The Young Wireless Operator—With the U. S. Secret Service Lewis E. Theiss, 2022-07-21 It may interest readers of The Young Wireless Operator series to know that most of the happenings in these books are based upon actual occurrences Years ago as a reporter the author wrote for the New York Sun the stories of the auction of bled wool the cotton lined cabin the mystery of the wheat sacks and other accounts of the work of the United States Secret Service that appear in this present volume Although some of the characters in the book are of course fictitious others like Sheridan of the Secret Service are real characters who actually did the things they are portrayed as doing Of course names have been changed The practice of keeping notebooks and clippings that had to do with work the writer was engaged in has made all this material available for present use and brought it once more freshly to mind The descriptions of parts of New York and her wonderful waterways are written from intimate personal knowledge of the places described In effect therefore The Young Wireless Operator With the U S Secret Service is a true story
