Library of Congress

Of Scottish Pasquils 1568 To 1715 A:

A Book of Scottish Pasquils. 1568-1715 James Maidment, 1868 *The Navy and Anglo-Scottish Union, 1603-1707* Colin Helling, 2022 Examines the union of England and Scotland by weaving the navy into a political narrative of events between the regal union in 1603 and the parliamentary union in 1707 This book examines the union of England and Scotland by weaving the navy into a political narrative of events between the regal union in 1603 and the parliamentary union in 1707 For most of the century the Scottish crown had no separate naval force which made the Stuart monarchs navy seen by them as a personal not a state force unusual in being an institution which had a relationship with both kingdoms This did not necessarily make the navy a shared organisation as it continued to be financed from and based in England and was predominantly English Nevertheless the navy is an unusually good prism through which the nature of the regal union can be interrogated as English commanded ships interacted with Scottish authorities and as Scots looked to the navy for protection from foreign invaders such as the Dutch in the Forth in 1667 and for Scottish merchant ships trading with the Baltic and elsewhere These interactions were often harmonious but there were also many instances of tensions particularly in the 1690s The book illustrates both the ambiguous relationship between England and Scotland in the seventeenth century and also the navy s under appreciated role in creating the political union of Britain **Book Catalogues** ,1860 **Catalogue of the Library Collected by Sir Charles Tennant, Bart** Sir Charles Tennant, 1896 *'This Great Firebrand'* Leonie James, 2017 William Laud Archbishop of Canterbury 1633 45 remains one of the most controversial figures in British ecclesiastical and political history His rise to prominence under Charles I his contribution to the framing and implementation of highly contentious religious policies and his subsequent and catastrophic downfall remain central to our understanding of the coming of civil war This book presents Scotland as a case study for a fresh interpretation of Laud his career and his working partnership with Charles I This approach throws much needed light on the depth of Laud s engagement in kirk affairs and reveals the real reasons for his ostensible abandonment by the king in 1641 enabling a better understanding of Anglo Scottish politics in the early Long Parliament as well as developments connected to religion and the British Problem Importantly the book demonstrates that Laud s involvement in Scotland was broadly consistent with although differing in detail from his approach in England and Ireland It represents a major contribution to key debates on the nature of religion and politics in the 1630s and early 1640s and to current thinking on the role of Charles I and William Laud in the formulation of ecclesiastical policy the British problem and the causes of the British Civil Wars **Catalogue of Ancient and Modern Books** Sotheran, 1852 **Catalog of Books in the Library of the Solicitors in the Supreme Courts of Scotland** Society of Solicitors before the Supreme Courts of Scotland. Library, 1898 **A Catalogue of Books in the Library of the Solicitors in the Supreme Courts of Scotland** Society of Solicitors before the Supreme Courts of Scotland. (Scotland),1882 Contains it s Proceedings **History of the Berwickshire Naturalists' Club** Berwickshire Naturalists' Club (Scotland),1882 Contains it s Proceedings Book-prices current ,1891 History of the Berwickshire Naturalists' Club Berwickshire Naturalists' Club,1882 Sale-catalogues of Second-hand Books on Sale by Henry Sotheran & Co Sotheran, Henry and Co,1871 *Catalogue of the Library* Hispanic Society of America Library,1894 *Catalogue of the Library of the Reform Club* Reform Club (London, England). Library,1883 *A Catalogue of Books in the Library of the Society of Solicitors in the Supreme Courts of Scotland* Society of Solicitors before the Supreme Courts of Scotland. Library,1871 **The Memoirs of James, Marquis of Montrose, 1639-1650** George Wishart,1893 *Scottish Fairy Belief* Lizanne Henderson,Edward J. Cowan,2001 The authorities told folk what they ought to believe but what did they really believe Throughout Scottish history people have believed in fairies They were a part of everyday life as real as the sunrise and as incontrovertible as the existence of God While fairy belief was only a fragment of a much larger complex the implications of studying this belief tradition are potentially vast revealing some understanding of the worldview of the people of past centuries This book the first modern study of the subject examines the history and nature of fairy belief the major themes and motifs the demonising attack upon the tradition and the attempted reinstatement of the reality of fairies at the end of the seventeenth century as well as their place in ballads and in Scottish literature **Catalogues of Books for Sale by E.W. Stibbs** E. W. Stibbs,1841 **Catalogue of Recently Added Books, Library of Congress, 1873-75** Library of Congress,1876
