Stoogeology Peter Seely, Gail W. Pieper, 2007-05-15 In the world of slapstick comedy few are more beloved than the Three Stooges Throughout their 190 short films they consistently delivered physical verbal and situational comedy in new and creative ways Following the trio from outer space to ancient Rome this volume provides an in depth look at their comedy and its impact on twentieth century art culture and thought This analysis reveals new insights into the language literary structure politics race gender ethnicity and even psychology of the classic shorts It discusses the elements of surrealism within the Stooges films exploring the many ways in which they created their own reality regardless of time and space The portrayal of women and minorities and the role of the mistake in Stooges works are also addressed Moreover the book examines the impact that the Columbia Studios style and the austerity of its Short Subjects Department had on the work of the Three Stooges films that ironically have outlasted more costly and celebrated productions

The Three Stooges Michael Fleming,2013-07-31 More people today can name the members of the Three Stooges than can name three justices of the Supreme Court The Stooges are comedy icons whose enduring appeal and slapstick legacy have made them one of the most famous and beloved comedy troupes in the world Michael Fleming s The Three Stooges™ is the first complete authorized biography of the men who made pie fights part of our national cultural heritage A juggernaut of wise guys headlocks and unforgettable insults this book tells the whole history of the Stooges starting with their origins in the golden years of vaudeville when the boys from Brooklyn honed their craft Moe Curly and Shemp Howard were born Moses Jerome and Samuel Horwitz and were believed for many years to be the three least accomplished sons of their Lithuanian immigrant parents Ultimately of course the Three Stooges reinvented the rules of slapstick comedy never be caught unprepared in a pie fight never slap one wise guy in the face if you can slap three in a row and never underestimate the value of a good poke in the eye Signed in 1934 by Columbia Pictures to a renewable contract that had them making at least nine short films a year the Stooges learned firsthand about the sharks swimming through Hollywood s early waters And after nearly a quarter century of producing the short films for which the Stooges are so well known and loved the studio declined to renew their contract in 1954 and the pioneering pie throwing professionals lost their jobs Fittingly though Moe interviews with Stooze friends and families and a complete filmography with every woob woob and crashed society cocktail party lovingly detailed this book will be treasured by all Stoogedom
