*Among Herders of Inner Mongolia* Christel Braae,2017-10-20 This is a study of a unique collection of Inner Mongolian artifacts at the National Museum of Denmark They are described analyzed and presented in a catalogue of more than 800 items documenting the daily life of pastoral society in and around the tent in the herding of the animals in caravan trade and in hunting crafts sports and games and in ritual life Information about the objects was obtained during two expeditions to Inner Mongolia in the 1930s led by the Danish author Henning Haslund Christensen who had many years experience of travel and expedition life in Mongolia This is also a detailed account of the expeditions of the routes means and measures as well as the worries and hopes of the participants of their struggles with scientific aspirations and of the conditions for collecting against the backdrop of the Chinese civil war and the Japanese occupation The First and Second Danish Expeditions to Central Asia took place in 1936 1937 and 1938 1939 respectively These expeditions were the sole foreign parties with access to the area at the time and

therefore their members were among the few observers of Inner Mongolian pastoral society at a time and place for which information was and still is scant and fragmented Hence the material objects and data obtained are of great scientific importance in the documentation of the life and material culture of Inner Mongolian herders in the 1930s the main subject of the present book

**The Dragons of Tarnack** Heath Buckmaster,2008-08-22 Carrina and Flame were arguing in the library Flame wanted to set up the portal near the fireplace so it would appear as though the visitors had just stepped out of the flame He thought it would make for great humour since his name was Flame Carrina however was trying to be more practical Darling what would happen if they travelled here and accidentally stepped right into the fireplace Do we really want the inaugural visit of the King and Queen of Acadia to end with them going up into flames The prince knew she was right But think of the excitement Unfortunately that was the only thing he could think of as a response Carrina stared at him a moment then moved the tall wooden pedestal away from the fireplace and into a safer corner of the room There was nothing on the pedestal yet but in a matter of hours a worn leather diary with a bronzed star would be laying open on top of it Of course no one would actually be reading the book they would be paying attention to the travellers who would be stepping out from it Carrina was about to create a permanent magical portal to the Kingdom of Acadia She knew it was only a matter of time before she learned how to return and visit their dear friends Venus and Grimelda That time had come two months ago when the princess remembered the connection between The Venus Diary and Underbrook It was one of two physical items that had existed in both kingdoms the other being a large boat docked in a marina on the source lake Carrina thought it would probably be more convenient to use the diary instead of the boat if they needed to travel quickly After their first visit back to Acadia Carrina and Grimelda agreed to establish a permanent portal between the kingdoms That way they could visit each other any time they wanted and it would allow Carrina s parents the King and Queen of Underbrook to establish a new royal relationship Flame sat down on a comfortable sofa near the fireplace as Carrina pushed the podium around the room She spent nearly ten minutes shifting the wooden stand back and forth until finally Flame grew impatient Carrina The podium is fine They will be here soon and we still have more preparation to do Just put it in the corner and be done with it Carrina sighed in frustration then stopped moving the podium and left the library She needed to get dressed in her royal gown and get back to the throne room before Venus and Grimelda arrived It was the first time her parents were going to meet the new King and Queen of Acadia They had been eager to meet them after Carrina and Flame told of their great adventure all because of a child s diary An alliance with another kingdom could be of great value to Underbrook so

King Reginald was eager to meet King Venus Carrina and Flame rushed down from their room both of them wrapped in fine royal gowns made from heavy cotton and gold threading They joined the king and queen in the throne room and then the four of them walked silently into the royal library The room was a fitting place for the portal since they would be using a book to make the magic happen Carrina stepped forward to the podium and placed her hand on the smooth wood surface She spoke softly not in an actual language but more in a thought and a hum She was calling on her power to create a connection to the diary A vibration formed in the air around the podium as the portal linked with the diary In the centre of the vibration a tiny light formed bright and white slowly expanding into the room The princess stepped back and joined her family as they watched the light expand into the vibration Almost like a doorway the light opened up and King Venus and Queen Grimelda of Acadia stepped through The Dragons of Tarnack is included in the Special Edition Collection of all three stories in The Magical Adventures of Princess Carrina *The White Dragon* Anne McCaffrey, 2025-04-01 NEW YORK TIMES BESTSELLER FINALIST FOR THE LOCUS AWARD The third novel in the legendary and magical series featuring dragons adventure romance and heroism from Hugo and Nebula Award winning author Anne McCaffrey one of my favorite authors of all time Brandon Sanderson Anne McCaffrey's Pern novels are truly foundational books it's hard to imagine the modern day landscape of fantasy and science fiction without them Naomi Novik author of the Temeraire series When Lessa chose a dragon over her birthright the hold she was to have inherited passed to Lord Jaxom instead But Jaxom then muddled generations of Pern tradition by impulsively impressing Ruth the small and singularly unique white dragon as a child From that moment on the debate has raged Is Jaxom now a dragonrider or a lord holder All anyone agrees on is that he cannot be both But perhaps it is all academic anyway for no one expects Ruth to survive But Ruth not only survives he thrives With Jaxom on the cusp of adulthood the thing the pair most desire is to fight Thread side by side with the larger dragons Jaxom knows what his dragon is capable of and now that he is mostly grown he is determined to buck tradition Fortunately a teenage rebellion may be the key to both Pern's salvation and winning the woman of his dreams Don't miss the original trilogy from Anne McCaffrey's beloved Dragonriders of Pern series DRAGONFLIGHT DRAGONQUEST THE WHITE DRAGON
