Create It With Wax And Plaster In An Evening In An Evening:

Create it with Wax & Plaster in an Evening Caroline Righton,1998 **As a Thief in the Night** R. Austin Freeman,2021-04-14 Harold Monkhouse is usually such an uncomplaining patient so when his brother Amos calls in one night what he doesn't expect is to see him at death's door. Suspicions aroused he demands an urgent second opinion. And when Harold is later found dead from arsenic poisoning Amos is left in no doubt that foul play is afoot. The inquiry begins and Barbara Monkhouse is soon singled out as the prime suspect. What ensues is a roller coaster ride into crime fiction at its best as the truth of the fateful night eludes even the best of detective minds. Could it be a simple case of wife poisoning husband or is it just possible that another shadowy figure stole into Harold's room as a thief in the night to rid the world of an innocent man. **So Shines the Night** T. L. Higley,2013 In a city teetering at the brink of anarchy Daria finds hope among people of The Way. She escaped a past of danger and found respite in beautiful Ephesus a trading center on the Aegean coast serving as tutor to Lucas the wealthy merchant who rescued her. But the darkness she fled has caught up with her. The high priests of Artemis once controlled the city but a group of sorcerers are gaining power. And a strange group who call themselves followers of The Way further threaten the equilibrium. As Daria investigates Lucas's exploits into the darker side of the city her life is endangered and she takes refuge in the strange group of believers. She's drawn to Paul and his friends even as she wrestles with their teachings. When authorities imprison Lucas for a brutal crime Daria wonders if even Paul's God can save him. Then she uncovers a shocking secret that could change everything. Lucas's fate her position in his household and the outcome of the tension between pagans and Christians. But only if she survives long enough to divulge what she knows. Meticulously researched spellbindingly written with luscious prose and compelling and complex characters. Create it with Wax, Clay & Plaster in an Evening Caroline Righton,1998 **Night & Demons** David Drake,2012-10-02 Here are weird stories set in the present along with alternative histories filled with gritty realism and exacting detail as well as an assortment of horrors and monsters. Most of all here are the tough heroes who throughout time master their own fears and face the very real terrors that haunt existence. Sometimes these heroes win a partial victory. Sometimes it's enough to go down fighting. Before Drake was a best selling author of military science fiction he was a prolific writer of horror and fantasy short fiction. Denkirch Drake's first sale is here and well as many stories set in the worlds of his fantasy novels. Ranks of Bronze Lord of the Isles and others. More than just a collection of stories Night Demons features extensive story notes that chronicle the development of one of science fiction's most popular writers and provide detailed snapshots of the larger than life editors publishers and writers with whom Drake has worked throughout his career. The Temple of Night at Schönau John A. Rice, 2006 Between 1796 and 1800 Baron Peter von Braun, a rich businessman and manager of Vienna's court theaters, transformed his estate at Schönau into an English style landscape park. Among several buildings with which he embellished his garden, the most remarkable and celebrated was the Temple of Night, a domed rotunda accessible only through a meandering rockwork grotto that led visitors to believe that their destination lay somewhere deep underground. A life-size statue of the goddess Night on a chariot pulled by two horses presided over the Temple, while from the dome, which depicted the night sky, came the sounds of a mechanical musical instrument that visitors likened to music of the spheres. Only the ruins of the Temple of Night survive, and it has received little scholarly attention. This book brings it back to life by assembling the many descriptions of it by early nineteenth-century eyewitnesses. Placing the Temple within the context of the eighteenth-century English landscape park and of Viennese culture in the fascinating period
