Campbell,2021 Moral Realities is the first comprehensive treatment of teachings and practices on medical care and ethics espoused by The Church of Jesus Christ of Latter day Saints LDS or Mormon It uses first person experiences to portray LDS perspectives on bioethical topics such as abortion genetic testing and enhancements in vitro fertilization medical assisted death medicinal marijuana neonatal intensive care organ donation preventive health care universal access to care and vaccinations The book provides an appendix of historically significant LDS ecclesiastical teachings and policies on medical health and moral issues making it a definitive educational and reference compilation Covenant Marriage in Comparative Perspective John Witte (Jr.),Eliza Ellison,2005-10-20 Covenant marriages requiring premarital counseling and tighter strictures on divorce have recently emerged in some American states At the same time the doctrine of covenant has reemerged in religious circles as a common way to map the spiritual dimensions of marriage Covenant Marriage in Comparative Perspective brings together eminent scholars from Jewish Orthodox Catholic Protestant and Islamic religious traditions as well as experts on American covenant marriage The introduction carries out an unprecedented comparison of contract and covenant in Jewish Christian and Muslim understandings of marriage The rest of the book elucidates various facets of marriage from the perspectives of both jurisprudence and religion producing an enlightening integrated picture of the legal and spiritual dimensions of marriage *Christianity and Ecological Theology* E. M. Conradie,2006-10-01 There has been a proliferation of publications in the field of Christian ecological theology over the last three decades or so These include a number of recent edited volumes each covering a range of topics and consolidating many of the emerging insights in ecological theology The call for Christian churches to respond to the environmental crisis has been reiterated numerous times in this vast corpus of literature also in South Africa **Nursing and Allied Health** Mr. Rohit Manglik,2024-07-30 A foundational text combining core nursing principles with content applicable to various allied health professions promoting interdisciplinary collaboration and holistic care The New Testament and Bioethics R. Dennis Macaleer,2014-01-01 Beauchamp and Childress s Principles of Biomedical Ethics is a well accepted approach to contemporary bioethics Those principles are based on what Beauchamp and Childress call the common morality This book employs New Testament theological themes to enhance the meaning of those principles of bioethics The primary New Testament text for this study is the twin commands from Jesus to love God and love one s neighbor The three theological themes developed from this study the image of God the covenant and the pursuit of healing are deeply embedded in the New Testament and in the ministry of Jesus Three contemporary bioethics principles are

used for this dissertation based on The Belmont Report They are the principles of respect for persons justice and beneficence In each case the theological themes are shown to enhance the meaning of these bioethics principles Each of the three principles as understood through the three theological themes is applied to a current bioethics issue to demonstrate the efficacy of this approach The three current issues addressed are the withdrawal or withholding of life sustaining treatment the distribution of health care in the United States and the use of palliative care

The Medical Revolution of the Seventeenth Century Roger Kenneth French, Andrew Wear, 1989-09-28 This consideration of the underlying forces which helped to produce a revolution in 17th century medicine sets out to show how in the period between 1630 and 1730 medicine came to represent something more than a marginal activity and was influenced by the current developments of the day

All Creation Groans Daniel W. O'Neill, Beth Snodderly, 2021-05-18 In a suffering world reeling from global pandemics and health disparities it is high time to think theologically about the devastating experience of disease and to address our God inspired responsibility to understand its origins and engage in its management In a fragmented world we need a unifying and integrated perspective on people in communities embedded in a fractured ecology In an academic world blind to the spiritual world and imbalanced toward technical solutions the global church must articulate a contemporary metanarrative that is moral practical and deeply transformational All Creation Groans brings together multiple perspectives for a compelling global health approach to the pathologies of the world as a part of the missio Dei The authors paint a unifying perspective on God's healing intentions in creation redemption and consummation and the opposing nature corrupting effects of the rebellion of created moral agents It is a fresh call for the global church to engage in aligning with God's healing action for eternally sustainable global health
