rides home with her friends Kris Eric and Mia after an evening of celebration and ends up in a nightmare Two men in a pickup truck stalk them on the road reminding them of urban legends in ways that only amplify the growing tension The truck sideswipes them and they pull over where the two men subdue them with a gun and a tire iron One of the men announces that it s crazy time and a game of violence and murder begins Lily barely escapes with her life Months later she is still traumatized and her religious coworker Vince s attempt to comfort her with claims that everything happens for a reason only leads to a panic attack Her boss and the owner of the printing company where they work Burt who has always had feelings for her but has never acted on them offers more solace but he also shows her posters ordered by MFS a corporation with offices at the nearby 1500 Spring Street skyscraper posters that feature disturbing apocalyptic Biblical images coupled with bizarre motivational taglines Lily is agnostic Burt is an atheist and they re both amused and a little creeped out The small levity Lily finds vanishes when her family calls to tell her that her brother David has killed himself apparently part of a cluster suicide phenomenon that she and David had heard about on the news at a recent family gathering While she mourns Lily can t get the apocalyptic posters out of her head Soon she gets a new much larger dose of religious creepiness when a swarm of locusts invades her apartment Unsure about whether the affliction is real she calls Burt for help and waits for him outside During the wait a man attacks her She fights him off but is on the ground bleeding when Burt and other witnesses arrive The other witnesses seeing Burt a black man and Lily an injured white woman assume Burt is to blame and have him arrested Lily testifies to Burt s innocence but he nevertheless spends a night in jail where a cellmate kills himself part of another suicide cluster Meanwhile Lily has a vision of Kris Eric and Mia sounding less like themselves than like Biblical prophets warning her about opposing God The experience sparks an idea Lily begins to believe that she might be cursed and in high Biblical fashion the curse is affecting people around her too especially Burt whose business is destroyed by a break in leaving Lily and Burt jobless Lily adopts curse logic and looks for answers Burt though skeptical joins her They visit an extreme psychic Lily has an interview with a Satanist While searching for answers tragedies and traumas keep piling up Lily s family suffers more losses Lily and Burt witness a murder in Lily s bedroom as well as a suicide on the street and Lily experiences further financial catastrophe Lily concludes that her curse is reminiscent of the Book of Job God if He exists is out to get her and unlike the pious Job she decides that she s out to get God too Her Satanist advisor points her toward a freelancer in the world of dark deeds Tobias Centurion who performs a ritual that indicates Lily and Burt will find answers at 1500 Spring Street in the MFS corporation Armed with nothing but portents and vague advice Lily and Burt approach the skyscraper intending to face off with God s corporate cronies and possibly God Himself
