Creation And The Second Coming:

Creation and the Second Coming Henry M. Morris, 1991 To understand the end you must understand the beginning God's plan for the Second Coming of Jesus Christ began in the Book of Genesis with the events of Creation and the rebellious Fall of Man God's great plan of redemption and salvation through Christ is still underway and will culminate with His triumphant return but before this event the Bible tells of a clear set of signs that will mark the final days The political upheaval in the Middle East the New Age movement and the call for a one world government were all foretold in God's Word The Bible's prophetic writers give key signs of the return of Christ and in this classic work from renowned author and creation scientist Dr Henry M Morris he reveals how each sign is an outgrowth of evolutionary humanism or pantheism *A Bible-Based Chronology from the Creation to the Second Advent of Jesus Christ* Jim Dodge, 2018-11-09 The Scriptures reveal that when we enter the latter days we'll find ourselves in an increasingly chaotic world where godlessness and lawlessness rule the day During this time God's word will be neglected and twisted for self-serving agendas truth will become subjective and relative and entertainment idolatry liturgy and rituals will replace the Lord Jesus from being the central focus of worship in mainline churches In this Bible-based chronology the author examines where we are on God's timeline and more importantly why it's not too late to benefit from God's incredible message of creation redemption and eternal life Importantly for these end times the Bible contains an amazingly accurate timeline dating from the Creation to the Second Coming It's been intentionally hidden but specific windows of time highlight the latter days Celebrate God's imminent return and learn about the specific generation that will see all these things before it passes away so that we as children of light should not let the day of the Lord's return overtake us as a thief in the night **A Second Look at the Second Coming** T. L. Frazier, 2005-05-25 Read a balanced well researched treatment of the end times interpreted from the Christian East by faithful Orthodox saints martyrs and Spirit-filled Fathers of the Faith Historic Christian teaching on the rapture the millennium the state of Israel and the role of the Church in the last days *Creationism and the Conflict over Evolution* Tatha Wiley, 2009-01-01 How do our current notions of the workings of the universe fit with our deepest convictions about its meaning and value From religion we grasp the world as created given gift From science we apprehend it as evolving in process changing How do we bring these apprehensions together Or can we Is our impulse to find the two complementary creation and evolution Or is it to find them contradictory creation or evolution The way in which we answer these questions carries personal and intellectual consequences It will constitute the first piece in a worldview within which we order our religious beliefs and scientific judgments from the Preface **The Collected Works of Witness Lee, 1993, volume 2** Witness Lee, 2021-05-28 The Collected Works of Witness Lee 1993 volume 2 contains messages given by Brother Witness Lee from May 28 through December 17 1993 During the first eight months of 1993 Brother Lee was in Anaheim California At the beginning of September he visited Seattle Washington for one week after which he returned to Anaheim and remained there until the end

The Organic Union in God's Relationship with Man Witness Lee, 1993-10 **Jesus Shall Reign** Gary Tuck, 2021-10-14 Centuries before his birth in Bethlehem God announced through many prophets that he would send the Savior of the world After he came and purchased redemption and returned to heaven God announced that he would send him again Revelation is God's last word before Jesus comes again this time to seize the throne of Earth never ever to relinquish it In Revelation he has disclosed his determined plans for the end of this first creation history as we know it and the inauguration of his glorious eternal kingdom There is a palpable fever in the church today for cracking the code of Revelation This book argues Revelation is not as arcane as many think it to be It is understandable With a little help of the right kind the book is accessible It is largely a matter of recognizing the primary themes and the macro structure The discovery and integration of those are the particular groundbreaking contribution of this book With those the big picture message of Revelation opens like a flower Is your appetite whetted *Thy Kingdom Come* Harold L.
