songs of Ascents Pss 120 134 and the Last Davidic Psalter Pss 138 145 As such this group highlights Yahweh s past acts of deliverance as the basis for the post exilic community s prayer for Yahweh to remember his people s lowly condition For Us, but Not to Us Adam E. Miglio, Caryn A. Reeder, Joshua T. Walton, Kenneth C. Way, 2020-10-02 John H Walton is a significant voice in Old Testament studies who has influenced many scholars in this field as well as others This volume is an acknowledgment from his students of Walton s role as a teacher scholar and mentor Each essay is offered by scholars and former students working in a range of fields from Old and New Testament studies to archaeology and theology They are offered as a testimony and tribute to Walton s prolific career **The Book of Common Prayer** Episcopal Church, 1817 **The Psalms Chronologically Arranged**, 1870 Judaism in Late Antiquity 5. The Judaism of Qumran: A Systemic Reading of the Dead Sea Scrolls Alan Avery-Peck, Jacob Neusner, Bruce D. Chilton, 2015-11-02 The authors have asked of the documents of the Dead Sea Library found at Qumran a simple question how does each participate in a single Judaic religious system They propose a reading of the Scrolls from the hypothesis that all of them in one way or another rest upon one authoritative Judaism Their analysis of the Dead Sea Scrolls describes how diverse writings hold together to make a single coherent statement to stand for a religious system possessed of integrity and wisdom This account of the world view of Judaism covers principal questions addressed to any Judaic religious system the doctrine of God the Torah and matters of history wisdom and mysticism When it comes to the way of life they include the evidence of the material culture of the community as well as practical matters of religious conduct How the community s world view comes to realization is suggested by its treatment of the calendar by its provision of laws that concern women by questions of cultic and secular purity by its piety and forms of worship and views of Temple sacrifice and the like Finally with the community s definition of Israel and of itself in relationship to Israel inclusive of Israelites excluded from this Israel an account is gained of the theory of who and what is Israel that animates the particular Judaism represented in these writings
