Homegrown Cookbook Heather Lalley,2011-06-03 This book celebrates the best homegrown food in and around the windy city profiling 30 chefs who work together with local farms to bring the freshest locally grown sustainable foods to their menus Martini, Straight Up Lowell Edmunds,2020-03-24 Originally published in 1998 From its contested origins in

nineteenth century California through its popularity among the smart set of the 1930s world leaders of the 1940s and the men in the gray flannel suits of the 1950s to its resurgence among today s retro hipsters Lowell Edmunds traces the history and cultural significance of the cocktail H L Mencken called the only American invention as perfect as a sonnet **Poetry Project** ,2001 **Gin and the English** Paul Jennings,2024-08-21 This book charts the history of gin from its arrival in

England in the sixteenth century to the present day In doing so it uses a range of perspectives economic social cultural and political to give a rounded picture of how the spirit developed in the way it did over some 400 years It looks at how gin s popularity has ebbed and flowed over the centuries among different groups in society It is therefore concerned with the drinkers of gin and why they chose it and at the meanings which they attached to its consumption Gin was particularly popular with women and the spirit is often associated with them in phrases like Mother s Ruin This also alerts us to the fact that gin has often had a bad press never more so than in the infamous Gin Craze of the first half of the eighteenth century so vividly depicted in Hogarth s Gin Lane The book attempts to tell something of the real history of gin beneath the frequent condemnation It ends with the resurgence of gin s popularity with the emergence of so called designer gins in the twenty first century *The Ultimate Little Martini Book* Ray Foley,2010-09-01 Ray Foley is known as the bartender s bartender

Leave it to him to take the mystery out of mixology Legendary spirits master author and marketer Michel Roux Bartenders don t rely on just anyone to create the most classic American drink They turn to Bartender Magazine published by thirty year industry veteran Ray Foley trusted by more than 150 000 barkeepers Now you can get your martinis straight from the top from Bartender and the best mix masters across America From sophisticated to fun this is the only martini book you ll ever need

Atlas of India John Bartholomew and Son,1893 **The Complete Stein Poems, 1998-2003** Jackson Mac Low,2025-08-19

A landmark publication in computer generated poetry drawn from the works of Gertrude Stein The Stein poems of Jackson Mac Low 1922 2004 were written between 1998 and 2003 Comprising more than 500 pages of text this edited series of 161 poems most of them never published is the poet s last great work composed during the final years of a lifetime of prolific creation The raw material of each poem was produced through Mac Low s diastic text selection method of reading through passages of either Ulla E Dydo s A Stein Reader or a corrected version of Gertrude Stein s Tender Buttons Guided by Charles

O Hartman's 1994 DIATEST5 computer program which replicates the diastich method first developed by Mac Low in 1963 the process requires that words be drawn sequentially from the source text in accordance with their rule driven algorithmic correspondence with a seed text Taken as a whole these poems are a breathtaking invitation to the reader into a space of creative possibilities and unforeseen encounters **New York Magazine**, 1980-04-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Small Press Review**, 2001 **International Bankruptcy** Jodie Adams Kirshner, 2018-05-10 With the growth of international business and the rise of companies with subsidiaries around the world the question of where a company should file bankruptcy proceedings has become increasingly complicated Today most businesses are likely to have international trading partners or to operate and hold assets in more than one country To execute a corporate restructuring or liquidation under several different insolvency regimes at once is an enormous and expensive challenge With *International Bankruptcy* Jodie Adams Kirshner explores the issues involved in determining which courts should have jurisdiction and which laws should apply in addressing problems within Kirshner brings together theory with the discussion of specific cases and legal developments to explore this developing area of law Looking at the key issues that arise in cross border proceedings *International Bankruptcy* offers a guide to this legal environment In addition she explores how globalization has encouraged the creation of new legal practices that bypass national legal systems such as the European Insolvency Framework and the Model Law on Cross Border Insolvency of the United Nations Commission on International Trade Law The traditional comparative law framework misses the nuances of these dynamics Ultimately Kirshner draws both positive and negative lessons about regulatory coordination in the hope of finding cleaner and more productive paths to wind down or rehabilitate failing international companies **Eva Zeisel** Pat Kirkham, 2013-10-15 Eva Zeisel was one of the twentieth century's most influential ceramicists and designers of modern housewares Her distinctive take on modern industrial design was inspired by organic form and brought beauty and playfulness to housewares earning her designs a beloved place in midcentury homes This richly illustrated volume the first ever complete biographical account of Zeisel's life and work presents an extensive survey of every line she ever created all captured in gorgeous new photography plus 28 short essays from scholars collectors curators and designers The definitive book on the grande dame of twentieth century ceramics this is an essential resource for anyone who appreciates modern design *Reagan's Cowboys* John B. Roberts II, 2020-06-29 When rumors about Geraldine Ferraro the first woman vice presidential nominee by a major party in U S history reached First Lady Nancy Reagan during the 1984 presidential election a secret operation was launched to investigate her It revealed Ferraro's ties to organized crime and the extent to which she

would have been subject to pressure or blackmail by the Mafia if elected Written by an insider responsible for running the investigation this never before told story goes behind the scenes as an incumbent president s campaign works to expose a political opponent s mob connections Part detective story part political thriller the narrative features all the major players in the Reagan White House and 1984 reelection committee with revealing anecdotes about Ronald and Nancy Reagan **A Clown in a Grave** Michael Skau,1999 Skau covers the complete works of Corso one of the four major Beat Generation writers with Jack Kerouac Allen Ginsberg and William S Burroughs who attempted to provide an alternative to what they saw as the academic forms of literature dominating American writing through the 1940s and 1950s **BOOK JACKET The Science of Modern Cotton Spinning** Evan Leigh,1882
