Of Revelation:

A Critical Examination of the Doctrine of Revelation in Evangelical Theology Carisa A. Ash, 2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash s study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward

The Book of Revelation Leonard L. Thompson, 1997-02-13 About seventy years after the death of Jesus John of Patmos sent visionary messages to Christians in seven cities of western Asia Minor These messages would eventually become part of the New Testament canon as The Book of Revelation What was John s message What was its literary form Did he write to a persecuted minority or to Christians enjoying the social and material benefits of the Roman Empire In search of answers to these penetrating questions Thompson critically examines the language literature history and social setting of the Book of the Apocalypse Following a discussion of the importance of the genre apocalypse he closely analyzes the form and structure of the Revelation its narrative and metaphoric unity the world created through John s visions and the social conditions of the empire in which John wrote He offers an unprecedented interpretation of the role of boundaries in Revelation a reassessment of the reign of the Emperor Domitian and a view of tribulation that integrates the literary vision of Revelation with the reality of the lives of ordinary people in a Roman province Throughout his study Thompson argues that the language of Revelation joins the ordinary to the extra ordinary earth to heaven and local conditions to supra human processes

Understanding the Book of Revelation: The Mystery of the Book of Revelation is Finally Revealed Ph. D. Donald E. Mbosowo, Professor Donald E. Mbosowo, 2010-09

This book is about the truth revealed from the mystery hidden in the Book of Revelation. The Book of Revelation is about the missing information revealed to John because there was no record in the Bible about what happened to the perfect creation in Genesis 1:1. There was no record about Adam created by the I AM as the first God and his generations before this present world. The Bible has not recorded the lineage of Jesus from the I AM in order to present to the world who is Jesus. This is the truth that must be known. The Book of Revelation had been misunderstood because of the political interpretation of its images. In John 8:32 Jesus says, "And you shall know the truth and the truth shall make you free." Here the truth refers to Jesus who has power to set humanity free from the bondage of the God of this world. Jesus declares in John 14:6 that He is the Truth. After the gospel had been preached for thousands of years, humanity is still in captivity of the God of this world. Many people keep asking why a good God can allow these types of suffering. This shows that Jesus the Truth is not yet known. Confessing Jesus as a Savior is different from knowing Him. This has been done for thousands of years and the world is getting worst. When Jesus the Truth is known, He will set humanity free from this spiritual enslavement. The revealed truth from the mystery in the Book of Revelation presented here is a divine journey toward knowing Jesus the Truth. I encourage everyone to read this book.

Life-study of Revelation Witness Lee, 2023-09-27

The book of Revelation firstly reveals Christ 1:1 and secondly the testimony of Jesus 1:2. In other words, this book is concerned with Christ and the church. In Revelation, Christ and the church are revealed in a unique and particular way. Several aspects of Christ such as the vision of Him as the High Priest in the midst of the churches caring for them in love yet with a judging attitude 1:13-16, the vision of Him as the Lion Lamb in the midst of God's throne and of the four living creatures and in the midst of the 24 elders of the universe opening the seven seals of God's universal administration 5:1-6:1, and the vision of Him as Another Mighty Angel coming down from heaven to take possession of the earth 10:1-8:18. I have never been unveiled as they are in the book of Revelation. In this book, the revelation of Christ is unique and ultimate. In addition to this ultimate revelation of Christ, the book of Revelation also unveils many unique aspects of the church as the testimony of Jesus. The lampstands in chapter one, the great multitude of the redeemed in chapter seven, the bright woman with her man child in chapter 12, the harvest with its firstfruits in chapter 14, the overcomers on the sea of glass in chapter 15, the bride ready for marriage and the fighting army of Christ in chapter 19, and the New Jerusalem in chapters 21 and 22 are all the testimony of Jesus which is the Spirit, the substance, the disposition, and the characteristic of the prophecy in this book. 19:10

The central content of this book is an unveiling of God's economy concerning Christ and the church, presenting the ultimate and consummate revelation of Christ.
